To Whom It May Concern,

I attended a Client Meeting in early September 2019 at 58 Harvest Moon Dr. in Caledon. I met Sera and we toured the property. She showed me completed renovations as well as an array of incomplete projects.

Over the course of the next hour Sera explained her current situation and separation from her husband and that they were trying to determine how to move forward. Ideally, it would be to sell the house, split the proceeds and move on.

Mr. Ferranti arrived to pick up the children and Sera suggested that I exit out the back and down the side of the house to avoid him. I complied, went straight to my car, got in and shut the door. He ran up to my car and banged on the window insisting that I speak with him. He was very intimidating. I rolled down the window just an inch to say that I was just there to evaluate the house and he screamed something like "she's never going to get anything out of this house and you're never gonna sell it!" Then he banged on the hood of my car and walked towards the house. I was quite shaken and very concerned for Sera's safety.

Please contact me if you would like to discuss this further.

Regards,

Nancy Richards

 - c. The number of days remaining from the date of prepayment to the maturity date divided by 365.

For example (using sample figures), if you wanted to pay out \$100,000 on a mortgage with a 4% contractual mortgage interest rate at the end of the 2nd year of a 3 year term (365 days remaining to the maturity date), your prepayment penalty would be the GREATER OF:

Prepayment Charges

Non-CMHC Insured Mortgages

If you want to pay out all or part of your mortgage (more than the Prepayment Privilege allows) before the maturity date, you will pay a prepayment penalty. Your prepayment penalty will be the GREATER OF:

- (i) **Three months** interest calculated as follows: the amount being prepaid multiplied by your contractual mortgage interest rate divided by **four**;

OR

- (ii) The Interest Rate Differential calculated as follows:

- a. The difference between your contractual mortgage interest rate and the current annual interest rate of an Effort Trust Guaranteed Investment Certificate (GIC) that is closest to the remaining term in your existing mortgage (round down if exactly between 2 terms)*;

multiplied by:

- b. The amount being prepaid;

multiplied by:

- c. The number of days remaining from the date of prepayment to the maturity date divided by 365.

*Please refer to www.efforttrust.com for GIC annual interest rates applicable at time of the prepayment calculation.

For example (using sample figures), if you wanted to pay out \$100,000 on a mortgage with a 4% contractual mortgage interest rate at the end of the 2nd year of a 3 year term (365 days remaining to the maturity date), your prepayment penalty would be the GREATER OF:

$$(i) \$100,000 \times 4\% / 4 = \$1,000;$$

OR

$$(ii) (4\% - 2\%) (\text{sample 1 year GIC annual interest rate posted on } \underline{\text{www.efforttrust.com}}) \times \$100,000 \times 365 / 365 = \$2,000.$$

Prior to the Third Anniversary:

If your prepayment is made prior to the **third anniversary** of the interest adjustment date of the Term or prior to the **third anniversary** of any subsequent renewal, your prepayment penalty will be the GREATER OF:

- (i) **Three** months interest calculated as follows: the amount being prepaid multiplied by your contractual mortgage interest rate divided by **four**;

OR

- (ii) The Interest Rate Differential calculated as follows:

- a. The difference between your contractual mortgage interest rate and the current annual interest rate of an Effort Trust Guaranteed Investment Certificate (GIC) that is closest to the remaining term in your existing mortgage (round down if exactly between 2 terms)*;

- b. The amount being prepaid;

multiplied by:

- c. The number of days remaining from the date of prepayment to the maturity date divided by **365**.

*Please refer to www.efforttrust.com for GIC annual interest rates applicable at the time of the prepayment calculation.

For example (using sample figures), if you wanted to pay out **\$100,000** on a CMHC insured mortgage with a **4%** contractual mortgage interest rate at the end of the **2nd** year of a **3** year term (**365** days remaining to the maturity date), your prepayment penalty would be the GREATER OF:

$$(i) \$100,000 \times 4\% / 4 = \$1,000;$$

OR

$$(ii) (4\% - 2\%) (\text{sample 1 year GIC annual interest rate posted on } \underline{\text{www.efforttrust.com}})) \\ \times \$100,000 \times 365 / 365 = \$2,000.$$

EFFORT TRUST

On or After the Third Anniversary:

If your prepayment is made on or after the **third anniversary** of the interest adjustment date of the Term or the **third anniversary** of any subsequent renewal and provided all your mortgage payments are up to date and there is no other default with your mortgage terms, your prepayment penalty will be:

- (i) **Three** months interest calculated as follows: the amount being prepaid multiplied by your contractual mortgage interest rate divided by **four**.

For example (using sample figures), if you wanted to pay out \$100,000 on a CMHC insured mortgage with a **4%** contractual mortgage interest rate at the end of the **4th** year of a **5** year term, your prepayment penalty would be:

$$(i) \$100,000 \times 4\% / 4 = \$1,000.$$

Hi Mary Ann,

Please find attached the first 5 pages of the mortgage commitment from Home Trust.

I need you and Rino to initial and sign on the pages as indicated to just let Home Trust know you wish to proceed with the deal. They have set aside this money for you and want to confirm that you want to go forward with the refinance. There is no penalty if you decide not to proceed with them.

We will go through all of the paperwork properly once the appraisal has been done and we have done up the entire package for you both to sign.

In addition, we will need to pay out the following items:

- RBC - \$28,000.00
- Fairstone - \$3,805.00
- Capital One - \$7,415.00
- Scotialine - \$22,000.00
- CIBC - \$3,259.00

There is a 1% lender fee of \$8,800.00 and Home Trust will be holding back 5 months of property taxes on closing of \$2,104.55.

I have estimated approximately \$1,500.00 for legal so you will need to come up with around \$8,000.00 of your own money plus whatever you owe Serafina.

This is based on an appraised value of \$1.1 million.

Order to go in accordance with minutes of settlement or consent filed.

Order

[1] Upon reviewing the material filed and hearing the submissions of counsel. I order the following on an interim without prejudice basis:

- a) The Respondent is permitted to renew the mortgage scheduled for renewal on March 1, 2022, without the need for the signature or consent of the Applicant. This order dispensing with the Applicant's consent and signature is granted on a one time basis only and only with respect to the March 1, 2022 renewal.
- b) The said renewal shall be for a period not exceeding 12 months and the renewal shall be for an open mortgage.
- c) The entirety of the relief sought in the Respondent's notice of motion shall proceed in the normal course and

proceed to the case management conference scheduled for April 25, 2022.

- d) No further motion shall be brought in this matter without leave of the court.

Overview

[2] The Respondent sought certain relief in his urgent motion. The parties are separated. The premise of the Respondent's urgent motion is that the mortgage on the matrimonial home may fall into default if the mortgage was not renewed on March 1, 2022.

[3] During the hearing, the Applicant disclosed a document provided by the Respondent that indicated that in the event of a failure to renew on March 1, 2022, the lender would not commence any legal proceedings until April 30, 2022. I conclude however, that with a case conference scheduled for April 25, 2022, the issues in the litigation will not conclude in sufficient time to resolve whether or not the mortgage should be renewed.

[4] The parties' dispute is founded on differing interpretations of a Separation Agreement the parties entered into. The Respondent seeks certain orders premised on the

validity of the Separation Agreement. The Applicant challenges the validity of the Separation Agreement and hence the relief the Respondent seeks. In addition, or in the alternative, the Applicant alleges that the Respondent is in violation of the Separation Agreement and is not entitled to any of the relief he seeks.

[5] The order I have made preserves the interest of each party in the matrimonial home without prejudice to either party's legal interests. This order is not a determination of the issues raised in the Respondent's notice of motion. It is interim in nature in the manner previously described.

Costs

[6] Neither party was successful on this motion. The Respondent was unsuccessful in his attempt to have the issues adjudicated on a final basis on this motion. The Applicant was unsuccessful in her attempt to prevent the March 1, 2022, renewal of the mortgage. No costs are awarded to either party.

ENDORSEMENT

1. This family law motion brought by the Respondent/father was set for 59 minutes today on the regular motion list.
2. At no time prior to the start of court was the Court able to access the materials which the parties' counsel advised had been uploaded to Caselines. Ultimately Ms. Osadet indicated she may have uploaded materials to the wrong bundle, being a Case Conference bundle, such that the bundles for the Motion today, which were available to the assigned motion judge, were empty.

Adjournment ordered:

3. In the result the motion could not proceed and must be adjourned accordingly.

Settlement discussions generally encouraged:

4. I urged the parties, and their counsel, to use the interim time prior to return of the rescheduled motion to consider options for resolution of the motion issue (mortgage renewal terms) without the need for judicial adjudication of this discreet step.

Next scheduled steps:

5. Respondent's motion is adjourned to January 19th, 2023 at 10 am.
6. Neither party may add to their motion materials filed for return of motion today, with the exception of notices of confirmation to be filed per the practice direction; and also updated draft orders and cost outlines which shall be made available to the motion judge on request.
7. Neither party shall add to the relief sought on the adjourned motion, by way of additional motion or cross-motion.
8. A settlement conference has now been booked for May 25, 2023 at 2:15pm. SETTLEMENT CONFERENCES PRESUMPTIVELY TAKE PLACE IN PERSON.
9. Parties are directed to review and comply with applicable filing requirements pursuant to Notices to the Profession and practice directions of the SCJ and the Central West Region.

Costs:

10. I invited submissions on costs thrown away today, and heard counsel's submissions.
11. I have considered those submissions and circumstances of today. I note that neither party's materials, although allegedly uploaded to Caselines as required, were available for review by the motions judge before the motion. The parties both having contributed to the time spent in court today unproductively, I make no order as to costs.

2. The applicant Serafina Ferrante moves for a temporary order that the respondent Rino Ferrante pay child support in the table amount of \$958 for Luca Ferrante, the child of the marriage.
3. In April 2022, Justice Petersen granted the parties leave to bring two motions: (a) Rino's motion for renewal of the mortgage on the matrimonial home on July 8, 2022; and (b) Serafina's motion for interim child support on July 19, 2022. Rino says that if (and, he is sure, when) his motion is granted, he will have sufficient cash flow to pay table child support, rendering Serafina's motion moot. Serafina opposes Rino's motion for reasons that were not disclosed to me.
4. The motions had to be adjourned (for undisclosed reasons). Rino's motion is scheduled for January 2023. As I understand, Serafina proposed dates for her motion. Rino's lawyer advised that she was unavailable as she was scheduled for trial on the offered dates. Serafina's lawyer demanded proof that Rino's lawyer was unavailable. Rino's lawyer did not respond—I don't question her decision not to do so as counsel should not presume that other lawyers are lying about their schedule.
5. Serafina's lawyer went ahead and scheduled the motion for today even though Rino's lawyer was unavailable. Rino's lawyer says she was not notified about the motion until she received Serafina's motion materials on November 15, 2022. Serafina's lawyer says Rino should have known about the date because both counsel ought to have received the same communications from the court.
6. Rino moves for an adjournment of Serafina's motion. Serafina says she will consent if Rino will agree to an order that he pay table child support and disclose certain documents—in effect, if he will consent to the motion itself.
7. Serafina says that though she became available today, she has had insufficient time to prepare responding materials. She mentioned a personal matter but, frankly, the reason is irrelevant—if counsel says that they cannot proceed, in part because the moving party's materials were served at or near the time limit, the adjournment should be consented to.
8. The motion is adjourned to December 6, 2022, for a short motion. The costs of today's hearing are in the cause of the motion.

ENDORSEMENT	
<p>[1] The applicant mother brought a motion returnable December 6, 2022, seeking a variety of relief and, in the alternative, relating to child support with respect to the parties' child Luca Ferrante, born October 22, 2005.</p> <p>[2] The parties separated on September 1, 2019, and at that time entered into a Separation Agreement, which is being challenged by the applicant on several bases including misrepresentation, duress, lack of independent legal advice, and incomplete financial disclosure.</p> <p>[3] A copy of the Separation Agreement was not filed in evidence by either party with respect to this motion by the applicant.</p> <p>[4] As is evident from the affidavit material filed by both parties, there is a clear dispute as to the respondent's line 150 income for the purpose of calculating child support.</p> <p>[5] The child is currently in the care of the applicant and the respondent's affidavit states that he is prepared to pay "table child support" however at the same time he is seeking relief in being allowed to remortgage the matrimonial home without the applicant's signature.</p>	

Matters relating to the mortgage on the home were not before the court on this motion. The evidence from the respondent with respect to the refinancing of the mortgage on the matrimonial home has little or no bearing on the issues raised by the applicant in her motion.

- [6] In her motion and Confirmation of Motion the applicant states that the primary relief sought is that the respondent pay child support in the table amount of \$958 per month pursuant to annual employment income of \$105,949.92 in accordance with the *Child Support Guidelines*.
- [7] In his responding affidavit, the respondent states that he has been paying child support under the terms of the Separation Agreement at the rate of \$450 per month over a period of 25 months for a total of \$11,250. Of the \$450 per month, he states that \$200 has been paid by him directly to the child and that he also pays an unspecified sum to the child relating to income he has received from a snowplowing contract. His affidavit is largely taken up with explaining his financial position and the mortgage liabilities which he claims to have been dealing with.
- [8] The evidentiary record is significantly lacking in that the Separation Agreement is not in evidence nor is there an exact statement as to what child support arrangements were agreed to by the parties. However, it appears that the respondent has been paying less than "table child support" and it may be that these payments have been made pursuant to the Separation Agreement, however there is no clear evidence regarding this.
- [9] There is significant contradiction in the evidence presented by these parties as to the income being received by the respondent over the course of time since the parties separated. The affidavit evidence has not been tested by cross-examination.

- [10] There is significant contradiction in the evidence presented by these parties as to the income being received by the respondent over the course of time since the parties separated. The affidavit evidence has not been tested by cross-examination.
- [11] Ironically each party submitted a draft order in advance of the argument of this motion. The applicant sought child support based on the amounts set forth in paragraph [6] above and the respondent in his draft order proposed that child support be paid by him in the same amount based on the same annual income in favour of the child commencing December 1, 2022.
- [12] Even absent proper and full disclosure of the respondent's income over the time in dispute, I suspect that he has been paying child support at a rate lower than as provided for by the *Child Support Guidelines*.
- [13] During submissions from counsel, I questioned whether parents could contract out of the *Child Support Guidelines* so far as the table amounts were concerned, however counsel were not able to assist in referring me to any relevant case authority.
- [14] The Supreme Court of Canada in its decision in *Willick v. Willick*, [1994] 3 SCR 670, considered the court's power to review and very an award of child support which was provided for in a separation agreement and incorporated into a court order. The beginning premise is that the court is "not bound by the terms of a separation agreement in exercising its jurisdiction to award support under the Act." See also *Wright v. Zayer*, 158 O.A.C. 146 (2002).
- [15] Given the conflict on the evidence as to the respondent's financial position and his line 150 income over the relevant time, and given the alleged arrears and child support, as the parties both put forward a similar proposed temporary child support order, pending further

cogent evidence as to the respondent's income and as well pending the determination of the enforceability of the Separation Agreement and subject to any further order of the court that may be made in the meantime – it is ordered that the respondent pay to the applicant temporary child support commencing December 1, 2022 in the table amount of \$958 per month in respect of the child, based on annual income from employment of \$105,949.92, in accordance with the *Child Support Guidelines*. The issue as to child support arrears is left to be determined at trial on a more complete evidentiary record.

- [16] By obiter only, it seems most unfortunate that these parties are utilizing strategies involving "death by a thousand cuts" in the manner in which they are litigating this action and as such they are incurring very significant legal costs as a result of the combative strategies they have implemented. This action has had several motions before a number of judges none of which have moved this action in any meaningful way towards either resolution or trial.
- [17] As to the costs of this motion, counsel for the applicant shall serve and file brief submissions as to costs along with a costs outline within 15 days followed by similar submissions and a costs outline from counsel for the respondent within 15 days thereafter. No reply submissions are to be filed.

ENDORSEMENT		
[1] The issue of the mortgage renewal has been the subject of multiple motions and endorsements (seven in total) over the past year. There is currently a motion scheduled for January 19, 2023. This motion cannot be dealt with in writing and certainly without the participation of the Applicant. My concerns are compounded by an endorsement by Justice Barnes of March 2, 2022 which appears to set limits to any mortgage renewal.		
[2] Given the suggested urgency, the motion is to be added to the motions list for Tuesday, January 3, 2023.		
[3] CSD is kindly requested to provide the judge hearing motions with access to the Sharepoint file. The parties should also be given a Caselines invitation to upload their materials.		
[4] The issue for determination shall be limited to determining the interactions that the parties may have with EFFORT TRUST in an effort to forestall foreclosure proceedings.		
[5] Although it is recognized that the Applicant may not have time to serve and file responding materials, specifically for this issue,		

counsel is granted leave to serve and file responding materials up until 9:30 a.m. on January 3, 2023.

ENDORSEMENT

- [1] On October 4, 2019, the parties entered a written agreement regarding the dissolution of their relationship. Neither appears to have received independent legal advice before it was executed.
- [2] Under that agreement, the Respondent was to retain title to the matrimonial home at 58 Harvest Moon Drive, Bolton, ON, L7E 2L2 and, in return, he was to pay the Applicant \$40,000 for her share of the equity in the home. The agreement contemplated two \$10,000 payments by the Respondent to the Applicant, the first when she signed the agreement, the second when she moved out of the matrimonial home, and a further payment of \$20,000 once the documents were executed to remove her from title and the mortgage.
- [3] The terms of the agreement were never put into effect; the Applicant refused to finalize the transfer of the property to the Respondent. Instead, she commenced this application. In it, she seeks to set aside the agreement which she claims was entered under duress, to compel the sale of the matrimonial home, and to have the proceeds divided between the parties.
- [4] Since then, the issue of the mortgage on the matrimonial home has been a recurring point of disagreement between the parties. On

February 25, 2022, following a motion by the Respondent, Justice Barnes issued an order granting the Respondent authority to renew the mortgage without the Applicant's signature. The mortgage was scheduled to expire on March 1, 2022. Under that order, Justice Barnes provided that: "This order dispensing with the Applicant's consent and signature is granted on a one-time basis only and only with respect to the March 1, 2022 renewal." Further, he ordered that: "The said renewal shall be for a period not exceeding 12 months and the renewal shall be for an open mortgage."

- [5] After Justice Barnes issued his order, the Respondent was only able to renew the mortgage for six- months because the existing mortgagee does not offer one-year mortgages.
- [6] With the mortgage needing to be renewed in October 2022, the Respondent brought a further motion to seek an order to permit him to again renew the mortgage without the Applicant's consent (given that she was unwilling to consent to its renewal). That motion was made returnable on September 23, 2022. The motion could not be heard that day because neither of the parties had uploaded their respective materials for the motion to CaseLines. Accordingly, Justice McSweeney ordered the motion adjourned to January 19, 2023, at 10:00 a.m. In her endorsement, Justice McSweeney ordered, that:
 - 6. Neither party may add to their motion materials filed for return of the motion today, with the exception of notices of confirmation to be filed per the practice direction; and also updated draft orders and cost outlines which shall [be] made available to the motion judge on request.
 - 7. Neither party shall add to the relief sought on the adjourned motion, by way of additional motion or cross-motion.
- [7] The mortgage extension agreement came to an end in October 2022. On December 22, 2022, a representative of the mortgage company advised that should the mortgage not be renewed by January 1, 2023, it would commence foreclosure proceedings.
- [8] As a result of that development, counsel for the Respondent brought a motion in writing last week, seeking an order to grant the Respondent authority to renew the mortgage without the Applicant's involvement.
- [9] On December 30, 2022, Justice Tzimas, in an endorsement, concluded that the relief sought was of such a nature that the motion could not be dealt with in writing and required a hearing. Given that the

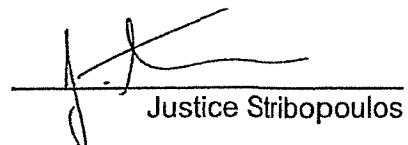

issue raised was urgent, she directed that the motion be heard on an expedited basis and set it down for a hearing today.

- [10] On behalf of the Respondent, Ms. Osadet submits the motion should be granted. She argues that granting the motion would not occasion any prejudice to the Applicant. And further, that a failure to obtain a new mortgage and to allow foreclosure would undoubtedly prejudice the interests of both parties.
- [11] For the Applicant, Mr. Pomer opposes the motion. In doing so, he raises both procedural and substantive objections.
- [12] From a procedural standpoint, he emphasizes that Justice Barnes only ordered a one-time mortgage extension, and that Justice McSweeney ordered that neither party could bring a further motion without leave and could not supplement the record that was before her in advance of the scheduled hearing on January 19, 2023. Mr. Pomer submits that the current motion runs afoul of those existing court orders and should not be heard because of that.
- [13] From a substantive standpoint, I found Mr. Pomer's argument more difficult to follow. Concerning how an extension of the mortgage could potentially prejudice his client, he was hard-pressed to provide the court with a coherent answer. Instead, his argument focussed on the conduct of the Respondent since separation, the unfairness of the agreement that his client seeks to set aside, what he says is the actual value of the home, and that the Applicant has only paid a pittance in child support to date. (Parenthetically, I note that the Applicant brought a motion for interim child support that was heard by Justice Daley on December 6, 2022, and that the decision on that motion remains on reserve.)
- [14] Having summarized the positions of the parties, I turn to my analysis.
- [15] I start with the procedural objections raised by Mr. Pomer on behalf of the Applicant. Despite the prior orders of Justice Barnes and Justice McSweeney, I am satisfied that the imminent foreclosure proceedings represent a material change in circumstances that justify revisiting their previous orders and granting the Respondent leave to proceed with this motion at this time. In short, there is an element of urgency to the issue of the mortgage renewal that was not present when the parties

were before Justice McSweeney in September 2022 or Justice Barnes in February 2022.

- [16] Turning to the substance of the motion, I wish to emphasize what is not before me today. First, it is neither necessary nor possible for me to adjudicate the validity of the settlement agreement reached by the parties. In that regard, I am not able to decide the true value of the matrimonial home and whether the agreement reached resulted in an unconscionable outcome for the Applicant. Those are issues for another judge at some future date. Second, I cannot decide whether the Respondent has improperly failed to pay child support; Justice Daley will address that question when he decides the motion for interim child support.
- [17] The only question before me is whether to permit the Respondent to enter into an agreement to obtain a mortgage on the matrimonial home without the Applicant's consent, or to simply allow the property to be the subject of foreclosure proceedings by the mortgagee.
- [18] I am hard-pressed to see how permitting the property to be subject to foreclosure would be to the benefit of either the Applicant or the Respondent. In the end, that process will undoubtedly come with additional costs and likely preclude the home from being sold at the best possible price. To be sure, should the mortgage be renewed, and the Applicant ultimately succeeds on the application and manages to force the sale of the home, there will be costs associated with discharging the mortgage prematurely. However, those costs will undoubtedly pale in comparison to the costs associated with foreclosure.
- [19] Additionally, the renewal of the mortgage will ensure that the Respondent has additional funds available to pay monthly child support. That would undoubtedly be in the best interests of both parties.
- [20] For these reasons, the following Order shall issue:
1. The Respondent, Rino Ferrante, is granted leave to proceed with the motion.
 2. The Respondent, Rino Ferrante, is granted sole authority to enter into a mortgage agreement to refinance the mortgage on the matrimonial home at 58 Harvest Moon Drive, Bolton, ON,

- L7E 2L2. The mortgage agreement may be entered without the approval or signature of the Applicant, Serafina Ferrante.
3. The Respondent, Rino Ferrante, has the authority to enter a mortgage agreement for the matrimonial home at 58 Harvest Moon Drive, Bolton, ON, L7E 2L2, including a closed mortgage at a fixed rate, but for a term not exceeding five-years.
 4. The proceeds of any mortgage obtained by Rino Ferrante shall only be used to discharge the mortgage currently held by The Effort Trust Company and any associated legal fees. The amount of any financing shall not exceed that amount and no funds from the new mortgage should be paid to Rino Ferrante directly but instead be paid, in trust, to the lawyer or the lawyers handling the mortgage transactions.
 5. The Respondent, Rino Ferrante, shall disclose to the Applicant, Serafina Ferrante, within 14 days of entering a new mortgage agreement, a copy of any mortgage agreement entered, and a copy of any reporting letters provided by the lawyer or lawyers who handle the mortgage transactions, including a full accounting of any mortgage proceeds received and how they were disbursed.
 6. The motion, previously scheduled for January 19, 2023, is hereby vacated.
 7. Counsel for the parties should be in contact with the Trial Office within two-business days to schedule the first available Settlement Conference.
 8. The costs of this motion are reserved for the trial judge.

COSTS ENDORSEMENT

- [1] The applicant brought a motion seeking various forms of relief including child support.
- [2] For the reasons set forth in my endorsement of January 10, 2023, the applicant was successful on her motion.
- [3] Submissions as to costs were ordered to be delivered by counsel for both parties, however only counsel for the applicant filed any submissions and the time with respect to the filing of same on behalf of the respondent has long passed.
- [4] The applicant seeks her costs of this motion on a substantial indemnity basis given that she tendered an Offer to Settle dated December 1, 2022 calling for payment of child support by the respondent in the monthly amount of \$958 based on annual income from employment of \$105,949.92 in accordance with the Child-Support Guidelines.

- [5] As per my endorsement of January 10, 2023, the respondent was ordered to pay ongoing child-support at the same amount and based on the same level of income from employment as put forward in the applicant's Offer to Settle.
- [6] Absent submissions on behalf of the respondent, given the result achieved as compared to the Offer to Settle in regard to ongoing child support, I am of the view that this is a proper case for an award of substantial indemnity costs payable by the respondent.
- [7] I have considered the Bill of Costs submitted by counsel for the applicant in terms of the hourly rate charged and the time spent and I am satisfied that the resulting fees, on a substantial indemnity basis, are fair, reasonable and proportionate having regard to the nature of the motion.
- [8] In the result, it is ordered that the respondent pay to the applicant her costs of the motion in the all-inclusive sum of \$10,733.87 within 30 days from the date of release of this endorsement.

- [1] Settlement Conference scheduled for May 25, 2023. Parties attended court in person with counsel.
- [2] At the outset Applicant counsel advising court that in his view the Settlement Conference could not meaningfully proceed due to lack of financial disclosure by Respondent.
- [3] Respondent counsel conceding her client had not produced an updated financial statement; nor was his original financial statement before the court.

Updated child support amount:

- [4] Court was advised that despite receipt of Justice Daley's order for child support to be paid in an interim amount of more than \$900 effective December 2022, the Respondent has paid a monthly amount of much less to the Applicant. His explanation was that FRO has not yet contacted him re: enforcement of the Daley J. order.
- [5] Respondent counsel spoke with her client and then confirmed to the Court that he now understood his obligation to pay the support amount ordered, even if FRO has yet to take enforcement steps.

- [6] Parties agreed that Respondent's applicable income for child support purposes has increased since the Daley J. order.
- [7] Parties agreed to a further consent interim child support order on an interim without prejudice basis, to provide as follows: Commencing January 1, 2023, the support ordered by Justice Daley shall increase to \$1,146.00.
- [8] Support Deduction Order to issue.
- [9] Note: the parties requested that their interim order direct how Respondent will pay arrears owing under the Daley J order. I decline to do so, as the Family Responsibility Office will credit him with payments already made, and will enforce collection of outstanding amounts per its process.
- [10] Applicant counsel to take out the order. He is to provide draft consent order incorporating the above to Respondent counsel. Respondent counsel confirmed to the Court that she will respond within no more than seven (7) business days with respect to form/content approval.

Financial disclosure outstanding from Respondent:

- [11] Respondent counsel acknowledged her client's financial disclosure is incomplete. Respondent shall serve and file his complete financial disclosure and certificate confirming same, including all documents responsive to his undertakings from questioning, updated sworn financial statement with documents to support values on disputed items listed therein, and his Net Family Property statement, no later than 4pm on July 31, 2023.

Mortgage renewal documents:

- [12] Applicant advised that the Respondent had not complied with the order made by Justice Stribopoulos at the Respondent's urgent motion heard January 3, 2023.
- [13] In granting the Respondent authority to enter a mortgage agreement for the matrimonial home without the consent of the Applicant, Justice Stribopoulos imposed specific obligations on the Respondent, including: that the funds obtained shall only be used to discharge the Effort Trust Company mortgage and any associated legal fees; that the amount of any financing shall not exceed that amount; and that the new mortgage funds must be paid directly to the lawyer or the lawyers handling the mortgage transactions, and not to the Respondent.
- [14] He further ordered the Respondent to "disclose to the Applicant, Serafina Ferrante, within 14 days of entering a new mortgage agreement, a copy of any mortgage agreement entered, and a copy of any reporting letters provided by the lawyer or lawyers who handle the mortgage transactions, including a full accounting of any mortgage proceeds received and how they were disbursed. Regarding the mortgage commitment and terms thereof entered into subsequent to that attendance. These materials to be disclosed in full within 7 days." [emphasis added]
- [15] Respondent counsel submitted at the conference that the Applicant had received the mortgage disclosure ordered, then corrected herself after looking at her records, at which time she attempted to send the information that she had to Applicant counsel.
- [16] I am not satisfied that the Respondent has complied with the Stribopoulos J. order. As a result of his non-disclosure, the Applicant is not able to verify

what funds were procured jointly in her name by the Respondent, on what terms, and to whom the funds were paid.

- [17] The Respondent is directed to provide the disclosure ordered by Stribopoulos J., to the Applicant, in full, no later than 4pm on June 2, 2023.
- [18] The orders made at paragraphs 11 and 17 give further timelines for the Respondent to remedy his non-compliance with the Stribopoulos order, with his obligations under the FLR's and with his undertakings arising from questioning.
- [19] Should the Respondent fail to make his disclosure by the dates I have ordered, the Applicant has leave to bring a motion to strike his pleadings and proceed to an uncontested trial.

Next steps:

- [20] At present, post-separation arrears of child support, and entitlement to share in value of jointly owned matrimonial home are central issues between the parties.
- [21] Respondent's position on these key issues is based on the parties' Separation Agreement of October 2019.
- [22] Applicant disputes the applicability of the Separation Agreement on the basis that she signed it under duress.
- [23] This issue in my view they will require a trial. Evidence in chief by way of affidavit, followed by cross-examination at trial, should in my view enable this matter to be heard and resolved within the timeframe of a "week of" trial of four days or less.

- [24] TMC set for Nov 30, 2023, at 2:15 pm. Confirmation forms required, and full compliance with rules and practice direction of the SCJ and Central West Region. Detailed TSE forms are also required from each party.
- [25] No other motions prior to TMC without leave of the court obtained in advance.

Costs:

- [26] Applicant seeks \$5,000 in costs for an unproductive conference.
- [27] Rule 17(18) permits a court to award costs at a conference where a party was not prepared, did not serve required documents, did not make any required disclosure, or otherwise contributed to the conference being unproductive.
- [28] In my view, the Respondent's failure to make the financial mortgage disclosure ordered precluded a productive settlement conference taking place. Such materials as he did provide were late served and did not include the required updated sworn financial statement.
- [29] I note also, under the category of a party "otherwise" contributing to the conference being unproductive, that the Respondent's behaviour in court, including laughing and talking during Applicant's submissions, was so disruptive that the court directed a recess during the conference to give him time to collect himself.
- [30] Pursuant to rule 17(18) I consider an award of costs appropriate for the reasons referenced. Per Rule 17(18) (a), the costs ordered must be paid immediately.

- [31] Although Applicant counsel did not provide the court with a cost outline, I am satisfied, based on his settlement conference brief and the time taken for the attendance in court, that the Applicant incurred costs in excess of the amount I am ordering.
- [32] Respondent is ordered to pay costs of this conference to the Applicant in the amount of \$1,000, and to do so by June 6, 2023.
- [33] So ordered.

ENDORSEMENT

- [1] This was a motion brought by the Applicant seeking an Order for an undefended trial. This order was sought on the basis that the Respondent has not provided financial disclosure that was ordered by McSweeney J. on May 29th, 2023. I dismissed the motion, but provided the parties with some directions at the hearing of the motion. This endorsement sets out the reasons that the motion was dismissed as well as my directions to the parties.

Dismissal of the Motion

- [2] The granting of an undefended trial when the other side is participating is a drastic remedy. I must, therefore, begin my analysis by answering the question of what has the Respondent failed to do in this case. In her endorsement, at paragraph 11, McSweeney J. stated:

[11] Respondent counsel acknowledged her client's financial disclosure is incomplete. Respondent shall serve and file his complete financial disclosure and certificate

confirming same, including all documents responsive to his undertakings from questioning, updated sworn financial statement with documents to support values on disputed items listed therein, and his Net Family Property statement, no later than 4 p.m. on July 31st, 2023.

- [3] The Affidavits that have been filed by both sides make it clear that at least some of this disclosure remains outstanding and that the timeline set out by McSweeney J. was also not fully complied with. However, considerable efforts have been made to provide this documentation. I also note that this Order does not delineate specific pieces of documentation that was required to be produced.
- [4] In that respect, when I asked Mr. Pomer in argument to identify what was missing, he noted, *inter alia*, that the following items had not been disclosed:
 - a. Although the 2019, 2020 and 2021 tax returns and Notices of Assessment had been provided, those documents were not provided for the 2022 tax year.
 - b. The Net Family Property statement was missing.
 - c. The values in the financial statement were not proper.
 - d. There were some undertakings, particularly with respect to joint accounts, that had not been complied with or where efforts to obtain documents were still ongoing.
- [5] Based on my review of the materials, this is a case of incomplete disclosure rather than deliberate non-disclosure. I would also note that it was not clear as to what, precisely, was missing from the disclosure. The Respondent has produced considerable materials and, further, some of the documents that have been sought by the Applicant were records from joint accounts. I did not hear a compelling explanation from Mr. Pomer as to why the Applicant could not obtain these records, although I did point out to the agent for the Respondent's counsel that an undertaking is an undertaking and I expected that these would be fulfilled.

- [6] This brings me to the test for ordering an undefended trial. An order to strike out pleadings and prevent a party from participating in the trial, as is sought here, is an order that should only be given sparingly, in exceptional circumstances, and where no other remedy would suffice. *Roberts v. Roberts* 2015 ONCA 450 at para. 15, *Martin v. Watts*, 2020 ONCA 406 at para. 7.
- [7] In this case, the Applicant's argument is based on deficiencies with the disclosure rather than a wilful and egregious failure to comply with Court orders at all. Indeed, the undertakings chart that Applicant's counsel directed my attention to is replete with answers (that the Applicant challenges) or indications that additional documents are being sought.
- [8] As an example of items that are missing is the documentation to support a loan that the Respondent claims was made to him by his sister. I pointed out to counsel in argument that this document might not be necessary for the Applicant to be able to argue that the loan was really a gift, as the question of whether something was a loan or a gift would be determined by the criteria set out in *Barber v. Magee* 2017 ONCA 558, (2017) 139 O.R. (3d) 78 aff'd 2015 ONSC 8054. Given the criteria for establishing a loan, the lack of documentation on the part of the Respondent might very well be enough for the Applicant to prevail. In those types of circumstances, the pleadings should generally not be struck. Instead, it is a matter for trial.
- [9] Overall, then, this is not the type of case where an order striking pleadings should be granted. Instead, other remedies are more appropriate and I turn to those now.

Other Remedies

- [10] Part of the basis for the Applicant's motion is the fact that the Respondent has not yet paid the costs orders that are outstanding. As a result, I am directing that the Respondent is to pay the outstanding costs orders from previous motions

within thirty (30) days of today's date, failing which the Applicant may seek to bring back her motion for an undefended trial.

- [11] In terms of documentary disclosure, I have ordered as follows:
- a. Any and all documents that the Respondent has been asked to produce or that the Respondent is seeking to rely upon must be produced at least seven (7) calendar days before the trial management conference scheduled for next month.
 - b. The financial statement seems to have some errors in it in terms of calculations and the locations of numbers. A corrected one is to be produced at least seven (7) calendar days before the trial management conference scheduled for next month.
 - c. Any of the undertakings that remain unanswered are to be answered at least seven (7) calendar days before the trial management conference scheduled for next month.
- [12] Any issues of the remaining documentary disclosure are to be left to the judge hearing the trial management conference. For clarity, other than if the costs are unpaid, the Applicant may not bring a further motion for an undefended trial unless given leave to do so by the judge hearing the Trial Management Conference.
- [13] Counsel for the Applicant sought to have the Trial Management Conference annulled as his view was that the Respondent was not entitled to be heard by the Court until disclosure was complete. In my view, that would be a remedy that would be similar to an undefended trial. Instead, I am of the view that this case needs to be moved forward so that it can be adjudicated on the merits.

Costs

- [14] Counsel for the Applicant originally sought costs of \$14,000.00 for this motion. At the hearing, he sought \$5,000.00. I have determined that the costs of this motion should be deferred to the trial judge. While I would normally fix the costs of a motion such as this, it was (as I have noted) difficult to determine what disclosure was actually outstanding.
- [15] A trial judge will be in a better position to determine both whether there was a significant amount of disclosure outstanding and whether the Applicant was justified in moving forward with this motion. Therefore, I decline to fix costs for this motion.
- [16] As a final matter, I note that the argument of the motion took just under an hour. The bulk of that time (approximately forty minutes) was the Applicant's counsel's submissions.
- [17] I am not seized of this matter.

Re: Trial Management Conference at 11:30 a.m. – in person

- 1) The Respondent's counsel advised that her surname has changed and she should be addressed as Ms. Barnes.
- 2) Ms. Barnes also advised that while Ms. Chatta is co-counsel, Ms. Barnes remains counsel of record and all correspondence should be directed to Ms. Barnes.
- 3) Counsel did not have discussions prior to the matter being called. This is neither helpful nor acceptable.
- 4) At the beginning of the TMC, we reviewed the orders made by Justice LeMay on October 31, 2023 (found at paras. 10 and 11 of that Endorsement):
 - a. Respondent to pay outstanding costs orders from previous motions (para. 10) – Ms. Barnes advised that the Respondent had

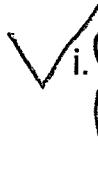

paid \$11,000 of \$11,783 and that he intended to pay rest today. By the time the TMC ended, (near 4 p.m.), Ms. Barnes advised that she had received that outstanding balance in trust and would be transferring that amount to the Applicant's counsel.

- b. Any documents that the Respondent has been asked to produce or that the Respondent is seeking to rely on be produced at least 7 days before today's TMC (para. 11(a))** – Ms. Barnes advised that the Respondent has complied with this order. Mr. Pomer asserted that the Respondent has not. This issues will have to be determined by the trial judge.

I have reviewed with the parties and counsel that if the trial judge determines that the Respondent has not complied, then it is open to the trial judge to make an adverse inference against the Respondent. Similarly, if the Applicant alleges that the Respondent has not complied, but the trial judge determines that he has, the trial judge may consider it appropriate to draw an adverse inference against the Applicant. The parties are once again reminded that their disclosure obligations are automatic and ongoing.

- c. Respondent's corrected financial statement to be served at least 7 days before the TMC (para. 11(b))** – Ms. Barnes states that the Respondent has complied. Mr. Pomer asserts that the Respondent has not. Mr. Pomer acknowledges that the Respondent served a financial statement on November 21, 2023, but asserts it is deficient as it does not provide all of the backup documentation. He also raised that the value of the matrimonial home is a different amount than what was indicated in an earlier version of the Respondent's financial

statement. After receiving the updated financial statement, Mr. Pomer did not review either of these issues with Ms. Barnes. Counsel are directed to have discussions about this. Any party/counsel alleging that disclosure is outstanding must be able to articulate specifically what remains outstanding.

- d. **Unanswered undertakings to be answered at least 7 days before TMC (para. 11(c))** – counsel took the same positions as they took with regard to the Respondent's financial statement. Again, counsel are directed to have discussions about this.
- 5) The Trial Scheduling Endorsement Form (TSEF) was completed and it forms part of this Endorsement. In addition to the directions and orders set out in the TSEF, the following additional directions/order are made. Counsel and the parties are expected to review and comply with the directions/orders set out in the TSEF and what is set out below:
- a. **Re: Amending Pleadings:**
 - i.  By December 20, 2023, the Applicant shall serve and file an Amended as Fresh Application;
 - ii. By January 20, 2024, the Respondent shall serve and file an Amended Answer;
 - iii. If the Applicant wishes to rely on a Reply, then by February 20, 2024, she shall serve and file a Reply.

- b. **Re: Financial Statements** – the parties shall exchange updated financial statements 45 days before the 1st day of the trial sittings;

FERRANTE

c. Re: Net Family Property Statements and Comparative Property Statements:

- i. The parties shall exchange updated net family property statements no later than 30 days before the 1st day of the trial sitting;
- ii. No later than 30 days before the 1st day of the trial sittings, the parties shall file a jointly prepared comparative net family property statement. If the parties are unable to jointly prepare one, then each party shall prepare a comparative net family property statement.

d. Re: Request to Admit:

- i. each party shall serve a Request to Admit no later than February 23, 2024. Each party shall respond to the opposite parties' Request to Admit by March 26, 2024.
- ii. The parties shall file a Statement of Agreed Facts with the Trial Record. The Respondent's counsel has agreed to be responsible for preparing the Statement of Agreed Facts.

e. Re: Exhibit Books:

- i. each counsel confirmed that their respective client has produced all documents that they intend to rely on..
- ii. When counsel serve each party's request to admit, they shall include an index of the documents that each party intends to rely on.

- iii. By the deadline for responding to the request to admit, each counsel shall advise which documents are admitted as genuine copies and also for the truth of their contents (and therefore no further proof is required); which documents are only admitted as genuine copies, but still need to be proved; and which documents need to be proved in their entirety.
 - iv. Counsel shall then jointly prepare a joint document brief. The index shall be hyperlinked to the documents. The index shall also indicate which documents are admitted for the truth of their contents; which documents are only admitted as genuine copies; and which documents must be proved in their entirety.
 - v. The joint document brief must be prepared by the return date (Family Assignment Court).
 - vi. The joint document brief shall be filed no later than 60 days prior to the 1st day of the trial sitting.
- 6) The deadlines set out in this Endorsement and the TSEF were set with input from counsel. These deadlines were also reviewed with the parties and counsel at today's TMC. Neither counsel nor the parties requested any clarification.
- 7) Counsel shall review the TSEF and this Endorsement with their respective clients. Counsel and the parties shall each sign the Confirmation (last page of the TSEF). Once counsel and the parties have all signed the Confirmation, counsel shall return the signed TSEF to my judicial assistant at the following email address: sarah.molina@ontario.ca. The signed TSEF shall be returned no later than December 15, 2023.

- 8) I reviewed with the parties and counsel that any party who fails to comply with the directions given today will be in breach of a court order and may face consequences for failing to comply with the Order.
- 9) Neither party is permitted to bring any motions without leave of the Court. In the event that either party needs to bring a motion, then that party shall follow the procedure set out in the regional practice directions for how to bring an urgent motion request.
- 10) This matter shall be spoken to at **Family Assignment Court on April 22, 2024 at 2:00 p.m. (by videoconference)**. Time estimate for trial is 6 to 7 days.
- 11) I should not hear the trial in this matter.
- 12) Counsel are reminded that they cannot wait until a court appearance to have discussions. This does not assist the Court or the parties. Counsel must take a reasonable approach to their communications.
- 13) There is ample time before Family Assignment Court for the parties and counsel to discuss the possibility of pursuing mediation/arbitration.

Costs

- 14) Neither counsel requested costs, although Mr. Pomer stated that if the Respondent was seeking costs against the Applicant, then he would seek costs against the Respondent. Taking this stance is discouraged.
- 15) In my view, neither party is entitled to costs.

- 16) Counsel and the parties were not properly prepared for today's conference and disregarded the *Family Law Rules* as well as the regional practice directions.
- 17) Neither party shall receive costs for today's TMC.

My name is*(Full legal name)***Rino Ferrante****I live in***(municipality and province)***Bolton, Province of Ontario****and I swear/affirm that the following is true:**

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the respondent in the matter and as such I have knowledge of the matters herein deposed. Where my knowledge is based on information and belief, I have identified the source and believe in the truth of that information.
2. By way of background, the applicant and I entered into a separation agreement in September 2019.
3. At the time of the separation agreement, the value of the applicant mother's share in the house amounted to \$40,000.
4. When the property prices went very high at the end of 2020, into 2021, the applicant refused to transfer her title to the property without renegotiating the separation agreement.

dated September 15, 2022

5. I refused to re-negotiate the separation agreement because I did not have an increased ability to pay for a larger mortgage.
6. Ultimately, the applicant brought this application seeking to sell the home, despite our separation agreement – which she now denies is valid.
7. When we negotiated the separation agreement the Applicant was represented by counsel, but she fired that counsel and signed the separation agreement.
8. On February 28, 2022, a motion was brought seeking the right to remortgage the property, as the mortgage was coming due.
9. Justice Barnes allowed me to use the same mortgagor, as already used, and to have the mortgage renewed on terms that included, the mortgage be open.

Attached and marked exhibit A is a true copy of Justice Barnes' endorsement.

10. The interest rate is very high on an open mortgage, at 8%.
11. I have the opportunity for an open mortgage at the rate of 3.89%, as set out in the mortgage offer.

Attached and marked Exhibit B is a true copy of the mortgage offer.

Attached and marked Exhibit C is a true copy of the existing mortgagee's correspondence.

12. I have tried to book a settlement conference, but there are no dates available until May 2023, and at the time of writing this affidavit, the counsel for the Applicant has not provided his availability to my lawyer.

Attached and marked Exhibit D is true copy of correspondence from the Trial Office at Brampton re dates for settlement conferences.

13. Justice Barnes' ordered that I could renew the mortgage without the permission of the Applicant, on the terms that were very narrow including an open mortgage with the current mortgagor, Effort Trust.
14. This mortgage is only renewable on six months terms and it comes up for renewal on October 1, 2022.
15. Again, I can have a mortgage payment per month that will be \$3,500 less than what it is right now.
16. I am asking the Court to permit me to enter this much more affordable mortgage on the same terms as those set out in the Order of Justice Barnes, dated February 28, 2022.

dated September 15, 2022

17. I am also seeking to have this mortgage payment lowered so that I can pay table amount child support to the Applicant for our son, Luca, who is 17 years old. Now, I pay \$400 per month, but I have agreed to pay the table amount, once the mortgage payments have been reduced to a manageable amount.
18. The Applicant has the control over this happening because she can agree to permit me to remortgage on a reasonable rate while we negotiate a settlement, however, that has not happened.
19. I am asking the Court to assist me in this matter, so that I can come out from under this financial pressure.
20. I make this affidavit in support of this motion and for no other or improper purpose.

Order to go in accordance with minutes of settlement or consent filed.

Order

[1] Upon reviewing the material filed and hearing the submissions of counsel. I order the following on an interim without prejudice basis:

- a) The Respondent is permitted to renew the mortgage scheduled for renewal on March 1, 2022, without the need for the signature or consent of the Applicant. This order dispensing with the Applicant's consent and signature is granted on a one time basis only and only with respect to the March 1, 2022 renewal.
- b) The said renewal shall be for a period not exceeding 12 months and the renewal shall be for an open mortgage.
- c) The entirety of the relief sought in the Respondent's notice of motion shall proceed in the normal course and

proceed to the case management conference scheduled for April 25, 2022.

- d) No further motion shall be brought in this matter without leave of the court.

Overview

[2] The Respondent sought certain relief in his urgent motion. The parties are separated. The premise of the Respondent's urgent motion is that the mortgage on the matrimonial home may fall into default if the mortgage was not renewed on March 1, 2022.

[3] During the hearing, the Applicant disclosed a document provided by the Respondent that indicated that in the event of a failure to renew on March 1, 2022, the lender would not commence any legal proceedings until April 30, 2022. I conclude however, that with a case conference scheduled for April 25, 2022, the issues in the litigation will not conclude in sufficient time to resolve whether or not the mortgage should be renewed.

[4] The parties' dispute is founded on differing interpretations of a Separation Agreement the parties entered into. The Respondent seeks certain orders premised on the

validity of the Separation Agreement. The Applicant challenges the validity of the Separation Agreement and hence the relief the Respondent seeks. In addition, or in the alternative, the Applicant alleges that the Respondent is in violation of the Separation Agreement and is not entitled to any of the relief he seeks.

[5] The order I have made preserves the interest of each party in the matrimonial home without prejudice to either party's legal interests. This order is not a determination of the issues raised in the Respondent's notice of motion. It is interim in nature in the manner previously described.

Costs

[6] Neither party was successful on this motion. The Respondent was unsuccessful in his attempt to have the issues adjudicated on a final basis on this motion. The Applicant was unsuccessful in her attempt to prevent the March 1, 2022, renewal of the mortgage. No costs are awarded to either party.

Rino/Serafina; As per my correspondence with Rino Ferrante today, Please see the attached mortgage renewal agreement. As you are aware, your current 6 month open term will expire on October 1st, 2022. I have offered an additional 6 month open term at the same open rate as you have currently. If you choose to renew this mortgage, it would be the second 6 month open term. Therefore, I believe that pursuant to the court order of Justice Barnes, I will not be able to extend another renewal when this mortgage renewal expires on April 1st, 2023. Please return the signed renewal agreement to me as soon as possible. Otherwise the mortgage is due in full on October 1st, 2022. Please contact me if you have any questions. Thank you and be well.

Effect of the Renewal on the Mortgage	This agreement amends and extends your Mortgage. All the terms and conditions of your Mortgage will remain in effect except as amended by this Agreement.								

Prepayment Charges

Non-CMHC Insured Mortgages

If you want to pay out all or part of your mortgage (more than the Prepayment Privilege allows) before the maturity date, you will pay a prepayment penalty. Your prepayment penalty will be the GREATER OF:

- (i) **Three months** interest calculated as follows: the amount being prepaid multiplied by your contractual mortgage interest rate divided by **four**;

OR

- (ii) The Interest Rate Differential calculated as follows:

- a. The difference between your contractual mortgage interest rate and the current annual interest rate of an Effort Trust Guaranteed Investment Certificate (GIC) that is closest to the remaining term in your existing mortgage (round down if exactly between 2 terms)*;

multiplied by:

- b. The amount being prepaid;

multiplied by:

- c. The number of days remaining from the date of prepayment to the maturity date divided by **365**.

*Please refer to www.efforttrust.com for GIC annual interest rates applicable at time of the prepayment calculation.

For example (using sample figures), if you wanted to pay out **\$100,000** on a mortgage with a **4%** contractual mortgage interest rate at the end of the **2nd** year of a **3** year term (**365** days remaining to the maturity date), your prepayment penalty would be the GREATER OF:

$$(i) \$100,000 \times 4\% / 4 = \$1,000;$$

OR

$$(ii) (4\% - 2\%) (\text{sample 1 year GIC annual interest rate posted on } \underline{\text{www.efforttrust.com}}) \times \\ \$100,000 \times 365 / 365 = \$2,000.$$

CMHC Insured Mortgages

If you would like to pay out all or part of your mortgage (more than the Prepayment Privilege allows) before the maturity date, you will pay a prepayment penalty.

Prior to the Third Anniversary:

If your prepayment is made prior to the **third anniversary** of the interest adjustment date of the Term or prior to the **third anniversary** of any subsequent renewal, your prepayment penalty will be the GREATER OF:

- (i) Three months interest calculated as follows: the amount being prepaid multiplied by your contractual mortgage interest rate divided by four;

OR

- (ii) The Interest Rate Differential calculated as follows:

- a. The difference between your contractual mortgage interest rate and the current annual interest rate of an Effort Trust Guaranteed Investment Certificate (GIC) that is closest to the remaining term in your existing mortgage (round down if exactly between 2 terms)*;

multiplied by:

- b. The amount being prepaid;

multiplied by:

- c. The number of days remaining from the date of prepayment to the maturity date divided by 365.

*Please refer to www.efforttrust.com for GIC annual interest rates applicable at the time of the prepayment calculation.

For example (using sample figures), if you wanted to pay out **\$100,000** on a CMHC insured mortgage with a **4%** contractual mortgage interest rate at the end of the **2nd year** of a **3 year** term (**365** days remaining to the maturity date), your prepayment penalty would be the GREATER OF:

$$(i) \$100,000 \times 4\% / 4 = \$1,000;$$

OR

$$(ii) (4\% - 2\%) (\text{sample 1 year GIC annual interest rate posted on } \underline{\text{www.efforttrust.com}}) \\ \times \$100,000 \times 365 / 365 = \$2,000.$$

On or After the Third Anniversary:

If your prepayment is made on or after the **third anniversary** of the interest adjustment date of the Term or the **third anniversary** of any subsequent renewal and provided all your mortgage payments are up to date and there is no other default with your mortgage terms, your prepayment penalty will be:

- (i) **Three** months interest calculated as follows: the amount being prepaid multiplied by your contractual mortgage interest rate divided by **four**.

For example (using sample figures), if you wanted to pay out **\$100,000** on a CMHC insured mortgage with a **4%** contractual mortgage interest rate at the end of the **4th** year of a **5** year term, your prepayment penalty would be:

$$(i) \$100,000 \times 4\% / 4 = \$1,000.$$

My name is (full legal name) Serafina Ferrante

I live in (municipality & province) Regional Municipality of Peel, Province of Ontario

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the Applicant in this court action and as such have knowledge of the matters hereinafter deposed, except where stated to be on information, in which case I believe such information to be true.
2. By way of background, I commenced an Application in the Superior court on January 22, 2022, asking for *inter alia*, child support based on the *Child Support Guidelines*.
3. The Applicant denies each and every allegation as found in the Respondent's Affidavit sworn September 15, 2022.

- 2
4. The Respondent has delayed the process and failed to come to court with clean hands and should not be allowed his remedy as set out in the Respondent's Notice of Motion.
 5. The Respondent provided an Answer on or about February 12, 2022, asking for inter alia, an Order to remove the Applicant's name from title of the property and an Order requiring the Applicant to renew the mortgage for a term of one year.
 6. An urgent motion was brought by the Respondent to have various remedies with respect to renewing the mortgage.
 7. Attached hereto as Exhibit "A" is a copy of the Endorsement allowing for one extension up to a maximum of one year, with leave of the Court.
 8. Attached hereto as Exhibit "B" is a copy of the Case Conference Endorsement dated April 25, 2022.
 9. The 6 days before the motion to allow my lawyer proper and sufficient time to prepare responding material, the request was asked for by my lawyer and granted by Her Honour in the Endorsement.
 10. The Respondent was required to serve his Notice of Motion and supporting material by May 23, 2022.
 11. The Endorsement was made without prejudice to my position that the issue is Res Judicata.
 12. The Respondent's motion date of July 8, 2022, came and went as abandoned by the Respondent for failure to provide motion material pursuant to the Endorsement of Justice Petersen dated April 25, 2022.
 13. Further, the Endorsement allowed for leave to conduct questioning.
 14. The Applicant's lawyer requested in writing several times, to ensure the transcript could be ordered on a non-rush basis before the requirement to defend the Respondent's motion.

15. Attached hereto as **Exhibit "C"** is a series of emails from my lawyer requesting dates and the response of the Respondent's lawyer indicating a date of September 7, 2022 which would not allow for ordering the transcripts on a non-rush basis.
16. I have also asked in writing, through my solicitor, for consent to amend the Application which were totally ignored by the Respondent's lawyer. This is costing me considerably more legal fees.
17. I am now forced to bring three separate motions before this Honourable Court due to the Respondent attempting to financially crush me and making it impossible to pay my lawyer.
18. Due to the total disregard for my financial troubles, the Respondent has failed to pay proper ongoing child support based on his 2021 Income Tax Return and 2021 Notice of Assessment.
19. Despite written repeated requests by my lawyer and comments made at the Case Conference, the Respondent continues to underpay ongoing child support per month.
20. The *Child Support Guidelines* calls for monthly child support of \$957.98 based on an annual income of \$105,949.92. The Respondent is currently paying \$250.00 per month.
21. The irresponsible conduct of the Respondent should not be rewarded by granting the Respondent his relief required in the Notice of Motion.

Motions

22. The first of three motions that must be brought is for proper child support.
23. The second motion that must be brought by my lawyer, due to the Respondent's failure to consent in writing, is the request to amend the Application which has already been provided by my lawyer to the Respondent's lawyer. Once again, the Respondent is attempting to cost me more money than I can afford.

- 4
24. The third and most important motion that I must bring is for questioning. My solicitor asked for questioning that could be used in my Reply Affidavit, but the Respondent delayed the questioning so as to not allow the responses and transcripts to be available in my responding material for September 23, 2022.
25. Attached hereto as **Exhibit "D"** is a Certificate of Non-Attendance as well as the invoice in the amount of \$401.72
26. By email of Monday, August 8, 2022, attached hereto as **Exhibit "E"**, the Respondent's lawyer responded to a date for questioning by stating "send us the questions in writing and I will have my client answer them".
27. This was unacceptable by my lawyer, as written answers are contrary to the *Family Law Rules*.
28. The Respondent's lawyer further delayed the date for the next case conference by not responding to my lawyer's request for a regular and not an urgent 10 minute case conference as attached hereto as **Exhibit "E1"**.
29. The non-response by the Respondent's lawyer has further delayed the case conference and should be considered a reason to deny the Respondent the Orders he is asking for in his motion and specifically, any costs if he is successful in the motion.

Extra Legal Costs Incurred Due to the Action of the Respondent or his Lawyer

30. Attached hereto as **Exhibit "F"** is an email dated July 7, 2022, causing my lawyer and myself extreme anguish and expense.
31. The email asks for a link to appear by Zoom for a motion that both myself and my lawyer were unaware of.

Further Undue Influence

32. Attached hereto as **Exhibit "G"** is an email dated July 21, 2022, further evidencing duress and undue influence, being one of the defences sought by myself in overturning the original Separation Agreement that I signed under complete duress. This related to being given 24 hours to respond to an offer to settle by the Respondent.
33. Attached hereto as **Exhibit "H"** are emails of July 26, 27 and 28, 2022 to the Respondent's lawyer asking for dates for questioning and the Respondent's first response denying questioning unless I get leave of the court. The response to my lawyer's request for questioning was improper.
34. Attached hereto as **Exhibit "I"** is a Summons To Witness for August 15, 2022 by the Respondent's lawyer. It is important to note that Ms. Osadet requested the date of August 15, 2022 with the Zoom details.
35. Attached hereto as **Exhibit "J"** is an email of Monday, August 8, 2022 at 9:44 a.m., confirming that the Respondent does not have the money for questioning of himself, cancelling the August 15, 2022. On the same day of August 8th at 11:19 a.m., to save the date that was originally booked by Ms. Osadet, my lawyer sent a Notice of Questioning to Rino Ferrante, for the same date. Attached hereto as **Exhibit "K"** is a copy of the Notice of Questioning.
36. Attached hereto as **Exhibit "L"** is an email of August 8, 2022 at 11:24 a.m. confirming that Mr. Ferrante is not in a position to pay for the questioning and stating that Ms. Osadet was also unavailable for August 15, 2022 or indeed until September 12, 2022, leaving no time to order transcripts on a non-rush basis, thus eliminating the responses to be included in my responding material, for material due by myself by September 19, 2022.

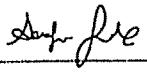

37. Attached hereto as **Exhibit "M"** is an email dated August 8, 2022 at 11:45 a.m. offering other dates in August, 2022, that were totally ignored. It is submitted that this was a total delay tactic by the Respondent to not having available the transcript on a non-rush basis.
38. Attached hereto as **Exhibit "N"** is a further email of August 9, 2022, asking proof and evidence of what court or mediator that at the last minute was being scheduled and giving more dates. There was no proper response as to why the extra dates in August could not be used for questioning.
39. Attached hereto as **Exhibit "O"** is a further email of August 11, 2022, further asking for dates in August, so as to have the ability to have dates to order and receive transcripts on a non-rush basis to be included in support of my responding material.
40. The Notice of Questioning as attached at Exhibit "K" asks for such items as Answers for Information and 21 other requests, all of which have never been provided and so relevant to a proper response to this motion. The reason for non-response, is simply to delay and disallow cross-examination evidence for my responding motion material in defending the Respondent's motion of September 23, 2022.
41. The Respondent refuses to deal with the issues and should not be awarded any costs or any Orders asked for.

Response to Affidavit of Rino Ferrante

42. I have the Affidavit and deny the assumption that my share of the house was worth \$40,000.00, as the property was grossly undervalued and without ever having a letter of opinion or proper appraisal of the matrimonial home.
43. I have only received \$20,000.00. Paragraph 4 in particular is completely false and the Separation Agreement has been fundamentally breached.

- 7
44. The Respondent refused to provide dates for a case conference as stated in my Affidavit, although duly asked for by my lawyer.
45. There is no evidence of the lawyer's fees that will be charged by Ferra Construction Ltd. The commitment is not signed by the Landlord and the commitment is not in my name.
46. There is no clause that the mortgagor must pay the taxes monthly. The mortgage is for 6 months. There are still issues outstanding between the parties. The mortgage is only for 6 months and not 5 years.
47. In any event, I cannot afford to have the matter dragged on for 5 years, in the event the mortgage is renewed every 6 months for a period of up to 5 years.
48. As the unsigned commitment is only in the name of Rino Ferrante, I am not prepared to transfer the property to Mr. Ferrante without proper consideration. I am required to give consent for any new mortgage pursuant to the *Family Law Act*, as the house is still formerly in my name and that of the Respondent.
49. Paragraph 21(d) of the Commitment is onerous and can be cancelled at any time at the Landlord's option, and my property can be immediately foreclosed and my ability to preserve my rights in the house would be lost.
50. By executing the contract, I am setting myself for a further claim of paying one-half the mortgage payments for potentially another 5 years in addition to claims for one-half the mortgage payments from the date of separation, being September 1st, 2019 to present date. One-half the current amount for half the mortgage is \$83,131.64. This claim has not been released by the Respondent and is still a live issue.
51. I am unable to contact Ferra Construction Ltd. to confirm the terms and interest rate. There is no phone number, no address or email address.

52. I also would be subject to a reduction in equity if Mr. Ferrante defaults on the mortgage of the property and the property is sold or foreclosed by the Mortgagor.
53. By granting the Order of the Respondent, permitting the Respondent to re-mortgage the property on the terms set out by Ferra Construction, I would be required to transfer my interest in the matrimonial home to Rino Ferrante without determining the issue whether the Separation Agreement was valid or a nullity, based on the breach of contract by the Respondent, Duress and Undue Influence, and breach of Rule 13 of the *Family Law Rules* and 56(4) and 56(4)(a) of the *Family Law Act*.
54. I am asking that the Respondent's motion be dismissed with costs in my favour on a substantial indemnity basis.
55. I make this Affidavit in response to a motion brought by the Respondent and for no improper purpose.

Order to go in accordance with minutes of settlement or consent filed.

Order

[1] Upon reviewing the material filed and hearing the submissions of counsel, I order the following on an interim without prejudice basis:

- a) The Respondent is permitted to renew the mortgage scheduled for renewal on March 1, 2022, without the need for the signature or consent of the Applicant. This order dispensing with the Applicant's consent and signature is granted on a one time basis only and only with respect to the March 1, 2022 renewal.
- b) The said renewal shall be for a period not exceeding 12 months and the renewal shall be for an open mortgage.
- c) The entirety of the relief sought in the Respondent's notice of motion shall proceed in the normal course and

proceed to the case management conference scheduled for April 25, 2022. /O

- d) No further motion shall be brought in this matter without leave of the court.

Overview

[2] The Respondent sought certain relief in his urgent motion. The parties are separated. The premise of the Respondent's urgent motion is that the mortgage on the matrimonial home may fall into default if the mortgage was not renewed on March 1, 2022.

[3] During the hearing, the Applicant disclosed a document provided by the Respondent that indicated that in the event of a failure to renew on March 1, 2022, the lender would not commence any legal proceedings until April 30, 2022. I conclude however, that with a case conference scheduled for April 25, 2022, the issues in the litigation will not conclude in sufficient time to resolve whether or not the mortgage should be renewed.

[4] The parties' dispute is founded on differing interpretations of a Separation Agreement the parties entered into. The Respondent seeks certain orders premised on the

validity of the Separation Agreement. The Applicant challenges the validity of the Separation Agreement and hence the relief the Respondent seeks. In addition, or in the alternative, the Applicant alleges that the Respondent is in violation of the Separation Agreement and is not entitled to any of the relief he seeks.

[5] The order I have made preserves the interest of each party in the matrimonial home without prejudice to either party's legal interests. This order is not a determination of the issues raised in the Respondent's notice of motion. It is interim in nature in the manner previously described.

Costs

[6] Neither party was successful on this motion. The Respondent was unsuccessful in his attempt to have the issues adjudicated on a final basis on this motion. The Applicant was unsuccessful in her attempt to prevent the March 1, 2022, renewal of the mortgage. No costs are awarded to either party.

Mr. Pomer:

Stop showboating because you are misstating the law, and at your tenure, I'm embarrassed for you.

September 7 OR 9, 2022 give you enough time to prepare for the motion, which by the way, is a short motion, and is my client's motion.

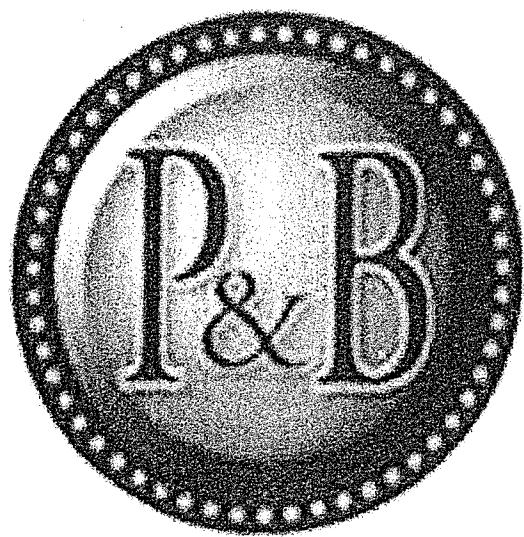

If you want to bring your own motion, you will have to get your own motion date, AND if you believe you are going to adjourn my client's motion, then I suggest you get a date booked ASAP, as dates are now being booked in November 2022.

Subject: Re: Ferrante Family Law - Rule 35, Rules of Civil Procedure
Importance: High

As previously suggested, Mr. Pomer, you can complete an Examination by Written questions.

I suggested this on Monday.

For ease of reference I am including Rule 35, Rules of Civil Procedure for your review and edification:

RULE 35 PROCEDURE ON EXAMINATION FOR DISCOVERY BY WRITTEN QUESTIONS

Questions

35.01 An examination for discovery by written questions and answers shall be conducted by serving a list of the questions to be answered (Form 35A) on the person to be examined and every other party. R.R.O. 1990, Reg. 194, r. 35.01.

Answers

35.02 (1) Written questions shall be answered by the affidavit (Form 35B) of the person being examined, served on the examining party within fifteen days after service of the list of questions. R.R.O. 1990, Reg. 194, r. 35.02 (1).
(2) The examining party shall serve the answers on every other party forthwith. R.R.O. 1990, Reg. 194, r. 35.02 (2).

My client will happily answer your questions, put to him in writing.

This is a viable option given your concerns about time. If you claim that you are unable to do this, then obviously you weren't planning on being prepared for the oral examination.

Written interrogatories are an acceptable manner to conduct questioning.

I am considering serving you with questions to be answered in writing in advance of the motion.

Again, Mr. Ferrante is happy to proceed in this fashion.

Mr. Pomer:

Go right ahead and report me to the Law Society of Ontario.

I am not available on August 15th, as I gave that day up to another matter on August 7, 2022. You ignored my requests to confirm the dates for 10 days. I have no obligation to hold dates for you or any other person. You were not given an undertaking.

You were rude, and abusive and ignored correspondence from my office; I wrote to you three times over 10 days. NO answer from you.

I will not answer any more emails about this matter.

So, here are my dates:

September 7, or 9, 2022.

When I wrote to you two days ago, I had four dates available, but since you have wasted more time with your bullying emails, I am not down to 2 days.

I suggest you pick one and get back to me asap.

Counsel,

Once again we have not received any answer with respect for dates in the third week of August. We are proceeding to get a certificate for non-attendance on August 15, 2022. We have given you an alternative to your August 15 date, so that we can return for sometime in third week of August. We have received no response, and it is my clients position that our client is being prejudiced by being required to order an expedited transcript if we go back for questioning in the beginning of September. This is totally unacceptable.

Once again you have not provided this office any proper proof that you are busy on August 15, 2022, and will be making a complaint to the Law Society of Ontario, and you can once again deal with the Law Society; only this time with respect to not answering proper communication by this office, not explaining why you are not available on August 15, 2022, and unilaterally cancelling the questioning of my client on a Sunday, and not advising this office. In addition, you can explain why you are unable to respond to or request to have the examination held between the 22nd, and 25th of August, 2022. The questioning has been court ordered, and we have asked and insisted that in the event that you require questioning to be held after September 7, 2022, why you are not in agreement to postpone the motion scheduled for September 23, 2022.

We hope to see your client once again on August 15, 2022.

Subject: RE: Ferrante v. Ferrante

Counsel,

For the record, you unilaterally cancelled the date being August 15, 2022, which would give my client opportunity to have the transcript ordered in ordinary course. The motion that is scheduled for September 23, 2022, requires the evidence from the questioning; the court had ordered you extra time for this office to receive the material to defend a motion that was supposed to be heard earlier, which you did not provide me material for on time. To date, we have not received the motion material for September 23, 2022. Either you agree to obtain a new date for the motion on September 23, 2022, or be available for August 15, 2022, for your client to be discovered. Pursuant to your email of today's date, it would be impossible for you to book anything on a Sunday to book up your date for August 15, 2022. You have not provided evidence as to your full day schedule and that an appearance at some tribunal or dispute resolution is needed. It would be easy for you to have three hours put aside on that date in any event.

We expect an immediate answer by 3:00pm today, and the name and any phone number of any counsel or paralegal in the dispute resolution that you have referred to in paragraph 1 of your email.

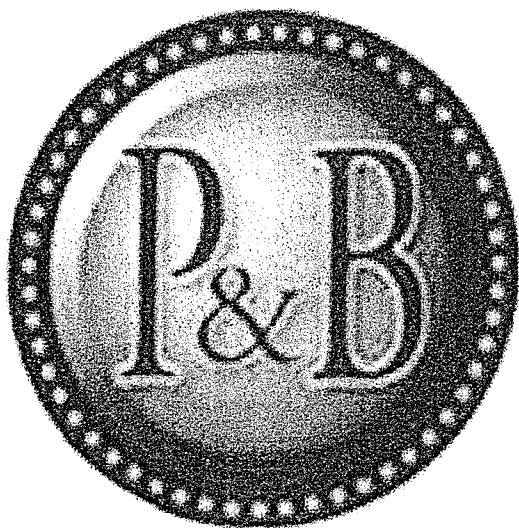

Notwithstanding anything that is provided, we must go ahead and get a Certificate of Non-Attendance. To reiterate, kindly confirm that you are prepared to adjourn the motion of September 23, 2022, so we can find a mutually agreeable date to question your client, and give proper time to order the transcript.

Your schedule that you have given back does not allow proper opportunity to order the transcript. My client is extremely upset and prejudice by your own actions, and that of your client. Also, kindly advise when you will be getting the material for the expected motion in the future that I scheduled for September 23, 2022.

It must be remembered, it was this office that asked you for dates for your client to be examined, instead you decided not to answer and give this office a date for questioning your client, but instead provided the wrong form for questioning, being a summons, without serving the summons personally to my client. You decided to take the date that was asked for you by this office for questioning your client, and instead took that date for questioning my

client. It would be impossible that you could at the last minute on Sunday the 7th of August, unilaterally cancel the date, and not accept that date as a date your client can be examined. The only reason you gave in writing for the cancellation was because your client was impecunious, without money to pay his lawyer. There was no mention in your first letter suggesting that you were busy or in any other court appearance or dispute resolution, it only came after you received notice from this office in the morning of August 8th, 2022, taking the date for your client to be examined by this office as originally asked for. I await to see what court appearance or dispute resolution appearance you have scheduled for August 15, 2022, and the name of the other lawyer, and dispute resolution officer, also kindly confirm when this arrangement was exactly made, and I require copies of correspondence that you rely on to report the date and time to the other paralegal or counsel.

2. Since this litigation started you have been abusive, uncivil, and obstreperous.
3. You have wasted my client's money with your refusal to be even remotely capable of a conversation.
4. You have ruined a very good offer to settle by insisting on a term that would NEVER be ordered.

I am finished wasting time.

I spent a week keeping August 8 and 15th open, but you refused to give me an answer.

Everything has been an argument, even setting dates at the Court.

I am NOT available on Augsut 15th, and my client advises me he is not available on September 1, or 2, 2022 but will be available on September 6, 7, 8, 9, 2022.

I have to book another questioning that week, so you better get back to me with a date ASAP because I am not waiting for you.

Subject: Ferrante v. Ferrante

Dear Ms. Osadet:

Thank you for your various emails of Monday, August 8, 2022. It is clear that your client and you are available for August 15th as that was the date you sent your Summons to this office.

You advised that you unilaterally cancelled the questioning due to your client's impecuniosity.

We took the opportunity to use this date that you were available for and your client was available for to have the questioning of your client.

The Order of April 25, 2022, grants the parties leave to conduct questioning. This was the Order of Justice Petersen.

We need ample time to ask questions and questions arising from the answers from your client on an oral examination.

This is exactly the procedure you asked my client to have taken place. You never asked my client to answer any written questions.

My client deserves the same rights as what you asked my client to do and what the *Family Law Rules* dictate.

We are now bringing to your attention Rule 20(1) that states: "questioning under this Rule shall take place orally under oath or affirmation".

Rule 20(2) states: "the right to question a person includes the right to cross-examine".

It is our position that no other Rule disallows my client the right to examine your client orally.

You have had since the date of the Order, being April 25, 2022, to bring any motion to have changed the method of questioning and you failed to do so. This was done by Minutes of Settlement on consent of all parties.

The leave to conduct questioning was on consent by both parties as set out in Justice Petersen's Order.

All terms of the Endorsement were agreed upon at that time. There was absolutely no suggestion of written questioning suggested by you.

The jurisdiction is the same place where your client wished to examine my client and therefore there has been tacit agreement to hold the questioning in the same place where you requested my client to attend.

As you aware, the questioning is by way of Zoom.

This letter will be used in the event that your client or your office refuses to attend the questioning on August 15, 2022, in defending your motion of September 23, 2022 to have the right to ask for a further date to extend the mortgage.

It is absolutely our client's position that your client is delaying this matter, abusing the *Family Law Rules* and more importantly, non-complying with the Order of Justice Petersen of April 25, 2022.

There can be no excuse why your client is not available for oral questioning pursuant to Rule 20 of the *Family Law Rules*.

My client and myself have spent considerable time over the last few days preparing for questioning of your client and preparing for the questioning of my client. In fact, the time spent has been over 10 hours.

To reiterate, we need time to examine and cross-examine your client and if required, to bring a motion for refusals or incomplete answers.

As you are further aware, both clients have little or no money to litigate and transcripts are not affordable on a rush basis. We need all the time we can from the date of the examination to order transcripts on a non-rush basis.

Kindly confirm that your client will be attending pursuant to the court Order of April 25, 2022, and a date of August 15, 2022 which both you and your client were available based on your Summons to my client on that date, being Monday, August 15, 2022.

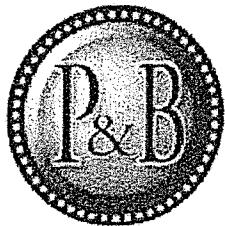

22

We of course will be getting a Certificate of Non-attendance if your client does not attend for oral questioning pursuant to the .les.

Your correspondence of today's date clearly indicates you cancelled the date of my client only because your client did not have the financial resources for questioning. There is nothing in your correspondence to suggest that you or your client were not available.

Yours very truly,

David Pomer

Dear Ms. Osadet:

We need the information on the Notice of Questioning much before the date for your motion to extend the renewal period. This motion has been scheduled by you for September 23, 2022.

This is a delay tactic that will not be tolerated. Your client has not provided any evidence that he has booked a holiday outside the jurisdiction.

In the event your client cannot attend on the 18th we will get a Certificate of Non-Attendance and will use this letter in defence of your motion to extend the date for the renewal.

We of course need time to order the transcripts in normal course as evidence in our defence of your motion to obtain a new mortgage renewal.

In the event that you are unable to attend on the 18th we will make ourselves available for August 19th or 24th.

You have unilaterally cancelled the date that we originally asked for examinations of your client, but you preempted this office by sending a wrong form of Subpoena instead of a Notice of Questioning.

As you have finally confirmed, the court has granted leave to questioning and your actions for non-attendance are not acceptable or provable by your client.

WE MUST PROCEED ON AUGUST 18TH.

In the event that you do not proceed, we will be asking for an adjournment of the motion that you have brought for September 23, 2022 and we will be using this letter in defence to dismiss your motion by your unilateral cancelling of any questioning.

Your excuse that your client is impecunious, is not acceptable and all your client is trying to do is delay the process by not having to pay my client today's market price as to her exact interest as determined by the courts.

Kindly also provide dates for a case conference by Wednesday, August 10, 2022, failing which we will book our own date.

Your excuse that your client is impecunious, is not acceptable and all your client is trying to do is delay the process by not having to pay my client today's market price as to her exact interest as determined by the courts.

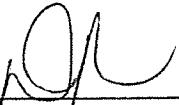

Kindly also provide dates for a case conference by Wednesday, August 10, 2022, failing which we will book our own date.

Subject: RE: THIS IS THE FINAL VERSION Re: Ferrante Family Law - RESPONDENT'S reply to OFFER TO SETTLE

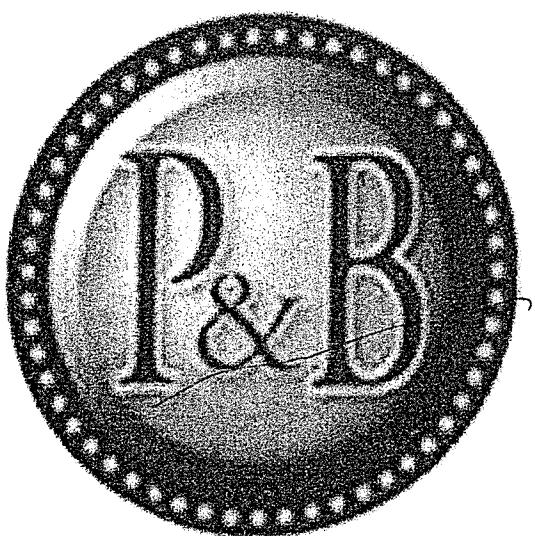

Nothing is final until both parties execute the agreement. This is the same duress and undue pressure that your client used in getting her to sign the first Separation Agreement. This is the same undue influence and duress your client put on my client in order for your client to give the younger son his car which unfortunately is in the name of your client for insurance purposes.

I can and will not take your client's acts of harassment and undue influence to get this agreement executed in such a short time In the event that we do not settle this matter, this letter will be used as a clear defense to void the first agreement. Your timelines are indeed inappropriate and far too short. Your office is aiding and abetting in acts of undue influence and duress in having my client sign without the proper time to consult with me and finalize this agreement.

It took your office over 24 hours to respond to my client's offer.

I will advise when my client and the writer has the opportunity to review your "final offer"

Subject: RE: Ferrante v. Ferrante

Dear Ms. Osadet:

We need the information on the Notice of Questioning much before the date for your motion to extend the renewal period. This motion has been scheduled by you for September 23, 2022.

This is a delay tactic that will not be tolerated. Your client has not provided any evidence that he has booked a holiday outside the jurisdiction.

In the event your client cannot attend on the 18th we will get a Certificate of Non-Attendance and will use this letter in defence of your motion to extend the date for the renewal.

We of course need time to order the transcripts in normal course as evidence in our defence of your motion to obtain a new mortgage renewal.

In the event that you are unable to attend on the 18th we will make ourselves available for August 19th or 24th.

44

You have unilaterally cancelled the date that we originally asked for examinations of your client, but you preempted this office by sending a wrong form of Subpoena instead of a Notice of Questioning.

As you have finally confirmed, the court has granted leave to questioning and your actions for non-attendance are not acceptable or provable by your client.

WE MUST PROCEED ON AUGUST 18TH.

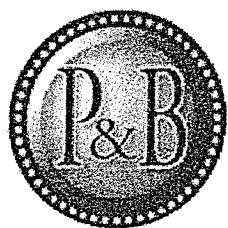

In the event that you do not proceed, we will be asking for an adjournment of the motion that you have brought for September 23, 2022 and we will be using this letter in defence to dismiss your motion by your unilateral cancelling of any questioning.

Your excuse that your client is impecunious, is not acceptable and all your client is trying to do is delay the process by not having to pay my client today's market price as to her exact interest as determined by the courts.

Kindly also provide dates for a case conference by Wednesday, August 10, 2022, failing which we will book our own date.

Yours very truly,

Dear Ms. Osadet:

It would be impossible for you to have booked two court appearances in one day. You initially booked a questioning of my client for August 15th. Kindly provide the evidence of what you are busy with on that date. If my client is not satisfied, she will make a complaint to the Law Society of Ontario.

Yours very truly,

Counsel,

I am not abusive in any way. I am certainly not playing games. My client insists on proceeding on August 15th, 2022. You booked for the August 15th day to examine my client. I prepared with my client for over 8 hours last weekend. You unilaterally cancelled the appointment ,apparently on Sunday August 7th, 2022.

I took the liberty on Monday August 8th before noon to serve you a Notice to examine your client. Your only reason to cancel, came in the form of a written email that your client had no money, and no other reason.

You have refused to divulge which court or what mediator is involved. You also refuse to tell me the other lawyer.

My client insists on getting answers. She will be writing to the Law Society for an investigation based on your emails. .

You can then have to deal with the Law Society, once again.

You are totally prejudicing my client's rights to have the questioning done early so the transcript can be ordered on the least expensive way, being on a non-rush basis, allowing a proper response by way of transcript to your Motion scheduled on September 23rd, 2022.

Your new dates proposed are far too late.

You have failed to answer whether you are prepared to adjourn your Motion scheduled for September 23, 2022, so as to allow for the ordering of the transcript on a non-rush basis and to allow time to respond to your motion which you have not served as of yet,

You must also be reminded for the same motion you are bringing now , you were ordered by the Judge to produce your Motion record and Affidavit much earlier than the Rules require so as to give my office the proper and required time to reply.

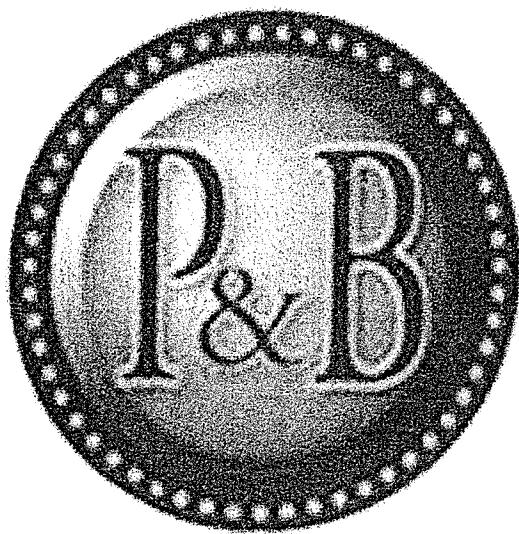

Once again, my client is being prejudiced by you not following the spirit of the Order of the Court for the same Motion you failed to provide my office with your materials pursuant to the court Order.

In summary, my clients are ready , willing to proceed on August 15th, 2022.

I can make myself available on August 19th, August 23, August 24th or August 25th, 2022. For questioning of your client

I need a response by 12 noon, August 10th, 2022.

Counsel,

Once again we have not received any answer with respect for dates in the third week of August. We are proceeding to get a certificate for non-attendance on August 15, 2022. We have given you an alternative to your August 15 date; so that we can return for sometime in third week of August. We have received no response, and it is my clients position that our client is being prejudiced by being required to order an expedited transcript if we go back for questioning in the beginning of September. This is totally unacceptable.

Once again you have not provided this office any proper proof that you are busy on August 15, 2022, and will be making a complaint to the Law Society of Ontario, and you can once again deal with the Law Society; only this time with respect to not answering proper communication by this office, not explaining why you are not available on August 15, 2022, and unilaterally cancelling the questioning of my client on a Sunday, and not advising this office. In addition, you can explain why you are unable to respond to or request to have the examination held between the 22nd, and 25th of August, 2022. The questioning has been court ordered, and we have asked and insisted that in the event that you require questioning to be held after September 7, 2022, why you are not in agreement to postpone the motion scheduled for September 23, 2022.

We hope to see your client once again on August 15, 2022.

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. 1. I am the Applicant in this court action and as such have knowledge of the matters hereinafter deposed, except where stated to be on information, in which case I believe such information to be true.
2. By way of background, I commenced an Application in the Superior court on January 22, 2022, asking for *inter alia*, child support based on the *Child Support Guidelines*.
3. The Applicant denies each and every allegation as found in the Respondent's Affidavit sworn September 15, 2022.

- 2
4. The Respondent has delayed the process and failed to come to court with clean hands and should not be allowed his remedy as set out in the Respondent's Notice of Motion.
 5. The Respondent provided an Answer on or about February 12, 2022, asking for inter alia, an Order to remove the Applicant's name from title of the property and an Order requiring the Applicant to renew the mortgage for a term of one year.
 6. An urgent motion was brought by the Respondent to have various remedies with respect to renewing the mortgage.
 7. Attached hereto as **Exhibit "A"** is a copy of the Endorsement allowing for one extension up to a maximum of one year, with leave of the Court.
 8. Attached hereto as **Exhibit "B"** is a copy of the Case Conference Endorsement dated April 25, 2022.
 9. The 6 days before the motion to allow my lawyer proper and sufficient time to prepare responding material, the request was asked for by my lawyer and granted by Her Honour in the Endorsement.
 10. The Respondent was required to serve his Notice of Motion and supporting material by May 23, 2022.
 11. The Endorsement was made without prejudice to my position that the issue is Res Judicata.
 12. The Respondent's motion date of July 8, 2022, came and went as abandoned by the Respondent for failure to provide motion material pursuant to the Endorsement of Justice Petersen dated April 25, 2022.
 13. Further, the Endorsement allowed for leave to conduct questioning.
 14. The Applicant's lawyer requested in writing several times, to ensure the transcript could be ordered on a non-rush basis before the requirement to defend the Respondent's motion.

- 3
15. Attached hereto as Exhibit "C" is a series of emails from my lawyer requesting dates and the response of the Respondent's lawyer indicating a date of September 7, 2022 which would not allow for ordering the transcripts on a non-rush basis.
 16. I have also asked in writing, through my solicitor, for consent to amend the Application which were totally ignored by the Respondent's lawyer. This is costing me considerably more legal fees.
 17. I am now forced to bring three separate motions before this Honourable Court due to the Respondent attempting to financially crush me and making it impossible to pay my lawyer.
 18. Due to the total disregard for my financial troubles, the Respondent has failed to pay proper ongoing child support based on his 2021 Income Tax Return and 2021 Notice of Assessment.
 19. Despite written repeated requests by my lawyer and comments made at the Case Conference, the Respondent continues to underpay ongoing child support per month.
 20. The *Child Support Guidelines* calls for monthly child support of \$957.98 based on an annual income of \$105,949.92. The Respondent is currently paying \$250.00 per month.
 21. The irresponsible conduct of the Respondent should not be rewarded by granting the Respondent his relief required in the Notice of Motion.

Motions

22. The first of three motions that must be brought is for proper child support.
23. The second motion that must be brought by my lawyer, due to the Respondent's failure to consent in writing, is the request to amend the Application which has already been provided by my lawyer to the Respondent's lawyer. Once again, the Respondent is attempting to cost me more money than I can afford.

- 4
24. The third and most important motion that I must bring is for questioning. My solicitor asked for questioning that could be used in my Reply Affidavit, but the Respondent delayed the questioning so as to not allow the responses and transcripts to be available in my responding material for September 23, 2022.
25. Attached hereto as **Exhibit "D"** is a Certificate of Non-Attendance as well as the invoice in the amount of \$401.72
26. By email of Monday, August 8, 2022, attached hereto as **Exhibit "E"**, the Respondent's lawyer responded to a date for questioning by stating "send us the questions in writing and I will have my client answer them".
27. This was unacceptable by my lawyer, as written answers are contrary to the *Family Law Rules*.
28. The Respondent's lawyer further delayed the date for the next case conference by not responding to my lawyer's request for a regular and not an urgent 10 minute case conference as attached hereto as **Exhibit "E1"**.
29. The non-response by the Respondent's lawyer has further delayed the case conference and should be considered a reason to deny the Respondent the Orders he is asking for in his motion and specifically, any costs if he is successful in the motion.

Extra Legal Costs Incurred Due to the Action of the Respondent or his Lawyer

30. Attached hereto as **Exhibit "F"** is an email dated July 7, 2022, causing my lawyer and myself extreme anguish and expense.
31. The email asks for a link to appear by Zoom for a motion that both myself and my lawyer were unaware of.

Further Undue Influence

32. Attached hereto as **Exhibit "G"** is an email dated July 21, 2022, further evidencing duress and undue influence, being one of the defences sought by myself in overturning the original Separation Agreement that I signed under complete duress. This related to being given 24 hours to respond to an offer to settle by the Respondent.
33. Attached hereto as **Exhibit "H"** are emails of July 26, 27 and 28, 2022 to the Respondent's lawyer asking for dates for questioning and the Respondent's first response denying questioning unless I get leave of the court. The response to my lawyer's request for questioning was improper.
34. Attached hereto as **Exhibit "I"** is a Summons To Witness for August 15, 2022 by the Respondent's lawyer. It is important to note that Ms. Osadet requested the date of August 15, 2022 with the Zoom details.
35. Attached hereto as **Exhibit "J"** is an email of Monday, August 8, 2022 at 9:44 a.m., confirming that the Respondent does not have the money for questioning of himself, cancelling the August 15, 2022. On the same day of August 8th at 11:19 a.m., to save the date that was originally booked by Ms. Osadet, my lawyer sent a Notice of Questioning to Rino Ferrante, for the same date. Attached hereto as **Exhibit "K"** is a copy of the Notice of Questioning.
36. Attached hereto as **Exhibit "L"** is an email of August 8, 2022 at 11:24 a.m. confirming that Mr. Ferrante is not in a position to pay for the questioning and stating that Ms. Osadet was also unavailable for August 15, 2022 or indeed until September 12, 2022, leaving no time to order transcripts on a non-rush basis, thus eliminating the responses to be included in my responding material, for material due by myself by September 19, 2022.

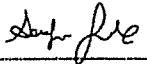

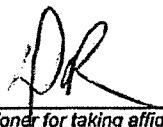

- 6
37. Attached hereto as **Exhibit "M"** is an email dated August 8, 2022 at 11:45 a.m. offering other dates in August, 2022, that were totally ignored. It is submitted that this was a total delay tactic by the Respondent to not having available the transcript on a non-rush basis.
38. Attached hereto as **Exhibit "N"** is a further email of August 9, 2022, asking proof and evidence of what court or mediator that at the last minute was being scheduled and giving more dates. There was no proper response as to why the extra dates in August could not be used for questioning.
39. Attached hereto as **Exhibit "O"** is a further email of August 11, 2022, further asking for dates in August, so as to have the ability to have dates to order and receive transcripts on a non-rush basis to be included in support of my responding material.
40. The Notice of Questioning as attached at Exhibit "K" asks for such items as Answers for Information and 21 other requests, all of which have never been provided and so relevant to a proper response to this motion. The reason for non-response, is simply to delay and disallow cross-examination evidence for my responding motion material in defending the Respondent's motion of September 23, 2022.
41. The Respondent refuses to deal with the issues and should not be awarded any costs or any Orders asked for.

Response to Affidavit of Rino Ferrante

42. I have the Affidavit and deny the assumption that my share of the house was worth \$40,000.00, as the property was grossly undervalued and without ever having a letter of opinion or proper appraisal of the matrimonial home.
43. I have only received \$20,000.00. Paragraph 4 in particular is completely false and the Separation Agreement has been fundamentally breached.

- 7
44. The Respondent refused to provide dates for a case conference as stated in my Affidavit, although duly asked for by my lawyer.
45. There is no evidence of the lawyer's fees that will be charged by Ferra Construction Ltd. The commitment is not signed by the Landlord and the commitment is not in my name.
46. There is no clause that the mortgagor must pay the taxes monthly. The mortgage is for 6 months. There are still issues outstanding between the parties. The mortgage is only for 6 months and not 5 years.
47. In any event, I cannot afford to have the matter dragged on for 5 years, in the event the mortgage is renewed every 6 months for a period of up to 5 years.
48. As the unsigned commitment is only in the name of Rino Ferrante, I am not prepared to transfer the property to Mr. Ferrante without proper consideration. I am required to give consent for any new mortgage pursuant to the *Family Law Act*, as the house is still formerly in my name and that of the Respondent.
49. Paragraph 21(d) of the Commitment is onerous and can be cancelled at any time at the Landlord's option, and my property can be immediately foreclosed and my ability to preserve my rights in the house would be lost.
50. By executing the contract, I am setting myself for a further claim of paying one-half the mortgage payments for potentially another 5 years in addition to claims for one-half the mortgage payments from the date of separation, being September 1st, 2019 to present date. One-half the current amount for half the mortgage is \$83,131.64. This claim has not been released by the Respondent and is still a live issue.
51. I am unable to contact Ferra Construction Ltd. to confirm the terms and interest rate. There is no phone number, no address or email address.

52. I also would be subject to a reduction in equity if Mr. Ferrante defaults on the mortgage of the property and the property is sold or foreclosed by the Mortgagor.
53. By granting the Order of the Respondent, permitting the Respondent to re-mortgage the property on the terms set out by Ferra Construction, I would be required to transfer my interest in the matrimonial home to Rino Ferrante without determining the issue whether the Separation Agreement was valid or a nullity, based on the breach of contract by the Respondent, Duress and Undue Influence, and breach of Rule 13 of the *Family Law Rules* and 56(4) and 56(4)(a) of the *Family Law Act*.
54. I am asking that the Respondent's motion be dismissed with costs in my favour on a substantial indemnity basis.
55. I make this Affidavit in response to a motion brought by the Respondent and for no improper purpose.

Order to go in accordance with minutes of settlement or consent filed.

Order

[1] Upon reviewing the material filed and hearing the submissions of counsel. I order the following on an interim without prejudice basis:

- a) The Respondent is permitted to renew the mortgage scheduled for renewal on March 1, 2022, without the need for the signature or consent of the Applicant. This order dispensing with the Applicant's consent and signature is granted on a one time basis only and only with respect to the March 1, 2022 renewal.
- b) The said renewal shall be for a period not exceeding 12 months and the renewal shall be for an open mortgage.
- c) The entirety of the relief sought in the Respondent's notice of motion shall proceed in the normal course and

proceed to the case management conference scheduled for April 25, 2022. /O

- d) No further motion shall be brought in this matter without leave of the court.

Overview

[2] The Respondent sought certain relief in his urgent motion. The parties are separated. The premise of the Respondent's urgent motion is that the mortgage on the matrimonial home may fall into default if the mortgage was not renewed on March 1, 2022.

[3] During the hearing, the Applicant disclosed a document provided by the Respondent that indicated that in the event of a failure to renew on March 1, 2022, the lender would not commence any legal proceedings until April 30, 2022. I conclude however, that with a case conference scheduled for April 25, 2022, the issues in the litigation will not conclude in sufficient time to resolve whether or not the mortgage should be renewed.

[4] The parties' dispute is founded on differing interpretations of a Separation Agreement the parties entered into. The Respondent seeks certain orders premised on the

validity of the Separation Agreement. The Applicant challenges the validity of the Separation Agreement and hence the relief the Respondent seeks. In addition, or in the alternative, the Applicant alleges that the Respondent is in violation of the Separation Agreement and is not entitled to any of the relief he seeks.

[5] The order I have made preserves the interest of each party in the matrimonial home without prejudice to either party's legal interests. This order is not a determination of the issues raised in the Respondent's notice of motion. It is interim in nature in the manner previously described.

Costs

[6] Neither party was successful on this motion. The Respondent was unsuccessful in his attempt to have the issues adjudicated on a final basis on this motion. The Applicant was unsuccessful in her attempt to prevent the March 1, 2022, renewal of the mortgage. No costs are awarded to either party.

Stop showboating because you are misstating the law, and at your tenure, I'm embarrassed for you.

September 7 OR 9, 2022 give you enough time to prepare for the motion, which by the way, is a short motion, and is my client's motion.

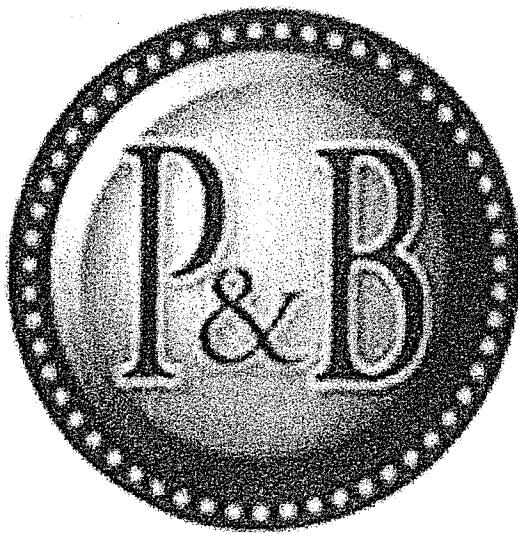

If you want to bring your own motion, you will have to get your own motion date, AND if you believe you are going to adjourn my client's motion, then I suggest you get a date booked ASAP, as dates are now being booked in November 2022.

As previously suggested, Mr. Pomer, you can complete an Examination by Written questions.

I suggested this on Monday.

For ease of reference I am including Rule 35, Rules of Civil Procedure for your review and edification:

RULE 35 PROCEDURE ON EXAMINATION FOR DISCOVERY BY WRITTEN QUESTIONS

Questions

35.01 An examination for discovery by written questions and answers shall be conducted by serving a list of the questions to be answered (Form 35A) on the person to be examined and every other party. R.R.O. 1990, Reg. 194, r. 35.01.

Answers

35.02 (1) Written questions shall be answered by the affidavit (Form 35B) of the person being examined, served on the examining party within fifteen days after service of the list of questions. R.R.O. 1990, Reg. 194, r. 35.02 (1).
(2) The examining party shall serve the answers on every other party forthwith. R.R.O. 1990, Reg. 194, r. 35.02 (2).

My client will happily answer your questions, put to him in writing.

This is a viable option given your concerns about time. If you claim that you are unable to do this, then obviously you weren't planning on being prepared for the oral examination.

Written interrogatories are an acceptable manner to conduct questioning.

I am considering serving you with questions to be answered in writing in advance of the motion.

Again, Mr. Ferrante is happy to proceed in this fashion.

I am not available on August 15th, as I gave that day up to another matter on August 7, 2022. You ignored my requests to confirm the dates for 10 days. I have no obligation to hold dates for you or any other person. You were not given an undertaking.

You were rude, and abusive and ignored correspondence from my office; I wrote to you three times over 10 days. NO answer from you.

I will not answer any more emails about this matter.

So, here are my dates:

September 7, or 9, 2022.

When I wrote to you two days ago, I had four dates available, but since you have wasted more time with your bullying emails, I am not down to 2 days.

I suggest you pick one and get back to me asap.

Counsel,

Once again we have not received any answer with respect for dates in the third week of August. We are proceeding to get a certificate for non-attendance on August 15, 2022. We have given you an alternative to your August 15 date, so that we can return for sometime in third week of August. We have received no response, and it is my clients position that our client is being prejudiced by being required to order an expedited transcript if we go back for questioning in the beginning of September. This is totally unacceptable.

Once again you have not provided this office any proper proof that you are busy on August 15, 2022, and will be making a complaint to the Law Society of Ontario, and you can once again deal with the Law Society; only this time with respect to not answering proper communication by this office, not explaining why you are not available on August 15, 2022, and unilaterally cancelling the questioning of my client on a Sunday, and not advising this office. In addition, you can explain why you are unable to respond to or request to have the examination held between the 22nd, and 25th of August, 2022. The questioning has been court ordered, and we have asked and insisted that in the event that you require questioning to be held after September 7, 2022, why you are not in agreement to postpone the motion scheduled for September 23, 2022.

We hope to see your client once again on August 15, 2022.

Subject: RE: Ferrante v. Ferrante

Counsel,

For the record, you unilaterally cancelled the date being August 15, 2022, which would give my client opportunity to have the transcript ordered in ordinary course. The motion that is scheduled for September 23, 2022, requires the evidence from the questioning; the court had ordered you extra time for this office to receive the material to defend a motion that was supposed to be heard earlier, which you did not provide me material for on time. To date, we have not received the motion material for September 23, 2022. Either you agree to obtain a new date for the motion on September 23, 2022, or be available for August 15, 2022, for your client to be discovered. Pursuant to you email of todays date, it would be impossible for you to book anything on a Sunday to book up your date for August 15, 2022. You have not provided evidence as to your full day schedule and that an appearance at some tribunal or dispute resolution is needed. It would be easy for you to have three hours put aside on that date in any event.

We expect an immediate answer by 3:00pm today, and the name and any phone number of any counsel or paralegal in the dispute resolution that you have referred to in paragraph 1 of your email.

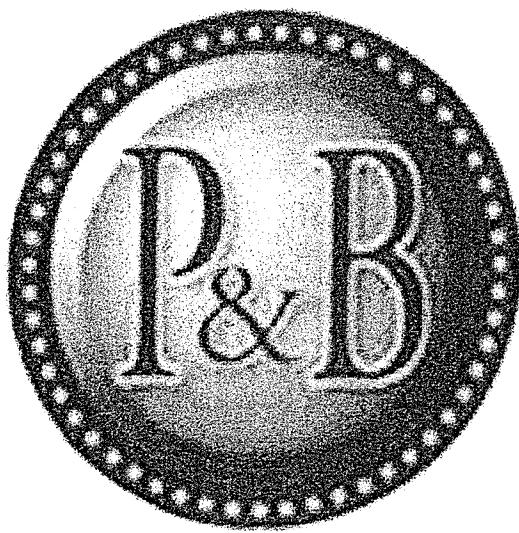

Notwithstanding anything that is provided, we must go ahead and get a Certificate of Non-Attendance. To reiterate, kindly confirm that you are prepared to adjourn the motion of September 23, 2022, so we can find a mutually agreeable date to question your client, and give proper time to order the transcript.

Your schedule that you have given back does not allow proper opportunity to order the transcript. My client is extremely upset and prejudice by your own actions, and that of your client. Also, kindly advise when you will be getting the material for the expected motion in the future that I scheduled for September 23, 2022.

It must be remembered, it was this office that asked you for dates for your client to be examined, instead you decided not to answer and give this office a date for questioning your client, but instead provided the wrong form for questioning, being a summons, without serving the summons personally to my client. You decided to take the date that was asked for you by this office for questioning your client, and instead took that date for questioning my

client. It would be impossible that you could at the last minute on Sunday the 7th of August, unilaterally cancel the date, and not accept that date as a date your client can be examined. The only reason you gave in writing for the cancellation was because your client was impecunious, without money to pay his lawyer. There was no mention in your first letter suggesting that you were busy or in any other court appearance or dispute resolution, it only came after you received notice from this office in the morning of August 8th, 2022, taking the date for your client to be examined by this office as originally asked for. I await to see what court appearance or dispute resolution appearance you have scheduled for August 15, 2022, and the name of the other lawyer, and dispute resolution officer, also kindly confirm when this arrangement was exactly made, and I require copies of correspondence that you rely on to report the date and time to the other paralegal or counsel.

Subject: Ferrante v. Ferrante

Dear Ms. Osadet:

Thank you for your various emails of Monday, August 8, 2022. It is clear that your client and you are available for August 15th as that was the date you sent your Summons to this office.

You advised that you unilaterally cancelled the questioning due to your client's impecuniosity.

We took the opportunity to use this date that you were available for and your client was available for to have the questioning of your client.

The Order of April 25, 2022, grants the parties leave to conduct questioning. This was the Order of Justice Petersen.

We need ample time to ask questions and questions arising from the answers from your client on an oral examination.

This is exactly the procedure you asked my client to have taken place. You never asked my client to answer any written questions.

My client deserves the same rights as what you asked my client to do and what the *Family Law Rules* dictate.

We are now bringing to your attention Rule 20(1) that states: "questioning under this Rule shall take place orally under oath or affirmation".

Rule 20(2) states: "the right to question a person includes the right to cross-examine".

It is our position that no other Rule disallows my client the right to examine your client orally.

You have had since the date of the Order, being April 25, 2022, to bring any motion to have changed the method of questioning and you failed to do so. This was done by Minutes of Settlement on consent of all parties.

The leave to conduct questioning was on consent by both parties as set out in Justice Petersen's Order.

All terms of the Endorsement were agreed upon at that time. There was absolutely no suggestion of written questioning suggested by you.

The jurisdiction is the same place where your client wished to examine my client and therefore there has been tacit agreement to hold the questioning in the same place where you requested my client to attend.

As you aware, the questioning is by way of Zoom.

This letter will be used in the event that your client or your office refuses to attend the questioning on August 15, 2022, in defending your motion of September 23, 2022 to have the right to ask for a further date to extend the mortgage.

It is absolutely our client's position that your client is delaying this matter, abusing the *Family Law Rules* and more importantly, non-complying with the Order of Justice Petersen of April 25, 2022.

There can be no excuse why your client is not available for oral questioning pursuant to Rule 20 of the *Family Law Rules*.

My client and myself have spent considerable time over the last few days preparing for questioning of your client and preparing for the questioning of my client. In fact, the time spent has been over 10 hours.

To reiterate, we need time to examine and cross-examine your client and if required, to bring a motion for refusals or incomplete answers.

As you are further aware, both clients have little or no money to litigate and transcripts are not affordable on a rush basis. We need all the time we can from the date of the examination to order transcripts on a non-rush basis.

Kindly confirm that your client will be attending pursuant to the court Order of April 25, 2022, and a date of August 15, 2022 which both you and your client were available based on your Summons to my client on that date, being Monday, August 15, 2022.

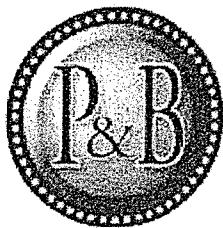

22

We of course will be getting a Certificate of Non-attendance if your client does not attend for oral questioning pursuant to the .les.

Your correspondence of today's date clearly indicates you cancelled the date of my client only because your client did not have the financial resources for questioning. There is nothing in your correspondence to suggest that you or your client were not available.

Yours very truly,

David Pomer

Dear Ms. Osadet:

We need the information on the Notice of Questioning much before the date for your motion to extend the renewal period. This motion has been scheduled by you for September 23, 2022.

This is a delay tactic that will not be tolerated. Your client has not provided any evidence that he has booked a holiday outside the jurisdiction.

In the event your client cannot attend on the 18th we will get a Certificate of Non-Attendance and will use this letter in defence of your motion to extend the date for the renewal.

We of course need time to order the transcripts in normal course as evidence in our defence of your motion to obtain a new mortgage renewal.

In the event that you are unable to attend on the 18th we will make ourselves available for August 19th or 24th.

You have unilaterally cancelled the date that we originally asked for examinations of your client, but you preempted this office by sending a wrong form of Subpoena instead of a Notice of Questioning.

As you have finally confirmed, the court has granted leave to questioning and your actions for non-attendance are not acceptable or provable by your client.

WE MUST PROCEED ON AUGUST 18TH.

In the event that you do not proceed, we will be asking for an adjournment of the motion that you have brought for September 23, 2022 and we will be using this letter in defence to dismiss your motion by your unilateral cancelling of any questioning.

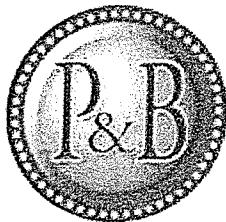

27

Your excuse that your client is impecunious, is not acceptable and all your client is trying to do is delay the process by not having to pay my client today's market price as to her exact interest as determined by the courts.

Kindly also provide dates for a case conference by Wednesday, August 10, 2022, failing which we will book our own date.

Yours very truly,

David Pomer

Subject: RE: THIS IS THE FINAL VERSION Re: Ferrante Family Law - RESPONDENT'S reply to OFFER TO SETTLE

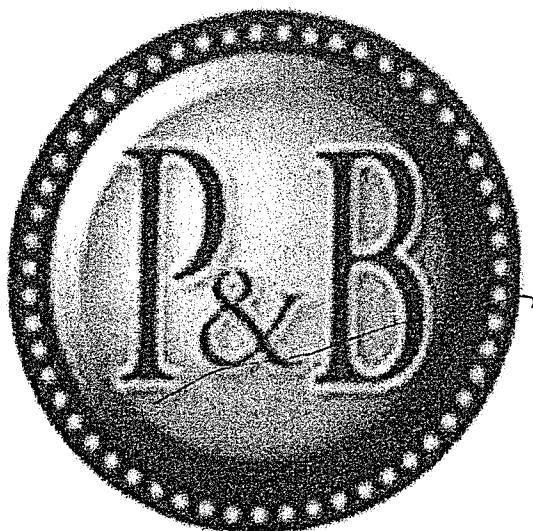

Nothing is final until both parties execute the agreement. This is the same duress and undue pressure that your client used in getting her to sign the first Separation Agreement. This is the same undue influence and duress your client put on my client in order for your client to give the younger son his car which unfortunately is in the name of your client for insurance purposes.

I can and will not take your client's acts of harassment and undue influence to get this agreement executed in such a short time. In the event that we do not settle this matter, this letter will be used as a clear defense to void the first agreement. Your timelines are indeed inappropriate and far too short. Your office is aiding and abetting in acts of undue influence and duress in having my client sign without the proper time to consult with me and finalize this agreement.

It took your office over 24 hours to respond to my client's offer.

I will advise when my client and the writer has the opportunity to review your "final offer"

Dear Ms. Osadet:

We need the information on the Notice of Questioning much before the date for your motion to extend the renewal period. This motion has been scheduled by you for September 23, 2022.

This is a delay tactic that will not be tolerated. Your client has not provided any evidence that he has booked a holiday outside the jurisdiction.

In the event your client cannot attend on the 18th we will get a Certificate of Non-Attendance and will use this letter in defence of your motion to extend the date for the renewal.

We of course need time to order the transcripts in normal course as evidence in our defence of your motion to obtain a new mortgage renewal.

In the event that you are unable to attend on the 18th we will make ourselves available for August 19th or 24th.

44

You have unilaterally cancelled the date that we originally asked for examinations of your client, but you preempted this office by sending a wrong form of Subpoena instead of a Notice of Questioning.

As you have finally confirmed, the court has granted leave to questioning and your actions for non-attendance are not acceptable or provable by your client.

WE MUST PROCEED ON AUGUST 18TH.

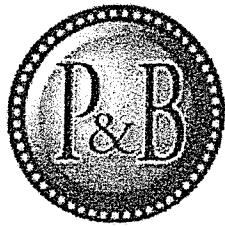

In the event that you do not proceed, we will be asking for an adjournment of the motion that you have brought for September 23, 2022 and we will be using this letter in defence to dismiss your motion by your unilateral cancelling of any questioning.

Your excuse that your client is impecunious, is not acceptable and all your client is trying to do is delay the process by not having to pay my client today's market price as to her exact interest as determined by the courts.

Kindly also provide dates for a case conference by Wednesday, August 10, 2022, failing which we will book our own date.

Yours very truly,

David Pomer

Counsel,

I am not abusive in any way. I am certainly not playing games. My client insists on proceeding on August 15th, 2022. You booked for the August 15th day to examine my client. I prepared with my client for over 8 hours last weekend. You unilaterally cancelled the appointment, apparently on Sunday August 7th, 2022.

I took the liberty on Monday August 8th before noon to serve you a Notice to examine your client. Your only reason to cancel, came in the form of a written email that your client had no money, and no other reason.

You have refused to divulge which court or what mediator is involved. You also refuse to tell me the other lawyer.

My client insists on getting answers. She will be writing to the Law Society for an investigation based on your emails. .

You can then have to deal with the Law Society, once again.

You are totally prejudicing my client's rights to have the questioning done early so the transcript can be ordered on the least expensive way, being on a non-rush basis, allowing a proper response by way of transcript to your Motion scheduled on September 23rd, 2022. Your new dates proposed are far too late.

You have failed to answer whether you are prepared to adjourn your Motion scheduled for September 23, 2022, so as to allow for the ordering of the transcript on a non-rush basis and to allow time to respond to your motion which you have not served as of yet,

You must also be reminded for the same motion you are bringing now, you were ordered by the Judge to produce your Motion record and Affidavit much earlier than the Rules require so as to give my office the proper and required time to reply.

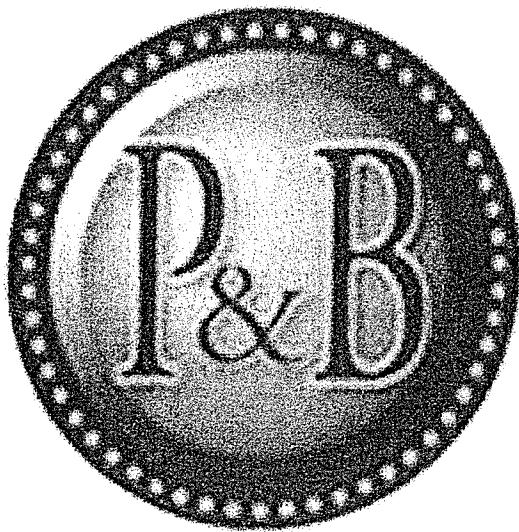

Once again, my client is being prejudiced by you not following the spirit of the Order of the Court for the same Motion you failed to provide my office with your materials pursuant to the court Order.

In summary, my clients are ready , willing to proceed on August 15th, 2022.

I can make myself available on August 19th, August 23, August 24th or August 25th, 2022. For questioning of your client

I need a response by 12 noon, August 10th, 2022.

Counsel,

Once again we have not received any answer with respect for dates in the third week of August. We are proceeding to get a certificate for non-attendance on August 15, 2022. We have given you an alternative to your August 15 date; so that we can return for sometime in third week of August. We have received no response, and it is my clients position that our client is being prejudiced by being required to order an expedited transcript if we go back for questioning in the beginning of September. This is totally unacceptable.

Once again you have not provided this office any proper proof that you are busy on August 15, 2022, and will be making a complaint to the Law Society of Ontario, and you can once again deal with the Law Society; only this time with respect to not answering proper communication by this office, not explaining why you are not available on August 15, 2022, and unilaterally cancelling the questioning of my client on a Sunday, and not advising this office. In addition, you can explain why you are unable to respond to or request to have the examination held between the 22nd, and 25th of August, 2022. The questioning has been court ordered, and we have asked and insisted that in the event that you require questioning to be held after September 7, 2022, why you are not in agreement to postpone the motion scheduled for September 23, 2022.

We hope to see your client once again on August 15, 2022.

My name is (full legal name) Serafina Ferrante

I live in (municipality & province) Regional Municipality of Peel, Province of Ontario

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the Applicant in this court action and as such have knowledge of the matters hereinafter deposed, except where stated to be on information, in which case I believe such information to be true.
2. By way of background, I commenced an Application in the Superior court on January 22, 2022, asking for *inter alia*, child support based on the *Child Support Guidelines*.
3. The Applicant denies each and every allegation as found in the Respondent's Affidavit sworn September 15, 2022.

4. The Respondent has delayed the process and failed to come to court with clean hands and should not be allowed his remedy as set out in the Respondent's Notice of Motion.
5. The Respondent provided an Answer on or about February 12, 2022, asking for inter alia, an Order to remove the Applicant's name from title of the property and an Order requiring the Applicant to renew the mortgage for a term of one year.
6. An urgent motion was brought by the Respondent to have various remedies with respect to renewing the mortgage.
7. As found at Exhibit "A" in the sworn Affidavit of the Respondent, is a copy of the Endorsement allowing for one extension up to a maximum of one year, with leave of the Court.
8. Attached hereto as **Exhibit "A"** is a copy of the Case Conference Endorsement dated April 25, 2022.
9. The 6 days before the motion to allow my lawyer proper and sufficient time to prepare responding material, the request was asked for by my lawyer and granted by Her Honour in the Endorsement.
10. The Respondent was required to serve his Notice of Motion and supporting material by May 23, 2022.
11. The Endorsement was made without prejudice to my position that the issue is Res Judicata.
12. The Respondent's motion date of July 8, 2022, came and went as abandoned by the Respondent for failure to provide motion material pursuant to the Endorsement of Justice Petersen dated April 25, 2022.
13. Further, the Endorsement allowed for leave to conduct questioning.
14. The Applicant's lawyer requested in writing several times, to ensure the transcript could be ordered on a non-rush basis before the requirement to defend the Respondent's motion.

15. My lawyer requested new dates for the questioning of the Respondent so as to allow for the transcript to be ordered on a non-rush basis and the reply only indicated a date after September 7, 2022, which would not allow for the transcript to be ordered on a non-rush basis.
16. I have also asked in writing, through my solicitor, for consent to amend the Application which were totally ignored by the Respondent's lawyer. This is costing me considerably more legal fees.
17. I am now forced to bring three separate motions before this Honourable Court due to the Respondent attempting to financially crush me and making it impossible to pay my lawyer.
18. Due to the total disregard for my financial troubles, the Respondent has failed to pay proper ongoing child support based on his 2021 Income Tax Return and 2021 Notice of Assessment.
19. Despite written repeated requests by my lawyer and comments made at the Case Conference, the Respondent continues to underpay ongoing child support per month.
20. The *Child Support Guidelines* calls for monthly child support of \$957.98 based on an annual income of \$105,949.92. The Respondent is currently paying \$250.00 per month.
21. The irresponsible conduct of the Respondent should not be rewarded by granting the Respondent his relief required in the Notice of Motion.

Motions

22. The first of three motions that must be brought is for proper child support.
23. The second motion that must be brought by my lawyer, due to the Respondent's failure to consent in writing, is the request to amend the Application which has already been provided by my lawyer to the Respondent's lawyer. Once again, the Respondent is attempting to cost me more money than I can afford.

24. The third and most important motion that I must bring is for questioning. My solicitor asked for questioning that could be used in my Reply Affidavit, but the Respondent delayed the questioning so as to not allow the responses and transcripts to be available in my responding material for September 23, 2022.
25. Attached hereto as **Exhibit "B"** is a Certificate of Non-Attendance which has an invoice in the amount of \$401.72
26. By email of Monday, August 8, 2022, the Respondent's lawyer responded to a date for questioning by stating "send us the questions in writing and I will have my client answer them".
27. This was unacceptable by my lawyer, as written answers are contrary to the *Family Law Rules*.
28. The Respondent's lawyer further delayed the date for the next case conference by not responding to my lawyer's request for a regular and not an urgent 10 minute case conference.
29. The non-response by the Respondent's lawyer has further delayed the case conference and should be considered a reason to deny the Respondent the Orders he is asking for in his motion and specifically, any costs if he is successful in the motion.

Extra Legal Costs Incurred Due to the Action of the Respondent or his Lawyer

30. The email asks for a link to appear by Zoom for a motion that both myself and my lawyer were unaware of.

Further Undue Influence

31. The email dated July 21, 2022, is further evidence of duress and undue influence, being one of the defences sought by myself in overturning the original Separation Agreement that I signed under complete duress. This related to being given 24 hours to respond to an offer to settle by the Respondent.

32. Attached hereto as **Exhibit "C"** are emails of July 26 and 27, 2022 to the Respondent's lawyer asking for dates for questioning and the Respondent's first response denying questioning unless I get leave of the court. The response to my lawyer's request for questioning was improper.
33. Attached hereto as **Exhibit "D"** is a Summons To Witness for August 15, 2022 by the Respondent's lawyer. It is important to note that Ms. Osadet requested the date of August 15, 2022 with the Zoom details.
34. The Respondent's solicitor by email of Monday, August 8, 2022 at 9:44 a.m., confirmed that the Respondent does not have the money for questioning of himself, and cancelled the August 15, 2022. On the same day of August 8th at 11:19 a.m., to save the date that was originally booked by Ms. Osadet, my lawyer sent a Notice of Questioning to Rino Ferrante, for the same date. Attached hereto as **Exhibit "E"** is a copy of the Notice of Questioning.
35. Attached hereto as **Exhibit "F"** is an email of August 8, 2022 at 11:24 a.m. confirming that Mr. Ferrante is not in a position to pay for the questioning and stating that Ms. Osadet was also unavailable for August 15, 2022 or indeed until September 12, 2022, leaving no time to order transcripts on a non-rush basis, thus eliminating the responses to be included in my responding material.
36. By email dated August 8, 2022 my lawyer offered other dates in August, 2022, that were totally ignored.
37. By email dated August 9, 2022, my solicitor asked for proof and evidence of what court or mediator that at the last minute was being scheduled and giving more dates. There was no proper response as to why the extra dates in August could not be used for questioning.
38. By further email of August 11, 2022, my solicitor further asked for dates in August and said request was ignored.

39. The Notice of Questioning as attached at Exhibit "E" asks for such items as Answers for Information and 21 other requests, all of which have never been provided and so relevant to a proper response to this motion.
40. The Respondent refuses to deal with the issues and should not be awarded any costs or any Orders asked for.

Response to Affidavit of Rino Ferrante

41. I have the Affidavit and deny the assumption that my share of the house was worth \$40,000.00.
42. I have only received \$20,000.00. Paragraph 4 in particular is completely false and the Separation Agreement has been fundamentally breached.
43. The mortgage is completely deficient.
44. The Respondent refused to provide dates for a case conference as stated in my Affidavit, although duly asked for.
45. There is no evidence of the lawyer's fees that will be charged by Ferra Construction Ltd., the commitment is not signed by the landlord and the commitment is not in my name.
46. There is no clause that the mortgagor must pay the taxes monthly. The mortgage is for 6 months. There are still issues outstanding between the parties. The mortgage is only for 6 months and not 5 years.
47. In any event, I do not work to have the matter dragged on for 5 years.
48. As the unsigned commitment is only in the name of Rino Ferrante, I am not prepared to transfer the property to Mr. Ferrante without proper consideration.

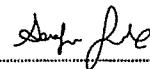

49. Paragraph 21(d) of the Commitment is onerous and can be cancelled at any time at the Landlord's option, and my property can be immediately foreclosed.
50. By executing the contract, I am setting myself for a further claim of paying one-half the mortgage payments for potentially another 5 years in addition to claims for one-half the mortgage payments from the date of separation, being September 1st, 2019 to present date.
51. I am unable to contact Ferra Construction Ltd. to confirm the terms and interest rate. There is no phone number, no address or email address.
52. I also would be subject to a reduction in equity if Mr. Ferrante defaults on the mortgage of the property.
53. By granting the Order of the Respondent, permitting the Respondent to re-mortgage the property on the terms set out by Ferra Construction, I would be required to transfer my interest in the matrimonial home to Rino Ferrante without determining the issue whether the Separation Agreement was valid or a nullity, based on the breach of contract by the Respondent, Duress and Undue Influence, and breach of section 5(6) of the *Family Law Rules*.
54. I am asking that the Respondent's motion be dismissed with costs in my favour on a substantial indemnity basis.
55. I make this Affidavit in response to a motion brought by the Respondent and for no improper purpose.

My name is*(Full legal name)***Rino Ferrante****I live in***(municipality and province)***Bolton, Province of Ontario****and I swear/affirm that the following is true:**

1. I am writing this affidavit as a reply to the affidavit by the applicant, Serafina Ferrante dated September 19, 2022.
2. The applicant has accused me of coming to Court without "clean hands". This is not true, and I take the position that the Applicant through her lawyer, are accusing me of behaviour that she herself is engaged in.
3. When we negotiated the Separation Agreement, the Applicant was represented by counsel.

Attached and marked Exhibit A is a true copy of correspondence between myself, the applicant's former lawyer, and my final email to the Applicant

Attached and marked Exhibit B is a true copy of the Separation Agreement signed by the applicant and me.

4. The Applicant signed a separation agreement without her counsel, for an amount that was \$10,000 less than her than lawyer recommended. (See Exhibit A), and the balance of \$20,000 to be paid when she takes her

dated September 20, 2022

name off the mortgage.

5. When the time came to take her name off the mortgage, the applicant refused to transfer to me.

Attached and marked Exhibit C is a true copy of the email sent to me by the applicant on February 2, 2022.

6. At that time the property market was really inflated, and the applicant expressed upset that she had lost out on the potential for a huge increase in the increased equity in the home, at which the applicant had not lived since September 2019.
7. The other statements about presenting myself for questioning are not true. We offered the dates of August 8, 2022, but that date was ignored, by the applicant's lawyer, until August 8, 2022 itself, when my lawyer was served with the date of August 18, 2022.
8. My counsel was not available that date and we offered dates on September 6, 7, 8, 9, 2022. Those dates were ignored. The email between the lawyers is voluminous and I am advised by my lawyer that these emails will be too voluminous for filing under the Court mandated page limitations.
9. I have reviewed the emails however, and I can advise as follows:

- a. My lawyer was on holiday during the weeks of August 22, 2022 to September 5, 2022.
- b. On July 25, 2022, applicant's lawyer asked for dates to question me. Dates were given on July 28, 2022. Then there was silence despite repeated requests to have the date of August 8, 2022 confirmed.
- c. The applicant did not provide a date until August 8, 2022, and did not seek whether or not my lawyer was available that date.
- d. The dates of September 6, 7, 8, and 9, 2022 were offered but rejected by the applicant's counsel.

10. My lawyer also offered to agree to questioning by writing, but that offer was rejected as well.
11. The Applicant started this application despite having signed a separation agreement and accepting the true and accurate share of equity in the home. When the property market took off, the Applicant became upset and frankly, greedy, indicating that she did not stand by the separation agreement and wanted the house sold.
12. The only reason the Applicant was still on title, was to avoid mortgage penalties in March 2020, and as a

dated September 20, 2022

result, the Applicant has had a rope around my neck, and has brought this application to sell the home despite our agreement dated September 2019.

13. I need to be able to remortgage the property given that interest rates continue to rise, and the Court has already given me permission to remortgage for a period of one year, without the signature of the Applicant.

14. I am asking only that this permission be extended to a mortgage that will be affordable, on the same terms as Justice Barnes' order but with a different mortgagee.

15. I am not in default on the mortgage or property tax but I cannot keep up with these payments and I am seeking relief.

My name is (full legal name) Serafina Ferrante

I live in (municipality & province) Regional Municipality of Peel, Province of Ontario

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the Applicant in this court action and as such have knowledge of the matters hereinafter deposed, except where stated on information, in which case I believe such information to be true.
2. The Respondent and I separated on September 1st, 2019.
3. The Respondent and I signed a Separation Agreement on September 1st, 2019, which is being challenged on various grounds, including but not limited to, misrepresentation, duress, no independent legal advice, no financial disclosure and no material change in circumstances.

4. Following our separation on September 1, 2019, our younger son Luca, lived with his father from October 4 - 20, 2019 and then came back to live with me.

Background

5. The Respondent, despite voluminous requests, has failed to pay his child support pursuant to the *Child Support Guidelines*. The support being the right of the children.
6. Attached hereto as Exhibit "A" are copies of various emails since March 16, 2022, asking for child support, which has been grossly underpayed.

Rino Ferrante's Income

7. Due to the limitation of pages, exhibits allowed by the various practice directions, I have attached as Exhibit "B" only one page of the Respondent's Income Tax Returns for 2019 and 2020.
8. The first four pages of the Respondent's Financial Statement sworn February 12, 2022, attached hereto as Exhibit "C" confirms an income of \$105,949.92. There is no inclusion for rent in the sworn Financial Statement and therefore the Respondent is not entitled to subtract rental income from his employment income, as it is impossible for family law purposes, for the Respondent to deduct \$8,264.62 for the year 2019 and \$7,062.21 for the year 2020.
9. The Respondent has family members of his common-law wife Maryanne D'Alberto and the income derived from the Respondent's sister, who lives in the basement, should be an addition to the employment income, less reasonable expenses.
10. In the event that there were no renters by his common-law spouse, the income would be only the employment income as set out in the Income Tax Return provided to my solicitor.

11. The sworn Financial Statement of February 12, 2022, confirms the Respondent is only living with Maryanne D'Alberto and no other adults.
12. The sworn Financial Statement does not include any contribution for rental income from his common-law spouse, that should increase the Respondent's income by at least \$2,000.00 per month which should be grossed up by 25% to get a number of \$2,500.00.
13. The rental for the basement apartment by the Respondent's sister and her son Michael Chiefari, should be at least \$1,250.00.
14. The Respondent's sister and son occupy a full basement which would demand a further \$1,500.00 a month on the open market. The basement was continually rented to the Respondent's sister and adult son and should be grossed up by 25% to \$1,875.00 per month or \$22,500.00 per year.

Child Support and Arrears of Child Support

15. Various demands have been directed to the solicitor for the Respondent and no cheques have been provided and no confirmation that child support even in fact is due and payable based on the current *Child Support Guidelines*.
16. Child support has been demanded even before the Application date and the current child support is due and payable by the Respondent in the amount of \$1,544.00 based on the Respondent's current 2021 income.
17. Child support is owing from the date of separation based on the income of the Respondent for the years 2019, 2020, 2021 and 2022.

2019

18. Employment income of the Respondent was \$107,261.00. Child support for two children is \$1,559.00 x 4 month period commencing September 1, 2019 = \$6,236.00.

19. Actual amount paid by way of e-transfers to me was \$100.00 for two children. Child support for two children is \$6,236.00 - \$100.00 = **\$6,136.00**.

2020

20. Employment income of the Respondent was \$107,470.95. Child support for two children is \$1,562.00 x 6 months = **\$9,372.00**.

21. Matteo turned 18 on May 27, 2020, and started to work full-time in June, 2020. Matteo was full-time in school in June, 2020 and then worked full-time right after school. Child support for Luca for the balance of the year, July to the end of December - 6 months at \$968.00 per month = **\$5,808.00**.

22. Therefore, the total child support due for two children is 2020 until the end of June, 2020 equals \$9,372.00. For one child from July to the end of December, 2020 = **\$5,808.00**. Therefore, the total child support owing for 2020 $\$5,808.00 + \$9,372.00 = \$15,180.00$

23. Total payments made by the Respondent for Matteo is \$1,200.00 and for Luca as \$2,950.00. Balance owing for child support is $\$15,180.00 - \$2,950.00 = \$12,230.00$.

2021

24. Employment income of the Respondent was \$105,949.92 pursuant to the sworn Financial Statement of February 12, 2020, as found at Exhibit "C" herein and found on page 2 of the sworn statement.

25. The total amount of child support owing pursuant to the Respondent's employment income was \$958.00 per month x 12 months = \$11,496.00. Child support paid for 2021 was \$250.00 per month or \$3,000.00.

26. Therefore, the amount of child support owing for 2021 is \$11,496.00 - \$3,000.00 = **\$8,496.00**.

2022

27. I am basing the Respondent's 2022 income on the last sworn financial statement at **\$105,949.92**.

28. The amount of child support payable is \$958.00 x 12 months = \$11,496.00 - \$2,750.00 (being \$250.00 per month). The amount of child support owing for 2022 to the end of November is **\$8,746.00**.

29. The total amount owing for child support from September 1, 2019 to the end of November, 2022 is **\$35,608.00**.

2019

30. Second scenario based on the employment income and income from the basement of the Respondent's sister, Chrisina and son, Michael Chiefari, at fair market value for a full basement is \$1,250.00 per month, grossed up 25% as the Respondent is receiving cash, representing \$1,587.00 per month or \$19,050.00.

31. 2019 employment income at \$107,261.00 plus basement income of \$19,050.00 = \$126,311.00. Child support is \$1,793.00 per month for two children for 4 months is \$7,172.00 - \$100.00 (being the amount received) = **\$7,072.00**.

Second Scenario for 2020

32. Employment income of the Respondent at \$107,470.95 plus basement income at \$1,250.00 per month, grossed up by 25% equaling \$1,562.50 per month or \$18,750.00 per annum, for family law purposes for 2020, the Respondent's income is \$126,220.95. Amount of child support for 6 months to the end of June, 2020 for two children is \$1,793.00 x 6 months = \$10,758.00.
33. The amount of child support for 1 child for 6 months at \$126,220.95 is \$1,117.00 x 6 = \$6,702.00. Total child support for 2020 owing is \$10,758.00 + \$6,702.00 = \$17,460.00.
34. Amount actually paid for 2020 for Matteo and Luca was \$2,950.00. The actual amount owing for 2020 would be \$17,460.00 - \$2,950.00 = **\$14,510.00**.

2021 - Second Scenario

35. The amount owing for child support based on employment income of \$107,470.95 plus grossed up basement income at \$19,050.00 per year equaling \$126,520.95 or \$1,119.00 per month or \$13,428.00 per year. The amount of actual support paid for 2021 was \$3,000.00. The net amount owing is \$13,428.00 - \$3,000.00 = **\$10,428.00**.

2022 - Second Scenario

36. The amount owing for child support based on employment income of \$107,470.95 plus grossed up basement income at \$19,050.00 equaling \$126,520.95 or \$1,119.00 per month to the end of November is \$12,309.00. The actual amount of child support paid to the end of November, 2022 is \$2,750.00. Therefore, the actual amount for 2020 is **\$9,559.00**.
37. Therefore, the amount owing for child support based on employment income and grossed up income, from date of separation to the end of November, 2022 is **\$41,569.00**.

38. I make this Affidavit for the purposes of an Order for child support and for no other improper purpose.

Subject: Ferrante - Child Support

Dear Ms. Osadet:

As stated by Justice George Czutrin in *R. (C.) v. Children's Aid Society of Hamilton*. 2004 CanLII 34407 (ON SC), 2004 CarswellOnt 1414 (S.C.), any person whose conduct "flies in the face" of the primary goals of the *Family Law Rules* may be subject to cost consequences (at para.51).

In that case, he was referring to costs ordered against the Office of the Children's Lawyer, but the statement is equally applicable in this case.

The wording of Rule 24(9) requires a finding of negligence, inappropriate conduct or abuse of process on the part of the lawyer, even if the conduct does not amount to bad faith.

In addition, a lawyer has a duty to ensure that the client complies with the Family Law Rules.

A lawyer may not rely on a client's instructions as a defence when a lawyer acts in a manner inconsistent with the goals of the justice system. See *MacMull v. MacMull* 2015 ONSC 5667, 258 A.C.W.S. (3d) 342 at para. 19.

Child support is the fundamental right of each child. We have received your email suggesting that the mortgage is the only issue with respect to the upcoming case conference. We deny your right as counsel to deal with the mortgage issue before child support.

The mortgage issue was clearly dealt with by Mr. Justice Barnes and we have an Endorsement in this regard.

This is formal notice to you that we will be seeking costs against you personally as a lawyer, and as an officer of the court, you must realize the immediate attention to child support and deal with this matter at the initial case conference.

Kindly advise when we can receive the March and April payments for child support based on the income as set out in your case conference brief.

Child support is a separate issue and nothing to do with any grounds to overturn an alleged agreement between two parties that has been fundamentally breached by your client and in such agreement, there was no proper disclosure as required by the Rules.

We await the overdue answers by your firm with respect to the Request for Information.

This issue will also be brought up at the case conference and I will be seeking an Order to have the Request for Information answered by your client.

Kindly provide the renewal agreement that has been dealt with by your client solely with Effort Trust.

Dear Ms. Osadet:

Attached hereto is a case narrative on calculating 40% time.

Our client requires the child support for March and April, 2022, plus the amounts owing from the date of separation.

A motion will be heard as soon as possible after the case conference date.

We will also be asking for costs on a substantial indemnity basis. Your client must pay support for the youngest child based on the income as set out in the case conference brief.

We have not heard a response from you or received any cheques.

We will also be asking for costs against you personally, as we believe the Rules as set out, demand costs against you personally. This is also formal notice to you and your client.

We have sent a Request for Information that pertains to your absurd wording in your last response to this office.

Child support is the right of the child and we insist that your client provides cheques forthwith.

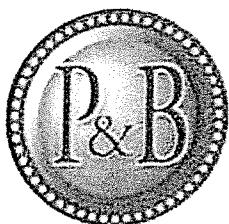

Once again, this is a formal request for proper responses to our requests for information.

We are also using this letter to impeach the credibility of your client with respect to an Affidavit that he may be using in this case or any viva voce evidence.

Kindly reply forthwith and no later than Wednesday, March 30th, 2022 at 3:00 p.m.

Counsel,

Kindly review the legal concept of Res Judicata. This is an interim order of the court that has been decided. You had the opportunity to Appeal said order and so did my office. No one appealed it. It is clear that you can bring any new Motion you so desire. I am entitled to defend and ask for costs against you personally. You may also want to review the ability to change an interim order based on no material change in circumstances. This would also have an effect on your decision to vary Justice Barnes interim order.

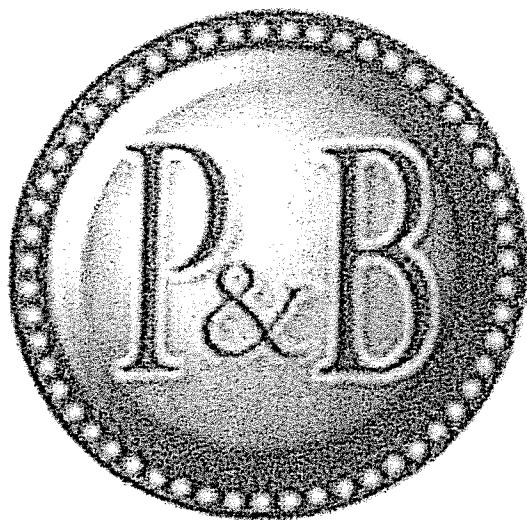

An order is an order. Kindly read Justice Barnes order.

WE require complete compliance with the said Order. Your choice of term and the box you are suggesting totally contravenes the said Order.

We expect you to agree to provide cheques for march and April for child support for the youngest child.

If I have to commence a Motion, I will be asking for costs on a substantial indemnity basis against yourself and your client, as already confirmed in my many emails.

Dear Ms. Osadet:

The motion for child support must be heard, there is no possibility of success.

Kindly confirm if you will consent to child support pursuant to the Guidelines from July 1st, 2022 onwards, reserving our right for back support of child support, based on the 2021 incomes.

There is absolutely no excuse for further delays as it is prejudicing my client.

My name is

Rino Ferrante

I live in

Toronto, Province of Ontario

and I affirm that the following is true:

1. I am the Respondent father and as such I have knowledge of the matters herein deposed.
2. Serafina and I separated in 2019 and signed a Separation Agreement dated October 4, 2019. At the time of the Separation Agreement we were six months into a two-year locked mortgage with Effort Trust. The renewal date was March 2021. Serafina was to receive a second and final payment of \$20,000, in satisfaction of her equity in the matrimonial home. We mistakenly called Serafina's equity, an equalization payment.
3. On October 4, 2019, the value of the home used by us was \$1,086,000, as per our appraisal in March 2019. ** insert appraisal page
4. The total amount in debt on October 4, 2019 was:
 - a. first mortgage \$812,500.42
 - b. second mortgage \$65,000.00
 - c. first private loan \$50,000.00
 - d. second private loan \$50,000.00
 - e. line of credit \$25,000.00
 - f. Credit card debt \$12,000.00

Total Debts \$ 1,014,500.42

- g. If the home was worth \$1,086,000, then the available equity in the home was \$1,086,000 less \$1,014,500.42, for a grand total of \$71,499.58

dated November 30, 2022

5. Serafina and I made an agreement that I would pay her \$10,000 when she signed, and I did pay her; another \$10,000 after she moved out, and I did pay her. The last 20,000 to be paid when she removed her name from the title.
6. Removing Serafina's name was supposed to happen in March 2021, but Serafina has breached the contract and refuses to allow me to remortgage.
7. **In March 2021, Serafina has breached the Separation Agreement by refusing to take her name off the title, therefore, making it impossible to remortgage without her consent.**

Attached as Exhibit A to this affidavit is a true copy of the Separation Agreement signed on Oct 4, 2019

Attached as Exhibit B are true copies of:

page 1 – excerpt of First mortgage

page 2, excerpt of second mortgage,

page 3, excerpt of mortgage commitment to Rino Ferrante and Maryann D'Alberto in March 2021

Attached as Exhibit C is a true copy of correspondence from Serafina to me advising that she will not renew the mortgage

8. I had to go to Court and get an Order to remortgage. Justice Barnes handed down an Order on March 2, 2022, permitting me to remortgage, once, OPEN mortgage for no more than 12 months, without Serafina's signature. I pay a very high interest rate on a six-month open mortgage, that has a sunset date of **January 1, 2023**. After this date, Effort Trust will commence foreclosure proceedings.

Attached and marked Exhibit D is a true copy of:

- a. Page 1, excerpt of Endorsement of Justice Barnes
- b. Page 2, Email from Effort Trust mortgage broker, dated Nov 21, 2022
- c. Page 3, Effort Trust Mortgage Statement dated November 29, 2022

9. The mortgage payments on the property, under the open mortgage exceed \$7,000 per month, and are an increase of more than \$3,000 per month.
10. This has created financial stress. Despite the Separation Agreement, I am happy to pay table child support to Serafina, but I dispute she is under financial stress. In July 2022 when her lawyer wrote Serafina could not afford to pay for the child support motion, but Serafina had days before given Luca \$6,000 for his car.
11. Decisions about resolving this matter and dealing with the mortgage as agreed under the Separation Agreement are being motivated by angry towards me. The marriage did not work out. Serafina and I agreed that I would buy her out of the property.
12. My final offer was \$40,000 because I was taking all the debt. Serafina accepted that offer and signed the Separation Agreement on October 4, 2019. **The only live issues is should Serafina be paid more for her share of the home, and what is the amount of that additional payment?**

dated November 30, 2022

13. At the date of the Separation Agreement, October 4, 2019, Serafina, was represented by a lawyer, and the proposed resolution under the lawyer was \$50,000 (only \$10,000 more).
 14. Serafina, as a title holder is causing damage to the value of the property by unnecessarily increasing the carrying costs. I believe Serafina should be responsible for $\frac{1}{2}$ the carrying costs, from the date of her breach of the Separation Agreement.
 15. Serafina's does not seek possession of the home, only an additional amount of money to what was agreed under the Separation Agreement.
 16. I have obtained an agreement for a private mortgage in my name, from Ferra Construction Ltd, on a favourable interest rate. I cannot obtain the mortgage from Ferra Construction until I have the issue of title sorted out.
 17. By my math, at the date of our Separation Agreement, the equity in the home was **\$71,499.58** or thereabouts, making our equal share: **\$35,749.79**
 18. Under the Separation Agreement Serafina was to get more than her share of the equity. We have probably
 19. Serafina does not ask for possession of the home, she seeks a monetary amount. Given the value of the home, the debt ratio is so high, so high and there is no way to pay more money.
 20. I would rather pay child support to Serafina, but by her breach of the Separation Agreement, I have been forced to pay so much more in interest that should ever have been paid.
 21. I am asking the Court to order table child support BUT at the same time, **allow me to remortgage without Serafina's signature.**
 22. Then we can work out the dollar amount, if any, that Serafina should be paid.
 23. Serafina has not provided me with the following evidence to assist in solving the problem of the amount, if any, that should be paid to Serafina.
 24. For example, what date does she want to use to value the property?
 25. No appraisal has been obtained by Serafina to provide even a number that she believes represents the value of the Property, at the date she claims is the Separation date.
 26. I continue to rely on the Separation Agreement, and will happily pay table amount child support, but I cannot be crushed financially with continued high interest mortgage payments.
- Child Support Under the Separation Agreement**
27. Child Support paid by me to the date of the motion, under the Separation Agreement, for the child Luca is \$450/month multiplied by 25 months, for a total of **\$11,250.00**.
 28. Of the \$450 per month, \$200 is paid directly to the child, Luca. I also give Luca 50% of the income I earn with the snow plowing contract, so I work for free, and the kids get the money for assisting me.
 29. The income that I earn for snow plowing, is part of my Line 150, and so that income, already paid to my children, should not be income for the purpose of support.

dated November 30, 2022

50% of the carrying costs of the property

30. Serafina has breached the Separation Agreement by refusing to transfer her title to me, which would permit me to remortgage the property.
31. Serafina's claim is she is still on title and therefore, should benefit from the increase value of properties as seen since 2019, to mid-2022.
32. If Serafina is correct to breach the Separation Agreement to seek more money, then she ought to be responsible for 50% of the mortgage payments, from the date of separation until now.
33. I have made all mortgage payments since the Separation Agreement was signed in October 2019. I have done everything I am supposed to do under the Separation Agreement.
34. I have been paying a very high mortgage rate since March 2022 and I have continued paying child support under the Separation Agreement, in a total monthly amount of **\$450.00** month.
35. Serafina refuses to consent to remortgaging the property, or taking her name off title, and then negotiating an amount for her to be paid, if any.
36. My motion on the mortgage issue is scheduled for January 19, 2023, which is far past the deadline for the payout of the mortgage, January 1, 2023. Without the relief sought by me, I will lose the property.
37. The private mortgage lender will not provide me the funds unless Serafina is off the title to the property, as per the Separation Agreement, because they do not want to lose their money in a partition and sale Order. That being said, finally, Serafina has not brought a motion for partition and sale of the property, but continues to refuse to consent to remortgaging at a lower rate, and abiding by the Separation Agreement.
38. The documents that I am relying on to support this motion, and the statements in my affidavit are:
Attached as Exhibit D is a true copy of the correspondence from Effort Trust dated November 21, 2022
Attached as Exhibit E is the proposed mortgage loan, which is not signed but is secure.
39. I make this affidavit in response to Serafina's motion for child support and for no other or improper purpose.

Mr. Ferrante,

Further to our telephone discussion yesterday, and your offer below, my client's position is the following :

1. You will buy her out of the Matrimonial Home for \$50,000.00. The payment will be made in 2 instalment the first of \$25,000.00 upon the signing of the agreement and the second upon the transfer of property and mortgage in August 2020. You will be solely financially responsible for the transfer of the home and the mortgage documents. However you will have until February 2020 to take on the mortgage with Indigoblue, and you will have until August 2020 to transfer the home and the mortgage with Effort Trust.

This is Exhibit C to the Affidavit of Rino Ferrante affirmed before me Via O.Reg 431/20 in the Province of Ontario on 30 th November 2022

Rino, As you are aware, the mortgage Effort Trust has between you and Serafina expired on October 1st, 2022. Based on the correspondence below dated October 5th and subsequently the response I received from Serafina's lawyer dated October 6th, I can not renew the mortgage as I do not have consensus between the two parties to allow the additional 6 month renewal. I tried to leave some additional time for you, Serafina and your legal teams to work out the issues and I also came down with COVID unfortunately that set me back 2 weeks so that is the reason for the delay in getting back with you. I have not received any additional correspondence from your legal teams regarding to the court order and any amendments or advise from the Justice regarding the interpretation of the renewal. That said, the mortgage remains expired effective October 1st, 2022 at the same open rate issued to you back in April 2022. Therefore no penalties apply to you and Serafina if the mortgage would be paid out. Mr. Pomer, Serafina's Solicitor has made it clear that he will not consent to an additional renewal via his correspondence below and further to our conversations today regarding this issue. Seeing as the mortgage can not be renewed I require the mortgage to be paid out in full. I can extend the terms under the current mortgage to January 1st, 2023 giving you more than 30 days to pay out the mortgage in full. I will not correspond further regarding this issue as the current legal proceedings are not in my purview nor can I provide any expert advise in these proceedings between you and your spouse. Please reach out to me if you need any documentation to help facilitate the pay out of this mortgage. Thank you and be well.

Jason,

There is a current court order that allows for only one option only for Mr. Ferrante. Based on the court order of Justice Barnes, there is no ability by either lawyer to have a second renewal. Therefore until the court order is changed, no party can obtain a further extension and by renewing the Mortgage at this time, Effort Trust would be breaching a court Order and subject to a fine and a civil case against Effort trust

Serafina & Rino,

Thank you for the recent correspondence from each of you. As per our discussions, I interpret the court decision as being a renewal for no more than 1 year. Seeing as I do not offer a 1 year OPEN renewal product (only 6 months OPEN), I believe that I can renew the mortgage one more time into a 6 month open mortgage that would equal 1 year in total renewals. That said, I would not move to renew this mortgage without the consensus of you, your lawyer, Rino and his lawyer and the judge if required. I'm not the legal expert and would defer to your lawyers for that advise. As we discussed, I need the mortgage renewed or paid out in full on the maturity date. I can work with you both for a while in order to answer the question as to if I can renew the mortgage one more time into a 6 month open term. I would ask that you give me the direction I need to ensure that Effort Trust is on side with the court decision as well as you both for the additional 6 month open term. I have the signed documents on hand from Rino waiting to be renewed. Thank you to you both in advance. I look forward to hearing from you both as soon as possible. Thank you and be well.

Sincerely,

Jason Tetreault

Good afternoon Jason,

Attached is the court order from Justin Barnes, stating it's only on a one time basis, kindly advise your position in writing if you are going to renew the mortgage with Rino Ferrante's signature only?

Thank you,

Therefore, I believe that pursuant to the court order of Justice Barnes, I will not be able to extend another renewal when this mortgage renewal expires on April 1st, 2023.  - c. The number of days remaining from the date of prepayment to the maturity date divided by **365**.

*Please refer to www.efforttrust.com for GIC annual interest rates applicable at the time of the prepayment calculation.

Bruce,

The advance has occurred and there are no additional monies. The Endorsement did not allow for funds to go to Rino.

You did not provide the signed Acknowledgment for electronic registration in preparation form for the mortgage and the signed ILA documents. Please forward these as soon as possible.

Are you obtaining the title insurance? Please advise as this was missing.

Please remove the escrow as we have already advanced all available funds, as advised to avoid further enforcement and to address the \$6,000 reduction.

The funds advanced covered the discharge amounts to Effort Trust, title insurance and my firm's legal charges.

DIRECT COMPARISON APPROACH

ANALYSES AND COMMENTS:

Include qualitative or quantitative explanation for sale conditions, expenditures, market conditions and property adjustments including location, physical/economic characteristics, use, non-realty, rationale for most appropriate comparables.

Good selection of recent similar type 2 storey detached dwellings available in the subject area. The search included the best available data. The search included only similar detached dwellings in the immediate subject area and active listings. Adjustments for lot size, site influences and location were made concurrently. Adjustments for age and condition are also made concurrently. A fourth comparable was added in the subject area of similar size and condition. This comparable displays similarities to subject in age and location, however was adjusted for inferior condition, superior upgrades and supports the final estimated value. All four comparables possess high similarities to the subject and are recent sales and only required minor adjustments. All four comparable support the final estimated value. Comparable #1 is most similar to the subject in overall conditions and required the smallest adjustments and is a recent sale and was therefore given the most weight in determining the final estimated value.

The cost approach to value was used as a back up method to the preferred direct sales comparison approach, but not heavily relied upon for determining the estimated market value. The estimated value takes into consideration recent sales, expired and active listings and the comparables provided in this report. Given the appraisers knowledge of the subject neighbourhood and information attained through research, it is considered that the information used can be accurately used as an indicator of the subjects estimated value.	
DEFINITIONS	UPON REVIEWING AND RECONCILING THE DATA, ANALYSES AND CONCLUSIONS OF EACH VALUATION APPROACH, THE MARKET VALUE OF THE INTEREST IN THE SUBJECT PROPERTY AS AT <u>26-Feb-2019</u> (Effective Date of the Appraisal) IS ESTIMATED AT \$ <u>1,089,000</u> COMPLETED ON <u>26-Feb-2019</u> (Date of Report) AS SET OUT ELSEWHERE IN THIS REPORT, THIS REPORT IS SUBJECT TO ASSUMPTIONS AND LIMITING CONDITIONS, THE VERIFICATION OF WHICH IS OUTSIDE THE SCOPE OF THIS REPORT.	
SCOPE	DEFINITION OF MARKET VALUE: The most probable price as of a specified date in cash, or terms equivalent to cash, or in other precisely defined terms, for which the specified property types should sell after reasonable exposure in a competitive market under all conditions requisite to a fair sale, with the buyer and seller each acting prudently, knowingly, and for self-interest, and assuming that neither is under undue stress. (Appraisal of Real Estate 1 and Canadian Uniform 2010) Implicit in this definition is the assumption of a sale as of a specified date and the passing of title from seller to buyer under contract whereby buyer and seller are typically informed, both parties are well informed or well advised, and using in their estimate their best interests, a reasonable time is allowed for exposure in the open market; payment is made in terms of cash in Canadian dollars or in terms of financial arrangement its comparable thereto, and the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.	
	DEFINITION OF MARKET RENT (if applicable): The estimated amount for which an interest in real property should be leased on the valuation date between a willing lessor and a willing lessee on an appropriate lease term in an arm's length transaction, after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion. (International Valuation Standards 2017).	
	DEFINITION OF HIGHEST AND BEST USE: The reasonably probable use of real property that is physically possible, legally permissible, financially feasible, maximally productive and net results in the highest value. (USPAP 2018)	
The scope of the appraisal encompasses the due diligence undertaken by the appraiser (consistent with the terms of reference from the client, the purpose and intended use of the report) and the necessary research and analyses to prepare a report in accordance with the Canadian Uniform Standards of Professional Appraisal Practice (CUSPAP) of the Appraisal Institute of Canada. The following comments describe the extent of the process of collecting, confirming and reporting data and its analysis, describe relevant procedures and reasoning details supporting the analyses, and provide the reason for the exclusion of any visual valuation procedures.		
The appraiser issues that the focus of the engagement has been discussed and disclosed with the client, the work required to solve the issue planned, and the necessary market data acquired, analyzed and reconciled into an estimate of market value in a manner typically expected in a "form" report.		
The specific tasks and items necessary to complete this assignment include a summary of the following:		
1. assembly and analyses of relevant information pertaining to the property being appraised, including listing and acquisition particulars if acquired within three years prior to the effective date of the appraisal;		
2. a visit and observation of the subject property and the surrounding area;		
3. assembly and analyses of pertinent economic and market data;		
4. an analysis of cost and controls pertaining to the subject property;		
5. an analysis of highest and best use, or most probable use;		
6. a discussion of the approach methodologies and procedures employed in arriving at the indications of value;		
7. inclusion of photographs, maps, graphics and appendices while when deemed appropriate; and		
8. reconciliation of the collected data into an estimate of market value in dollar value range as of the effective date of the appraisal.		
All data considered appropriate for inclusion in the appraisal is, to the best of my knowledge, included. Due to the type of property being appraised and the nature of the appraisal issue, the findings have been conveyed in the "form" format.

	EXTRAORDINARY ASSUMPTIONS & LIMITING CONDITIONS				
	<p>An extraordinary assumption is a hypothesis, either supposed or unconfirmed, which, if not true, could alter the appraiser's opinions and conclusions (e.g. an absence of contamination where such contamination is possible, the presence of a municipal sanitary sewer where unknown or uncertain). An extraordinary limiting condition is a necessary modification or exclusion of a Standard Rule which must be explained and justified by the appraiser (e.g. exclusion of one or more valuation approaches). The appraiser must conclude before accepting the assignment which involves invoking an Extraordinary Limiting Condition that the scope of the work applied will result in opinions and conclusions which are credible. Both must accompany statements of each opinion/conclusion so affected.</p>				
	<p>It is assumed that the subject renovation will be completed according to the plans specified by the owner. In the event that there is any deviation from any of the assumptions made herein we reserve the right to amend our report the estimated value accordingly.</p>

	HYPOTHETICAL CONDITIONS				
	<p>Hypothetical conditions may be used when they are required for legal purpose, for purposes of reasonable analyses or for purposes of comparison. Additional Scope of Appraisal Items

The analysis set out in this report relied on written and verbal information of market transactions, data and statistics obtained from a variety of sources we considered reliable. A concerted effort was made to verify the accuracy of the information herein contained. Since this appraisal is not intended to be used for court purposes or for arbitration, some of the information set out in this report may not have been fully documented or confirmed by reference to primary sources.

If information independently researched by the appraiser or provided by the client on the surface appeared to be reasonable, it was relied on as true and correct. No in-depth investigation is made into the parties to real estate transactions and audits are not performed on documents or information provided. Fraud is known to be present in the real estate market, and often information is withheld from appraisers in the confirmation process. The user of this report ought to exercise reasonable and proper due diligence and consult legal advice and such other experts as necessary to make informed decisions regarding the property.

Appraisers are not qualified in professional matters like land surveying, engineering, architecture and the law, nor are they qualified as building inspectors. We assumed that there are no hidden or unapparent conditions of the property, subsoil or structures that render it more or less valuable. No responsibility is assumed for such conditions or for arranging for engineering studies that may be required to discover them. Where matters were noted that appeared unusual, they have been noted in the report. The services of experts in these fields is required to investigate the possibility that defects are present.

The only party who may rely on the opinions expressed in this report is the client to which the report is addressed and only for the intended use stated herein. No other party may rely on this report without the written consent of the appraiser. We expressly Deny any legal liability for unauthorized reliance and any other use.

Should the author of this report be required to give testimony or appear in or at any administrative proceeding relating to this appraisal, prior arrangements shall be made therefor, including provision for additional compensation to permit adequate time for preparation and for any appearance which may be required. (my fee for court preparation time is \$ 2500/day and appearance is \$2500/day or any part thereof plus disbursements)

Information used in this report with respects to the age, size, condition and lot size of the subject and the comparables was obtained from MLS listings, real estate sales representatives, builder's plans and/or land registry are assumed correct. Comparable photos were obtained from on line MLS and are assumed to be an accurate current rendering of the property

For the purpose of this report it is assumed that the improvements, additions and/or renovations or modifications to the subject have been completed with the necessary building permits, have been inspected and met all building code requirements at the time.

Permission to take interior photos was obtained at the time of the inspection from the home owner.

The reader should be aware that when preparing an appraisal for financing purposes, appraisers do not investigate if the prospective loan and applicant satisfy prudent underwriting criteria. Consequently we assume no responsibility for losses on loans involving our appraisal efforts that result from the lenders failure to do proper due diligence regarding credit worthiness of the borrower or their ability to service or repay the loan.

Additional Assumptions and Limiting Conditions and Extraordinary Items

Some assumptions and estimates have been made for the purpose of satisfying mandatory form requirements. In the event any of these assumptions are proven otherwise we reserve the right to alter the final estimated value accordingly.

PART 1 DEFINITIONS

These are the meanings of some key words and phrases used in this Policy.

1. **ATTAINED AGE** – The Issue Age plus the number of policy years since the Policy Date.

3. **CURRENCY** – All amounts payable under this Policy to or by the Company are payable in the lawful currency of Canada.
4. **DATE OF ISSUE** – The date (shown on Page 3) on which We issue the Policy to You. The Incontestability and Suicide Exclusion Provisions in Part 2 are measured from this date, however a reinstatement of this Policy will cause these time limits to run from the Date of Reinstatement.
5. **DATE OF REINSTATEMENT** – The date this Policy becomes effective again after You apply to reinstate it and meet all of Our requirements. We must approve Your application for reinstatement and advise You in writing of the Date of Reinstatement.
6. **EXPIRY DATE** – The date shown on the Policy Specifications. This Policy is not in force on or after this date.
7. **FACE AMOUNT** – The amount of insurance coverage for each policy year shown in Table A on Page 3A.
8. **INSURED** – The person whose life the Policy insures and who is named in the Policy Specifications.
9. **ISSUE AGE** – The Insured's age on the birthday nearest the Policy Date.
10. **NOTICE TO US** – Information We have received which is written, signed by You, and acceptable to Us.
11. **POLICY DATE** – The date (shown on Page 3) from which premium due dates, policy anniversaries, policy years and policy months are measured.
12. **PREMIUM CLASS** – The risk classification used in determining what premiums You pay.
13. **WE, OUR or US** – Primerica Life Insurance Company of Canada: Head Office: 6985 Financial Drive, Unit 400, Mississauga, Ontario L5N 0G3. Mailing address: P.O. Box 174, Streetsville, Ontario, L5M 2B8.
14. **YOU or YOUR** – The Owner of the Policy. Unless You tell Us otherwise, the Owner is the Insured.

PART 2 GENERAL PROVISIONS

OWNER OF POLICY – This Policy belongs to You. During the Insured's life, You have all of the rights described in this Policy. You may change the Owner by Notice to Us. Unless otherwise specified the change in owner designation is effective the date the Notice to Us is signed, subject to any payments made or actions taken by Us prior to receipt of the Notice. If You die, Your rights will pass to the contingent owner, if any. If there is no contingent owner, Your rights will pass to the Insured or to Your estate if You are the Insured.

THE CONTRACT – This Policy is issued in consideration of the application and payment of the first premium. The application, including any supplemental applications, is attached and is part of the Policy. Together, they are the entire contract. All statements in the application are deemed to be representations and not warranties.

DUPLICATE POLICY – You may request a duplicate copy of Your Policy, which will not contain a copy of the application(s), unless requested by You. A duplicate Policy request should be sent to Us at our Head Office. We will charge a fee for each duplicate Policy request.

WAIVER OR MODIFICATION – Any change to this Policy must be in writing and signed by Our Chief Executive Officer or Secretary. No agent or any other person can change or waive a requirement on any application, policy delivery receipt, or any provision of the Policy on Our behalf.

MISSTATEMENT OF AGE – If the age of any Insured has been misstated in the application, We will be liable only for the amount of insurance the premiums paid would have purchased for the correct age.

INCONTESTABILITY – We will not contest this Policy after it has been in force for two years during the Insured's life, except where there has been a misrepresentation or failure to disclose intended to mislead Us with respect to Our decision to approve Your application for insurance. Subject to the Reinstatement provisions, the two years begin on the Date of Issue or Date of Reinstatement.

SUICIDE EXCLUSION – If any Insured dies by suicide, while sane or insane, within two years of the Date of Issue or Date of Reinstatement, We are only liable for the premiums paid since the Date of Issue or Date of Reinstatement.

REPLACED COVERAGE – If individual life insurance is to be replaced as shown in the application, and has terminated: a) prior to the Insured's death, including death by suicide; and b) less than 60 days after the Date of Issue of this Policy, We will not contest the amount of the replaced coverage that would have been contestable under the former coverage had it not been replaced. If it is not possible to terminate any coverage to be replaced because of its contractual provisions within 60 days after the Date of Issue of this Policy, such 60-days period will be extended to the earliest possible date for the coverage to be terminated. For example, You are insured under another company's individual life for \$100,000 and that policy has been in force for 2 years. If this Policy replaced the other company's policy, We would not contest this Policy for up to \$100,000. We would however, be able to contest any amount over \$100,000. You will not lose the time accrued for the amount of insurance replaced due to this Policy's Incontestability and Suicide Exclusion provisions. Notwithstanding the above, We may contest the entire Policy when there has been a misrepresentation or failure to disclose intended to mislead Us with respect to Our decision to approve Your application for insurance. We have no liability 1) for any amount of group life and/or creditor insurance coverage replaced or cancelled; 2) for replaced individual life insurance where no Policy is issued and effective. This means You should not allow any coverage to be replaced to terminate before this Policy is issued and delivered to You.

NONPARTICIPATION – This Policy does not participate in Our profits or surplus and does not pay dividends.

ASSIGNMENT – You may assign Your rights under this Policy. You must give Notice to Us of the assignment. Unless otherwise specified, the assignment is effective on the date the Notice to Us is signed, subject to any payments made or actions taken by Us prior to receipt of the Notice. We are not responsible for the validity of any assignment. The interest of any Beneficiary not designated irrevocably will be subject to the rights of any assignee, unless otherwise provided by law.

PAYMENT OF PROCEEDS – Due proof of the death of the Insured must be sent to Us at Our Head Office. We must receive a certified death certificate, completed claim forms and a valid authorization for Us to obtain all medical and other records concerning the Insured. Death proceeds equal: (1) the Face Amount of this Policy as shown in Table A on Page 3A; plus (2) any rider benefits; and minus (3) any overdue premium if death occurs during a grace period.

CANCELLATION – You may cancel Your Policy at any time by sending written Notice to Us. Your Policy will be cancelled as of the date We receive the Notice, or, if stated in Your Notice, as of a later date. If this Policy is cancelled before the Expiry Date and premiums have been paid in advance, We will refund any unearned portion of the premiums paid beyond the end of the policy month in which cancellation occurred.

PART 3 BENEFICIARY PROVISIONS

BENEFICIARY – The Beneficiary's interest will end if the Beneficiary dies before the Insured. If no primary Beneficiary is living at the Insured's death, the death proceeds will be paid to any contingent Beneficiary. The proceeds will be paid to the Owner if the Insured dies and there is no primary or contingent Beneficiary. Proceeds will be paid to the Insured's estate if there is no living Beneficiary or Owner.

We may rely on a sworn statement by any responsible person to discover the identity or nonexistence of any Beneficiary not identified by name. If a Beneficiary is a partnership, We will pay the proceeds to the partnership as it is constituted at the time of the Insured's death.

CHANGE OF BENEFICIARY – You can change a Beneficiary by Notice to Us. You can only change a Beneficiary while the Insured is alive. A Beneficiary designated irrevocably on Our records may not be changed except with the written consent of that Beneficiary or by operation of law. No Beneficiary change will be effective against Us unless We receive Notice prior to paying death benefit proceeds.

PART 4 PREMIUM PROVISIONS

PREMIUM PAYMENTS – Premiums are payable to Us in advance. The first premium is due on or before delivery of this Policy and may be paid to Us through one of Our agents. Subsequent premiums must be paid to Us at Our Head Office and are due at 12, 6, 3 or 1 Policy month intervals, depending on the premium payment option You chose in the application. The premiums shown on Page 3A are for the premium payment option You chose. Premium amounts for all available payment options are on Page 3. More frequent payments result in a higher total annualized premium. You may change the premium payment option for future premium payments upon Notice to Us. Premiums are not due for any period after the Insured's death or the Expiry Date.

If a part of the total premium is no longer payable under the provisions of a Rider, the total premium will be reduced accordingly.

PREMIUMS – Premiums for this Policy will be the premiums shown on Pages 3 and 3A. Changes requested by You and approved by Us to the Face Amount or Premium Class of this Policy or the Face Amount or Premium Class of any Riders may also change Your premiums.

REFUND OF UNEARNED PREMIUM AT DEATH – If any Insured dies while this Policy is in force, the proceeds payable to the Beneficiary shall include a refund of the unearned portion of the premiums paid beyond the end of the policy month in which death occurred.

GRACE PERIOD – This Policy has a 31 day grace period. This means that except for the first premium, if a premium is not paid on or before the date it is due, it may be paid during the next 31 days. No interest will be charged for this late payment. During this 31 day period, the Policy will stay in force. If You do not pay the premium by the end of the grace period, this Policy will automatically terminate.

REINSTATEMENT – If this Policy terminates due to unpaid premiums, it may be reinstated within three years after the date the first unpaid premium was due, if prior to the Expiry Date. To be reinstated We must have each of the following: (1) evidence of insurability satisfactory to Us for all persons to be covered; (2) payment of all unpaid premiums; and (3) payment of interest on all unpaid premiums to the date of reinstatement. Interest will be at Our then current rate compounded annually. The Incontestability and Suicide Exclusion provisions of the Policy will apply to any reinstated coverage measured from the Date of Reinstatement.

Another option for reinstating this Policy is by providing evidence of insurability satisfactory to Us for all persons to be covered and payment of one month's premium. The Policy Date for the purpose of premium calculation of the reinstated policy will be adjusted based on the length of time Your policy was lapsed. Reinstatement in this manner may result in changes in insurance age(s) and premiums may increase.

PART 5 EXCHANGE PROVISIONS

EXCHANGE AT ATTAINED AGE – You may exchange this Policy at any time after it has been in force for five years to the annual increasing premium term insurance to age 100 plan described below; or the decreasing term insurance to age 100 plan described below. If the exchange is for the same class of insurance, we will not require evidence of insurability. The new plan will take effect on the exchange date and this Policy will terminate. However, the new plan's Incontestability and Suicide Exclusion Provisions will be controlled by the Date of Issue of this Policy. We will issue either revised policy specifications pages or a new policy.

RIDERS – The continuation in the new plan of any benefits provided by Rider(s) attached to this Policy which are not exchanged will be subject to the provision for continuation, if any, in each Rider. The premium for any Rider continued after exchange will be added to the premium for the new plan.

RIDER EXCHANGE AT DEATH OF INSURED – If any Insured Spouse Riders attached to this Policy are in force upon the Insured's death, they may be exchanged for a new policy in accordance with and subject to the Exchange provision in each rider except that: (a) the exchange must be made within 30 days after the Insured's death; and (b) the effective date of the new policy will be the day We receive written request for exchange. If the Insured Spouse dies before exchange takes effect and within 30 days after the Insured's death, We will pay to the Beneficiary of the Rider the insurance in force under the Rider at the Insured's death, less any overdue premium for the Rider.

TERMINAL ILLNESS ACCELERATED BENEFITS

BENEFITS

Description of Benefits – We will advance the Accelerated Benefit if You develop a Terminal Illness, subject to all of the provisions of this Benefit and the Policy. We will pay to the Owner or to his designee, upon his written direction and upon receipt of forms acceptable to Us, 40% of the Face Amount of the Policy and/or Riders, if any, not to exceed a maximum of \$250,000. This Benefit will be paid in a lump sum. An administrative fee of \$200.00 will be deducted from the death benefit. If an Insured with a Terminal Illness is covered by a Disability Waiver of Premium Rider or Spouse Disability Waiver of Premium Benefit Rider, the Accelerated Benefit advance is 70% of the Face Amount of the Policy and/or Riders, if any, not to exceed a maximum of \$400,000.

Interest will be charged for this Accelerated Benefit. Interest will be calculated at the Bank of Canada Bank Rate, increased by .25 percent, as published in the Globe and Mail, or any other successor to that publication, or a similar trade journal, on the date when payment is advanced. The interest is computed on the total of the amount advanced of Accelerated Benefit. The total interest will not exceed the maximum rate permitted by the laws of the province in which the Policy is delivered.

The Accelerated Benefit advance, administrative fee, and interest will be deducted from the death benefit proceeds when those benefits become payable. The rights of any designated beneficiary are reduced accordingly.

In order to exercise this Benefit, We must receive at Our Head Office a written Physician Statement which diagnoses Your medical condition as being a Terminal Illness, as defined herein.

We have the right to require, at Our expense, that You be examined by a Physician designated by Us in order to verify the diagnosis. We must also receive a written, notarized consent on a form provided by Us of any irrevocable Beneficiary or assignee before this option may be exercised.

This Benefit may be taxable upon receipt of the Accelerated Benefit advance.
You should consult Your personal tax advisor
prior to exercising acceptance of this Benefit.

DEFINITIONS

"We" or "Us" refers to the Company. "You" or "Your" refers to the Insured and/or the Insured Spouse and/or the Other Insured Person.

The Owner refers to the Owner of the Policy.

Physician – Physician means an individual who is licensed to practice medicine and treat illness or injury in the province in which treatment is received and who is acting within the scope of that licence. Physician does not include: 1) You; 2) the Owner; 3) a person who lives with You or the Owner; or 4) a person who is part of Your or the Owner's immediate family.

Physician Statement – A Physician Statement means a statement acceptable to Us, signed by a Physician, which 1) gives the Physician's diagnosis of Your Terminal Illness; 2) is dated the same as the date of diagnosis, with the date of diagnosis at least 14 days after the onset of the Terminal Illness; and 3) states that, with reasonable medical certainty, the Terminal Illness will result in Your death in less than 6 months from the date of the Physician Statement.

Terminal Illness – Terminal Illness is a noncorrectable medical condition that with reasonable medical certainty, will result in Your death in less than 6 months from the date of the Physician Statement.

Accelerated Benefit – An Accelerated Benefit is the advance prior to the date of Your death of 40% of the Face Amount of the Policy and/or Riders, if any, not to exceed a maximum of \$250,000. If an Insured with a Terminal Illness is covered by a Disability Waiver of Premium Rider or Spouse Disability Waiver of Premium Benefit Rider, the Accelerated Benefit advance is 70% of the Face Amount of the Policy and/or Riders, if any, not to exceed a maximum of \$400,000. The Accelerated Benefit advance, administrative fee, and interest result in the establishment of a lien in Our favour against the Face Amount of the Policy and/or Riders, if any.

GENERAL PROVISIONS

Future Premiums – The advance of an Accelerated Benefit will have no effect on the amount of future premiums, if any, required under the Policy and/or Riders, if any.

Waiver of Premium – If a Disability Waiver of Premium Benefit Rider is attached to this Policy and the Insured otherwise qualifies for that Benefit and for the Accelerated Benefit, then for purposes of the Disability Waiver of Premium Benefit Rider, the Insured will be deemed to be Totally Disabled until the final death benefit proceeds are paid.

Assignment – This Accelerated Benefit must not be legally or equitably assigned except to Us as security for the lien. We must receive an assignment form satisfactory to Us making Us assignee of this Policy for the amount of the Accelerated Benefit.

We must receive a notarized consent form from all irrevocable Beneficiaries, if any. We also reserve the right to require a consent form satisfactory to Us from a spouse, other Beneficiaries, or any other person if, in Our discretion, such person's consent is necessary to protect Our interests.

Other Conditions – The Accelerated Benefit must be requested voluntarily by the Owner. The Accelerated Benefit provides for the advance of the proceeds of the Policy normally payable at Your death. This Benefit is not meant to cause the Owner to involuntarily obtain proceeds which otherwise ultimately would be payable to the Beneficiary. Therefore, the Owner is not required to exercise this Benefit.

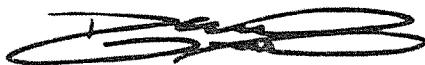

How to Apply For This Benefit – You and the Owner must apply for the advance of the Accelerated Benefit in writing, on forms acceptable to Us, and provide proof satisfactory to Us, including a Physician Statement which states that You have a Terminal Illness. We have the right to have You examined at Our expense by a Physician We choose.

Exclusion – This Benefit does not apply to any Children's Term Insurance Rider that may be attached to Your Policy.

Conformity With Provincial Statutes – If any provision of the Benefit is in conflict with the laws of the province in which You reside, the provision is automatically amended to meet the minimum requirements of such laws.

Termination – This Benefit will terminate on the earliest of the following dates: 1) the date on which Your Policy terminates; or 2) the date on which the Owner's written request to cancel this Benefit is received at Our Head Office, provided the Owner's written request is received prior to an Accelerated Benefit advance.

SPOUSE TERM INSURANCE RIDER

We have issued this Rider as a part of the Policy to which it is attached. Any payment under this Rider is subject to the provisions of this Rider and the Policy. In case of conflict between this Rider and the Policy, the provisions of this Rider will govern.

This Rider is effective at 12:01 A.M. on the Rider Date of Issue.

BENEFIT

We will pay the Rider Face Amount, in a lump sum, to the Beneficiary of this Rider upon receiving due proof that the Insured Spouse died before the Rider Expiry Date and while this Rider was in force.

DEFINITIONS

These are some key words used in this Rider.

BENEFICIARY – The person(s) to whom the Rider proceeds are payable upon the death of the Insured Spouse. Unless otherwise stated in the application or later changed (See Change of Beneficiary Provision, below), the Beneficiary of this Rider will be the Insured, if living; otherwise the estate of the Insured Spouse. If the Beneficiary is a partnership, We will pay the Rider proceeds to the partnership as it is constituted at the time of the Insured Spouse's death.

CURRENCY – All amounts payable under this Rider to or by the Company are payable in the lawful currency of Canada.

INSURED – The person whose life the Policy insures and who is named in the Policy Specifications.

INSURED SPOUSE – The person whose life this Rider insures. This person is the spouse of the Insured and is named in the Rider Specifications.

NOTICE TO US – Information We have received which is written, signed by You and acceptable to Us.

PREMIUM CLASS – The risk classification used in determining what premiums You pay.

RIDER ATTAINED AGE – The Insured Spouse's Rider Issue Age plus the number of Rider years since the Rider Date.

RIDER DATE – The date (shown on Rider Page 3) from which Rider anniversaries, Rider years and Rider months are measured.

RIDER DATE OF ISSUE – The date (shown on Rider Page 3) on which We issue the Rider to You. The Incontestability and Suicide Exclusion Provisions below are measured from this date, however, a reinstatement will cause these time limits to run from the Rider Date of Reinstatement.

RIDER DATE OF REINSTATEMENT – The date of this Rider becomes effective again after You apply to reinstate it and meet all of Our requirements. We must approve Your application for reinstatement and advise You in writing of the Rider Date of Reinstatement.

RIDER EXPIRY DATE – The date shown on Rider Page 3. This Rider is not in force on or after this date.

RIDER FACE AMOUNT – The amount for each Rider year which is shown in Table A on Rider Page 3A.

RIDER ISSUE AGE – The Insured Spouse's age on the birthday nearest the Rider Date.

WE, OUR or US – Primerica Life Insurance Company of Canada.

YOU or YOUR – The Owner of the Policy. Unless You tell Us Otherwise, the Owner is the Insured.

GENERAL PROVISIONS

CONSIDERATION – This Rider is issued in consideration of: (1) the application for this Rider, a copy of which is attached to the Policy; and (2) payment of the first premium for this Rider.

PREMIUM PAYMENTS – Premiums for this Rider are payable in addition to, but under the same terms and conditions as, the premiums for the Policy. The premiums shown on Rider Page 3A are for the premium payment option You chose. Total premium amounts for all available payment options are on Page 3 of the policy. More frequent payments result in a higher total annualized premium. You may change the premium payment option for future premium payments upon acceptable Notice to Us. The premium payment option for this Rider must be the same premium payment option as the Policy. Premiums are not due for any period after the Insured's death, the Rider Expiry Date or when this Rider terminates.

PREMIUMS – Premiums for this Rider will be the premiums shown on Rider Pages 3 and 3A. Changes requested by You and approved by Us to the Face Amount or Premium Class of the Policy or the Face Amount or Premium Class of any Riders may also change Your premiums.

MISSTATEMENT OF AGE – If the age of the Insured Spouse has been misstated in the application, We will be liable only for the amount of insurance the premiums paid would have purchased for the correct age.

INCONTESTABILITY – We will not contest this Rider after it has been in force for two years during the Insured Spouse's life, except where there has been a misrepresentation or failure to disclose intended to mislead Us with respect to Our decision to approve Your application for insurance. Subject to the Reinstatement provisions, the two years begin on the Rider Date of Issue or Rider Date of Reinstatement.

SUICIDE EXCLUSION – If the Insured Spouse dies by suicide, while sane or insane, within two years of the Rider Date of Issue or Rider Date of Reinstatement, We are only liable for the premiums paid.

REPLACED COVERAGE – If individual life insurance is to be replaced as shown in the application, and has terminated: a) prior to the Insured Spouse's death, including death by suicide; and b) less than 60 days after the Rider Date of Issue of this Policy, We will not contest the amount of the replaced coverage that would not have been contestable under the former coverage had it not been replaced. If it is not possible to terminate any coverage to be replaced because of its contractual provisions within 60 days after the Rider Date of Issue of this Policy, such 60-days period will be extended to the earliest possible date for the coverage to be terminated. For example, You are insured under another company's individual life for \$100,000 and that policy has been in force for 2 years. If this Rider replaced the other company's policy, We would not contest this Rider for up to \$100,000. We would however, be able to contest any amount over \$100,000. You will not lose the time accrued for the amount of insurance replaced due to this Rider's Incontestability and Suicide Exclusion provisions. Notwithstanding the above, We may contest the entire Policy when there has been a misrepresentation or failure to disclose intended to mislead Us with respect to Our decision to approve Your application for insurance. We have no liability 1) for any amount of group life and/or creditor insurance coverage replaced or cancelled; 2) for replaced individual life insurance where no Policy is issued and effective. This means you should not allow any coverage to be replaced to terminate before this Rider is issued and delivered to You.

NONPARTICIPATION – This Rider does not participate in Our profits or surplus and does not pay dividends.

PAYMENT OF PROCEEDS – Due proof of the death of the Insured Spouse must be sent to Us at Our Head Office. We must receive a certified death certificate, completed claim forms and a valid authorization for Us to obtain all medical and other records concerning the Insured Spouse. Death proceeds equal: (1) the Rider Face Amount; minus (2) any overdue premium for the Policy and any Riders if the Insured Spouse's death occurs during a grace period.

CHANGE OF BENEFICIARY – You may change a Beneficiary by Notice to Us. You may only change a Beneficiary while the Insured Spouse is alive. A Beneficiary designated irrevocably on Our records may not be changed except with the written consent of that Beneficiary or by operation of law. No Beneficiary change will be effective as against Us unless We receive Notice prior to paying death benefit proceeds.

TERMINATION – This Rider shall terminate and no longer be in force: (1) if any premium remains unpaid after the end of the grace period; (2) if the Policy terminates (subject to the Exchange at Death of Insured Provision) or is continued under a nonforfeiture provision, if any; (3) if this Rider is exchanged to a new policy; (4) on and after the Rider Expiry Date; or (5) on and after the date You cancel it.

CANCELLATION – You may cancel this Rider at any time by sending written Notice to Us. Your Rider will be cancelled as of the date We receive the Notice, or, if stated in the Notice, as of a later date. If this Rider is cancelled before the Rider Expiry Date and premiums have been paid in advance, We will refund any unearned portion of the premiums paid beyond the end of the Rider month in which cancellation occurred.

EXCHANGE PROVISION – You may exchange this Rider at any time after it has been in force for five years to the annual increasing premium term insurance to age 100 plan described in the Policy; or the Decreasing Term Insurance to Age 100 plan described in the Policy. The new plan will be issued at the Attained Age on the exchange date based on the same Premium Class shown on Rider Page 3. We will not require evidence of insurability. The new plan will take effect on the exchange date and this Rider will terminate. However, the new plan's Incontestability and Suicide Exclusion Provisions will be controlled by the Rider Date of Issue. We will issue either revised specifications pages or a new policy.

INCREASING BENEFIT RIDER ON INSURED

PREMIUMS ARE GUARANTEED

We have issued this Rider as a part of the Policy to which it is attached. Any payment under this Rider is subject to the provisions of this Rider and the Policy. In case of conflict between this Rider and the Policy, the Rider provisions will control.

This Rider becomes effective at 12:01 A.M. on the Date of Issue as indicated on Rider Page 3.

BENEFIT

The Rider Face Amounts shown on Rider Page 3A will automatically become effective at the beginning of each rider year as determined by the Rider Date shown on Rider Page 3, unless declined by You with written notice in advance of the increase effective date. If any increase is ever declined by You, all future increases will be forfeited. In addition, if the Base Coverage to which this Rider applies is decreased, all future increases under this Rider will be forfeited.

If an automatic increase is declined, coverage will remain level for the remaining period of the Rider for the amount of insurance in force under this Rider prior to the declination of increased coverage.

DEFINITIONS

These are some key words used in this Rider.

BASE COVERAGE – The original Policy and amount of insurance on the Primary Insured.

BENEFICIARY – Unless otherwise stated in the application or by Notice to Us, the Beneficiary of this Rider will be the same as the Beneficiary of the Policy. The Beneficiary Provisions of the Policy shall apply to this Rider.

RIDER DATE OF ISSUE – The date shown on Rider Page 3 on which We issue the Rider to You. This date controls the Incontestability and Suicide Exclusion provisions shown below.

RIDER EXPIRY DATE – This date is shown on Rider Page 3. This Rider is no longer in force on and after that date.

RIDER FACE AMOUNT – The Rider Face Amount is shown on Rider Pages 3 and 3A.

GENERAL PROVISIONS

CONSIDERATION – This Rider is issued in consideration of the application for this Rider, a copy of which is attached to the Policy.

PREMIUM PAYMENTS – Premiums for this Rider are payable in addition to, but under the same terms and conditions as, the premiums for the Policy. The premiums shown on Rider Page 3A are for the premium payment option You chose. Total premium amounts for all available payment options are on Page 3 of the policy. More frequent payments result in a higher total annualized premium. You may change the premium payment option for future premium payments upon acceptable Notice to Us. The premium payment option for this Rider must be the same premium payment option as the Policy. Premiums are not due for any period after the Insured's death, the Rider Expiry Date or when this Rider terminates.

If a scheduled increase in the Rider Face Amount is declined, the rider premium will remain the same as in the year prior to such declination until the end of rider year 20.

PREMIUMS – Premiums for this Rider will be the premiums shown on Rider Pages 3 and 3A. Changes requested by You and approved by Us to the Face Amount or Premium Class of the Policy or the Face Amount or Premium Class of any Riders may also change Your premiums.

INCO...ESTABILITY – We will not contest this Rider after it has been in force for two years during the Insured's life, except where there has been a misrepresentation or failure to disclose intended to mislead Us with respect to Our decision to approve the application for insurance. Subject to the Reinstatement provisions, the two years begin on the Rider Date of Issue or Date of Reinstatement.

SUICIDE EXCLUSION – If the Insured dies by suicide within two years of the Rider Date of Issue or Rider Date of Reinstatement, Our only liability under this Rider will be for the amount of premiums paid for it.

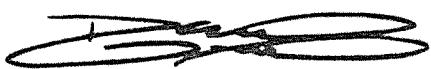

MISSTATEMENT OF AGE – If the age of the Insured has been misstated in the application, We will be liable only for the amount of insurance the premiums paid for this Rider would have purchased for the correct age.

NONPARTICIPATION – This Rider does not participate in Our profits or surplus and does not pay dividends.

TERMINATION – This Rider shall terminate and no longer be in force: (1) if any premium remains unpaid after the end of the grace period; (2) if the Policy terminates or is continued under a nonforfeiture provision, if any; (3) if the Policy is exchanged for a new plan of insurance; (4) on and after the Rider Expiry Date; or (5) on and after the date as of which You cancel it.

CANCELLATION – Upon written request by the Owner of the Policy, this Rider may be cancelled on any premium due date.

My name is (full legal name) Serafina Ferrante

I live in (municipality & province) Regional Municipality of Peel, Province of Ontario

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the Applicant in this court action and as such have knowledge of the matters hereinafter deposed, except where stated to be on information, in which case, I believe such information to be true.

2. I have read over the Affidavit of the Respondent sworn, November 30, 2022.

3. There is no room or need to respond to the merits of the Separation Agreement or the Respondent's arguments with respect to the mortgage amounts, as these matters do not in any manner deal with the Notice of Motion and my various requests.

4. The matters of the validity of the Separation Agreement and the extension of mortgages are for other court appearances.
5. I deny each and every allegation in the Respondent's sworn Affidavit unless otherwise admitted to.
6. I agree with the first part of paragraph 21, where the Respondent is in fact "asking the court to order table child support". I accept the Respondent's request to order child support.
7. The table amount must be based on his income from all sources, including line 150 and income earned based on sections 15 & 19 of the *Child Support Guidelines*.
8. It is not the problem of myself as to the rising interest rates and pursuant to paragraph 26, I agree that the Respondent will "happily pay table amount of child support".
9. Child support for Luca is being paid at \$250.00 per month to myself. Although I have seen no proof, I understand Luca has received a further \$200.00 deposited into Luca's bank account for 3 months only, September, October, November, 2022.
10. Attached hereto as **Exhibit "A"** is a fourth Request for Information dated November 24, 2022 which once again for the fourth time, has been ignored by the Respondent to actually confirm the table amount of the Respondent for support purposes.
11. The Respondent once again, refuses to answer any Requests for Information or to attend questioning.
12. I believe there should be an adverse inference against the Respondent and my evidence should be believed in its entirety.
13. I will allow the Respondent to produce to the court by way of caselines, his bank statements proving deposits or etransfers to Luca's bank account of \$450.00/month by 25 months for a total of \$11,250.00.

14. This is simply a total mistruth without proper backup. In any event, the \$250.00 has never been paid to me. The Respondent apparently deposited the \$200.00 into Luca's bank account and he can easily bring to his lawyer, the bank statements evidencing the \$200.00 paid directly to Luca's bank account for the other 21 months.
15. If the Respondent does not bring the other 21 months of bank statements for the period evidencing bank transfers to Luca's bank account, his Affidavit should not be believed and my Affidavit should be the only one accepted for this motion.
16. With respect to paragraph 28 of the Respondent's sworn Affidavit, I am at a loss that the Respondent states he "works for free" and in addition, he states he gives Luca 50% of the income he earns from the snow plowing contract.
17. Luca works snow plowing under his father during the winter and since I've never seen the snow plowing contract that is mentioned in paragraph 28 of the Respondent's Affidavit or in the Respondent's Income Tax Returns for 2019, 2020 and 2021, I believe he may be making more income than what he actually makes.
18. The Respondent has not provided an up to date sworn Financial Statement either, as provided by the Rules.
19. The Respondent confirms the income he makes for snow plowing is part of line 150 but fails to produce his income tax returns for 2019, 2020 and 2021, to evidence the proper child support based on section 15 & 19 of the *Child Support Guidelines*.
20. There is no mention or no denial in the Respondent's Affidavit that he has his sister and sister's child living in the basement and of course, there should be imputed income, as there is no mention of payment of rental income in the Respondent's sworn Financial Statement.
21. I am entitled to a fair imputed income plus gross up to be included in the Respondent's income.

22. Page 16 of my Affidavit, sworn November 14, 2022, being the pages of the Respondent's sworn Financial Statement, confirms the Respondent's spouse earns \$72,000.00 per year and contributed \$30,000.00 towards household expenses.
23. I should be getting at least child support based on the minimum first scenario amount on a without prejudice basis, temporary Order, less any amounts the Respondent says he has admitted he has paid.
24. My lawyer has asked for reasonable dates for questioning but has been turned down or given dates far too long, with no valid excuses. I am asking the court for a date for questioning, at least three weeks before the Respondent's return motion for mortgage renewal, but the Respondent's lawyer refuses to make herself available.
25. I am asking the date to make a date for questioning before January 5th, 2023 as part of my relief found at paragraph 7 of my Notice of Motion.
26. I make this Affidavit in reply to the Affidavit of the Respondent, sworn November 30, 2022 and for no improper purpose.

and I affirm that the following is true:

1. I am the Respondent and as such I have knowledge of the matters herein deposed. When my knowledge is based on information and belief, I have identified the source of the information and I believe in the truth of the information.
2. I rely on the information in the 14B motion form, in the section asking, "Why the Court should make the Order I seek".
3. On the date of separation, and at the date of signing the Separation Agreement, there was only \$71,499.58 in equity, making our equal shares worth: \$35,749.79
4. In my affidavit of November 30, 2022, I set out the debts owing on October 4, 2019.
5. On December 23, 2022, Jason Tetrault wrote to my lawyer, advising of the consequences of the mortgage going into default on January 1, 2023.
Attached and marked Exhibit A is a true copy of the email correspondence from Jason Tetrault, of Effort Trust, plus excerpts of the 2021 mortgage renewal.
6. The Separation Agreement required Serafina to remove her name in 2021, but at that point, Serafina wanted to capitalize on the increased property prices during 2020. Serafina refused to remove her name from the mortgage, so we had no choice but to renew for one term.
7. In 2022, Serafina brought this Application. To date, she has not brought a motion for partition and sale. The reason I believe is that Serafina is looking only for more money, than was agreed to in the Separation Agreement.

dated December 29, 2022

8. That is one issue that can be decided but it does not have to be decided at the expense of the Property going into foreclosure, which will happen starting January 1, 2023.
9. I have waited until this point to give Serafina every opportunity to deal with this mortgage, and abide by the Separation Agreement. She has not.
10. The email from Jason Tetrault makes it clear that on January 1, 2023, Effort Trust will commence foreclosure proceedings, and that will be costly to both of us. Neither myself, nor Serafina have the money to lose.
11. I am asking the Court to stop the financial bleeding, so that I can deal with this mortgage without Serafina, as per the Separation Agreement negotiated in 2019.
12. I am relying on the affidavits previously filed.
13. I was questioned on December 15, 2022, and during that questioning, under oath, I answered to David Pomer's questions including the amount of the mortgage on the Property. I pointed out that Serafina was always remortgaging the Property during the marriage, because she had uncontrolled spending. I question who else has a mortgage of 80% of the value of their home after 18 years owning the house.
14. We have **never been able to get ahead** and now Serafina wants to destroy what is left, which is nothing.
15. I am asking the Court to stop this destruction from occurring and I make this affidavit in support of my motion and for no other or improper purpose.

Margaret Osadet (Dec 29, 2022 09:45 EST)

Rino, As you are aware, the mortgage Effort Trust has between you and Serafina expired on October 1st, 2022. Based on the correspondence below dated October 5th and subsequently the response I received from Serafina's lawyer dated October 6th, I can not renew the mortgage as I do not have consensus between the two parties to allow the additional 6 month renewal. I tried to leave some additional time for you, Serafina and your legal teams to work out the issues and I also came down with COVID unfortunately that set me back 2 weeks so that is the reason for the delay in getting back with you. I have not received any additional correspondence from your legal teams regarding to the court order and any amendments or advise from the Justice regarding the interpretation of the renewal. That said, the mortgage remains expired effective October 1st, 2022 at the same open rate issued to you back in April 2022. Therefore no penalties apply to you and Serafina if the mortgage would be paid out. Mr. Pomer, Serafina's Solicitor has made it clear that he will not consent to an additional renewal via his correspondence below and further to our conversations today regarding this issue. Seeing as the mortgage can not be renewed I require the mortgage to be paid out in full. I can extend the terms under the current mortgage to January 1st, 2023 giving you more than 30 days to pay out the mortgage in full. I will not correspond further regarding this issue as the current legal proceedings are not in my purview nor can I provide any expert advise in these proceedings between you and your spouse. Please reach out to me if you need any documentation to help facilitate the pay out of this mortgage. Thank you and be well.

Subject: RE: FERRANTE & Effort Trust Mortgage Renewal Agreement #108473

Jason,

There is a current court order that allows for only one option only for Mr. Ferrante. Based on the court order of Justice Barnes, there is no ability by either lawyer to have a second renewal. Therefore until the court order is changed, no party can obtain a further extension and by renewing the Mortgage at this time, Effort Trust would be breaching a court Order and subject to a fine and a civil case against Effort trust

Importance: High

Serafina & Rino,

Thank you for the recent correspondence from each of you. As per our discussions, I interpret the court decision as being a renewal for no more than 1 year. Seeing as I do not offer a 1 year OPEN renewal product (only 6 months OPEN), I believe that I can renew the mortgage one more time into a 6 month open mortgage that would equal 1 year in total renewals. That said, I would not move to renew this mortgage without the consensus of you, your lawyer, Rino and his lawyer and the judge if required. I'm not the legal expert and would defer to your lawyers for that advise. As we discussed, I need the mortgage renewed or paid out in full on the maturity date. I can work with you both for a while in order to answer the question as to if I can renew the mortgage one more time into a 6 month open term. I would ask that you give me the direction I need to ensure that Effort Trust is on side with the court decision as well as you both for the additional 6 month open term. I have the signed documents on hand from Rino waiting to be renewed. Thank you to you both in advance. I look forward to hearing from you both as soon as possible. Thank you and be well.

Sincerely,

Good afternoon Jason,

Attached is the court order from Justin Barnes, stating it's only on a one time basis, kindly advise your position in writing if you are going to renew the mortgage with Rino Ferrante's signature only?

Thank you,

Serafina Ferrante

Rino/Serafina; As per my correspondence with Rino Ferrante today, Please see the attached mortgage renewal agreement. As you are aware, your current 6 month open term will expire on October 1st, 2022. I have offered an additional 6 month open term at the same open rate as you have currently. If you choose to renew this mortgage, it would be the second 6 month open term. Therefore, I believe that pursuant to the court order of Justice Barnes, I will not be able to extend another renewal when this mortgage renewal expires on April 1st, 2023. Please return the signed renewal agreement to me as soon as possible. Otherwise the mortgage is due in full on October 1st, 2022. Please contact me if you have any questions. Thank you and be well.

Margaret, Thank you for your e-mail and taking my call this afternoon. As we discussed, both Serafina and Rino signed the April 1st, 2021 mortgage renewal agreement. My recollection of the events around the time of the 2021 renewal are that I facilitated the renewal between Serafina and Rino. I believe that I sent a copy of the renewal agreement to Rino and then sent Rino's signed copy of Serafina so as to obtain both signatures on the same renewal agreement. Please see the attached agreement. I searched my records for any correspondence that I may have regarding those events. Unfortunately I can not extract any from that time. I do recall having several phone conversations with both parties outlining the process to renew and the ramifications associated with not signing the renewal agreement. That all said, there is a pending deadline of January 1st, 2022 for this mortgage to be paid out or renewed. If neither occurs, then the file will be sent to our legal council and the demand process and subsequent POS will begin. The legal path does not benefit Rino, Serafina or Effort Trust and I would recommend trying to achieve a resolution to whatever the issues are. All legal fees will be the responsibility of Rino and Serafina.

Thank you, be well and happy holidays.

My name is (*full legal name*) Serafina Ferrante

I live in (*municipality & province*) Regional Municipality of Peel, Province of Ontario

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the Applicant in this matter and as such have knowledge of the matters hereinafter deposed, except where stated to be on information, in which case I believe such information to be true.
2. I deny each and every allegation in the Respondent's Affidavit sworn Thursday December 29, 2022, unless expressly admitted.

Background

3. This is an emergency Motion brought on substantially the same issue, as there is existing Motion before the Courts to be heard on January 19, 2023, on the same major issue, being the renewal of the existing mortgage. Attached hereto as Exhibit "A" is a copy of the Notice of Motion before the Courts, dated September 15, 2022.

4. It is submitted that the Respondent is breaching existing Court orders which will deny the hearing of the Motion, and notwithstanding, the Respondent, and the Respondent's lawyer are attempting to circumvent and breach existing Court orders as outlined herein.
5. The Respondent has well been aware of the maturity date of the mortgage and has at the last minute, attempted to have the case settled by way of Affidavit, breaching and flagrantly attempting to breach the existing Court Order.
6. The Applicant's Solicitor was only advised on Friday December 30, 2022, at 4:37 pm that the Motion would be heard the next day back on January 3, 2023.
7. The respondent knew that the family law departments and its staff would be closed the last week in December 2022, so as to take advantage of my staff being away.
8. The current Notice of Motion, dated December 29, 2022, brought by the Respondent asks the Court to deal with only one Motion:
An order permitting Rino Ferrante, to re-mortgage the property located at 58 Harvest Moon Drive, Bolton, Ontario, on the terms set out on the Mortgage Offer from Ferra Construction.
9. Justice McSweeney made an Order dated September 23, 2022, based on my Solicitors submissions, and not allow for more material. Attached hereto as Exhibit "B" is a copy of the order of Justice McSweeney.
10. The following paragraphs that are in flagrant violation of Justice McSweeney's endorsement.
11. Paragraph 6 of the Order reads that neither party may add to their relief sought on the adjournment Motion, by way of additional Motion or cross Motion, and the Respondents emergency Motion is the additional motion being breached the Respondent.
12. Paragraph 7 of the Order reads that neither party shall add to the relief sought on the adjournment Motion by way of an additional Motion or cross Motion.
13. The Client Service Representative of the Superior Court of Justice Brampton, notified on December 29, 2022, that all urgent Motions require a Draft Order.
14. Attached hereto as Exhibit "C" is an email dated Thursday December 29, 2022, at 4:03pm.
15. At 4:42pm, on Thursday December 29, 2022, Ms. Osadet provided a copy of the Draft Order.

16. Attached hereto as **Exhibit "D"** is a copy of the Draft Order.
17. Paragraph 1 and the only remedy advanced by the Respondent other than costs is outlined in the Draft Order:
That the Respondent may accept, a deal with the Mortgage, without the signature of Serafina Ferrante, the Applicant including, renewing the Effort Trust, and pricing a new mortgage.
18. Paragraph 11 of the Draft Order is in direct contravention of the Order by Justice McSweeney dated September 23, 2022, Paragraphs 6 and 7.
19. Ms. Osadet and her client should be totally sanctioned in a joint and sever basis for breaching the order, and costs awarded on a substantial indemnity basis.
20. The relief set out in the Draft order, totally breaches Justice McSweeney's order if the relief requested in the Draft Order is granted.
21. The Affidavit sworn December 29, 2022, by the Respondent further breaches the Court Order of Justice McSweeney, paragraph 6, by adding in their Motion materials.
22. There was an endorsement of Justice Barnes of February 25, 2022, granted that the said renewal shall be for a period not exceeding 12 months and renewal shall be for an open mortgage. Attached hereto as **Exhibit "E"** is a copy of the endorsement of Justice Barnes.
23. The Respondent was well aware of the seriousness and urgent nature of the mortgage maturity for over one year.
24. The relief with respect to the validity of the Separation Agreement was to be determined in the ordinary course; not decided in a Motion, and the rest of the issues would be a triable matter, and not to be heard on a Motion.
25. Further, and most importantly, paragraph 1(d) of Justice Barnes orders,
No further Motions shall be brought on this matter without Leave of the Court.
26. Counsel for the Respondent in bringing an emergency Motion has not obtained Leave of this Honourable Court and has therefore breached the existing order of the Court and should not be granted the opportunity to bring a Motion.

Summary

27. This Motion is scheduled and being heard on January 19, 2023.
28. This Motion for renewing the existing mortgage and obtaining a new mortgage was to be heard on September 23, 2022.
29. Due to the Respondents Solicitor indicating she may have uploaded their materials to the wrong bundle, an adjournment was granted by Justice McSweeney to January 19, 2022, where it was ordered that neither party may adjust their Motion materials filed for the return of the Motion, and neither party shall add to the relief sought on the adjourned Motion, by way of an adjourned Motion or cross Motion.
30. The Respondents Solicitor and the Respondent has breached the endorsement of Justice McSweeney in two separate ways.
31. In addition, Justice Barnes order of February 25, 2022, has also been breached, by Justice Barnes granting on a one-time basis only, and only with respect to the March 1, 2022, renewal.
32. The motions for the renewal of the mortgage heard February 25, 2022, was deemed an urgent Motion but today's Motion cannot also be classified as a urgent Motion because the maturity of the mortgage and the one-time renewal was foreseeable by the Court, and both the Applicant and Respondent in addition.
33. The Court ordered that no further Motion should be brought in this matter without Leave of the Court.

Applicant's Need for Late Filing of Motion Materials.

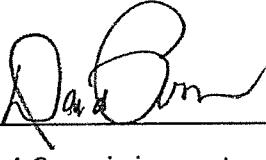

34. The Respondent brought an emergency Motion during the last week before the end of 2022.
35. The Respondent's Lawyer has been advised that the family law department would be closed on or about December 22, 2022.
37. The Respondent's Motion Material was finally filed on Friday December 30, and the Applicant's Solicitor could not file the responding material with the Courts as the Court was closed at 5:00pm, on December 30, 2022, and responding material had to be prepared and filed.

38. The Applicant requests, pursuant to the Rules, that the Applicant should be allowed to file her responding Affidavit materials before the Motion can be heard.

39. The Respondent's Solicitor in contravention of the existing Court Orders, allows for relief sought for.

Order to go in accordance with minutes of settlement or consent filed.

ENDORSEMENT

1. This family law motion brought by the Respondent/father was set for 59 minutes today on the regular motion list.
2. At no time prior to the start of court was the Court able to access the materials which the parties' counsel advised had been uploaded to Caselines. Ultimately Ms. Osadet indicated she may have uploaded materials to the wrong bundle, being a Case Conference bundle, such that the bundles for the Motion today, which were available to the assigned motion judge, were empty.

Adjournment ordered:

3. In the result the motion could not proceed and must be adjourned accordingly.

Settlement discussions generally encouraged:

4. I urged the parties, and their counsel, to use the interim time prior to return of the rescheduled motion to consider options for resolution of the motion issue (mortgage renewal terms) without the need for judicial adjudication of this discreet step.

Next scheduled steps:

5. Respondent's motion is adjourned to January 19th, 2023 at 10 am.
6. Neither party may add to their motion materials filed for return of motion today, with the exception of notices of confirmation to be filed per the practice direction; an also updated draft orders and cost outlines which shall made available to the motion judge on request.
7. Neither party shall add to the relief sought on the adjourned motion, by way of additional motion or cross-motion.
8. A settlement conference has now been booked for May 25, 2023 at 2:15pm. SETTLEMENT CONFERENCES PRESUMPTIVELY TAKE PLACE IN PERSON.
9. Parties are directed to review and comply with applicable filing requirements pursuant to Notices to the Profession and practice directions of the SCJ and the Central West Region.

Costs:

10. I invited submissions on costs thrown away today, and heard counsel's submissions.
11. I have considered those submissions and circumstances of today. I note that neither party's materials, although allegedly uploaded to Caselines as required, were available for review by the motions judge before the motion. The parties both having contributed to the time spent in court today unproductively, I make no order as to costs.

proceed to the case management conference scheduled for April 25, 2022.

- d) No further motion shall be brought in this matter without leave of the court.

Overview

[2] The Respondent sought certain relief in his urgent motion. The parties are separated. The premise of the Respondent's urgent motion is that the mortgage on the matrimonial home may fall into default if the mortgage was not renewed on March 1, 2022.

[3] During the hearing, the Applicant disclosed a document provided by the Respondent that indicated that in the event of a failure to renew on March 1, 2022, the lender would not commence any legal proceedings until April 30, 2022. I conclude however, that with a case conference scheduled for April 25, 2022, the issues in the litigation will not conclude in sufficient time to resolve whether or not the mortgage should be renewed.

[4] The parties' dispute is founded on differing interpretations of a Separation Agreement the parties entered into. The Respondent seeks certain orders premised on the

validity of the Separation Agreement. The Applicant challenges the validity of the Separation Agreement and hence the relief the Respondent seeks. In addition, or in the alternative, the Applicant alleges that the Respondent is in violation of the Separation Agreement and is not entitled to any of the relief he seeks.

[5] The order I have made preserves the interest of each party in the matrimonial home without prejudice to either party's legal interests. This order is not a determination of the issues raised in the Respondent's notice of motion. It is interim in nature in the manner previously described.

Costs

[6] Neither party was successful on this motion. The Respondent was unsuccessful in his attempt to have the issues adjudicated on a final basis on this motion. The Applicant was unsuccessful in her attempt to prevent the March 1, 2022, renewal of the mortgage. No costs are awarded to either party.

My name is

I live in

and I affirm that the following is true:

1. I am the Respondent and as such I have knowledge of the matters herein deposed. When my knowledge is based on information and belief, I have identified the source of the information and I believe in the truth of the information.
2. I honestly believe that I am in compliance with all Orders of this Honourable Court.
3. I have sought a decision on an urgent motion based solely on the fact that Effort Trust Mortgage, has advised, both myself and Serafina as of January 1, 2023, the mortgage will be referred to default proceedings.
4. It is now January 3, 2022.
5. Effort Trust's position is outlined in the email dated November 21, 2022, delivered to myself, Serafina and our lawyers. The mortgage expired in or around October 2022, and there remains no mortgage contract in place.
6. I continue to make payments under the expired mortgage
7. The relief I am seeking is the same in my Notice of Motion dated September 15, 2022.
8. In January 2022 when I first encountered Mr. Pomer, he accused me of "playing games". Mr. Pomer went on to say, "I know how to play games too".
9. I testified under oath to this fact, on December 15, 2022 in response to a question posed to me by Mr. Pomer.

dated January 3, 2023

10. I repeat and rely on the convertible and uncontradicted evidence that, "On the date of separation, and at the date of signing the Separation Agreement, there was only \$71,499.58 in equity, making our equal shares worth: **\$35,749.79**".
11. Under the separation agreement, Serafina received more than her calculated share.
12. I am being extorted, or at least that is how it feels to me.
13. Our marriage ended because there was never enough money. After 18 years in my home, I have a mortgage of \$800,000 on a \$1,000,000 home, because Serafina has uncontrolled spending.
14. I have gone broke paying ridiculous interest rates, and for what? So Serafina can make me pay her more than agreed to in the Separation Agreement.
15. Serafina believes in the truth of the Separation Agreement and that is why no motion to sell the Property has ever been brought.
16. I am asking the Court to stop this destruction from occurring and I make this affidavit in support of my motion and for no other or improper purpose.

and I affirm that the following is true:

1. I am writing this affidavit to update the Court on my financial situation.
2. I continue to be a T4 employee for two Corporations:
 - a. Tubro Contracting Ltd (\$111,909.50), and,
 - b. Verde Property Maintenance (\$18,384.00).
3. Last year for 2022, I earned gross total income of **\$130,293.50**

Attached and marked Exhibit A are my T4s and most recent pay stubs

Mortgage and debt payments

4. As a result of the Applicant refusing to complete the contractual obligations in our separation agreement, dated **4 October 2019**, I have paid high interest rates on the mortgage for more than one year, as well as all the debt accumulated during the marriage.
5. During April 2022 to March 2023, I paid a monthly mortgage amount of **\$4,600.00**
6. I paid this amount because the Applicant would not consent to me remortgaging the Property and the first mortgage expired.
7. I have brought two motions to prevent foreclosure my house.
8. On January 3, 2023, Justice Stribopoulos sent an endorsement to counsel for the Applicant and my counsel.
9. The email address to my lawyer was entered incorrectly and the Court did not correct its error.
10. The lawyer for the Applicant and the Applicant knowing they had the Endorsement of Justice Stribopoulos did not reveal that to either me, my lawyer, OR Jason Tetrault the mortgage broker.
11. Despite the mortgage broker contacting Serafina Ferrante she stayed quiet and allowed the property to go into foreclosure.
12. There were additionally penalties as a result of Serafina Ferrante and her lawyer, David Pomer lacking the integrity to advise anyone of the Order.
13. I believe that Serafina and her lawyer, think it's funny, but it cost me a LOT of money in penalties and interest, which I will now have to pay off, as these fees were incorporated into my new mortgage.
14. I am preparing a spreadsheet of the additional costs that I have incurred as a result of the Applicant's breach of contract.
15. I will not settle this matter without my costs being recouped by the Applicant, so in that view, the matter is going to trial.

Justice Dalley order re child support

16. Justice Dalley chose to give no weight to the factual matrix underpinning this litigation the child support, or the other ways in which I support my son, and put money into his hands.
17. I can do nothing about that except pay as I can, and towards costs, I make a payment monthly to Serafina, the

dated 23 May 2023

applicant.

18. I will start paying child support as soon as I receive contact from FRO. I no longer trust the Applicant.

19. I make this affidavit to update the Court regarding my financial situation.

My name is (full legal name) Serafina Ferrante

I live in (municipality & province) Regional Municipality of Peel, Province of Ontario

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the Applicant in this court action and as such have knowledge of the matters hereinafter deposited, except where stated to be on information, in which case, I believe such information to be true.
2. A settlement conference was held on May 29, 2023 before Madam Justice McSweeney. An Endorsement was made and the court Order was signed on June 20, 2023 as attached hereto as **Exhibit "A"**.
3. I am advised by my solicitor, David Pomer and verily believe that his office immediately provided a copy of the signed Order of Justice McSweeney to the Respondent's solicitor on June 21, 2023, by email, as attached hereto as **Exhibit "B"**.

Respondent's Breach of the Order of Justice McSweeney

4. I am advised by my solicitor, that pursuant to the Order of Justice McSweeney, the Respondent has breached the following terms of the Order:
- (a) Paragraph 3 - the Respondent has refused to provide the disclosure ordered by Justice Stribopoulos by June 2, 2023, as attached hereto as **Exhibit "C"**, and in particular, paragraph 5 of the Order to issue, wherein:
- "the Respondent shall disclose to the Applicant, within 14 days of entering into a new mortgage agreement, a copy of any mortgage agreement entered, and a copy of any reporting letters provided by the lawyer or lawyers who handle the mortgage transactions, including a full accounting of any mortgage proceeds received and how they were disbursed".*
- (b) I am unable to confirm that the Respondent complied with the terms of renewing the mortgage pursuant to paragraphs 3 and 4 of the Order to issue of Justice Stribopoulos, as I have not been provided any documentation from the Respondent or his solicitor.
- (c) Paragraph 8 - the Respondent has refused to pay the court ordered costs in the amount of \$1,000.00. that was to be paid by June 6, 2023.
- (d) Paragraph 2 - the Respondent has refused to provide complete financial disclosure and certificate of same. The Respondent has not provided an up to date sworn Financial Statement with all supporting documentation or Net Family Property Statement as ordered by July 31, 2023. In addition, the Respondent has refused to answer any of his Undertakings given at the questioning on December 15, 2022 pursuant to the Undertakings and Refusals Chart sent to the Respondent's solicitor on February 22, 2023. Attached hereto as **Exhibit "D"** is a copy of the email to Ms. Osadet.
- (e) In addition, as at the date of this Affidavit, the Respondent has not paid the court ordered child support of \$1,146.00 for July, 2023.

Respondent's Breach of the Costs Endorsement of Justice Daley dated April 6, 2023

5. I brought a motion before Justice Daley on December 6, 2022 that included a claim for child support.
6. I was successful on the motion and child support was ordered. Cost submissions were also ordered, and my solicitor provided his cost submissions within the required time. The Respondent did not file any submissions. Attached hereto as **Exhibit "E"** is a copy of the Costs Endorsement of Justice Daley dated April 6, 2023.
7. Pursuant to the Costs Endorsement, the Respondent was to pay an all-inclusive sum of \$10,733.37 within 30 days of the release of the Endorsement. To date, the Respondent has not paid the costs awarded and once again, has breached another court Order.
8. The Respondent continues to demonstrate a complete flagrant disregard for the court process and is purposely refusing to move this matter along and should not be given an audience for any further court proceedings.
9. The Respondent's refusal to provide an up-to-date financial statement and Net Family Property Statement frustrates the ability to settle the equalization issue.
10. I am forced to continue to incur substantial legal fees that I cannot afford and frustrated that a settlement of this matter cannot be had, as a result of the Respondent's behaviour.
11. Pursuant to the Order of Justice McSweeney, and as a result of the breaches of the terms of Her Honour's Order, I am at liberty to bring a motion to strike the Respondent's pleadings and move for an Uncontested Trial.

Applicant's Ability to Amend Application

12. I am advised by my solicitor and verily believe that on April 25, 2022, his office sent an email to the Respondent's solicitor attaching a copy of the Amended Application and Consent for their consideration. Attached hereto as **Exhibit "F"** is a copy of the email.

13. On the same day, the Respondent's solicitor sent a return email, as attached hereto as Exhibit "G", advising that she would review it with her client.
14. I am advised by my solicitor and verily believe that to date, the Respondent has refused to consent to amending the Application, being further evidence of the Respondent's refusal to move this matter forward, and I am asking this Honourable Court to allow me to amend the Application.
15. I make this Affidavit in support of an Order to strike the Respondent's pleadings and proceed to an uncontested trial and to amend the Application and for no improper purpose.

PURSUANT TO THE DIVORCE ACT (CANADA), THIS COURT ORDERS THAT: (if not applicable, cross out this line)

PURSUANT TO THE CHILDREN'S LAW REFORM ACT, THIS COURT ORDERS THAT: (if not applicable, cross out this line)

PURSUANT TO THE FAMILY LAW ACT, THIS COURT ORDERS THAT: (if not applicable, cross out this line)

THIS COURT ORDERS THAT: (specify legislation, where applicable)

1. The parties agree to a further interim child support order on an interim without prejudice basis, and commencing January 1, 2023, the support ordered by Justice Daley shall increase to \$1,146.00 per month.
2. The Respondent shall serve and file his complete financial disclosure and certificate confirming same, including all documents responsive to his undertakings from questioning, updated sworn financial statement with documents to support values on disputed items listed therein and his Net Family Property statement, no later than 4 p.m. on July 31, 2023.
3. The Respondent shall provide the disclosure ordered by Justice Stribopoulos to the Applicant in full, no later than 4 p.m. on June 2, 2023.
4. Should the Respondent fail to make disclosure by the dates ordered, the Applicant has leave to bring a motion to strike the Respondent's pleadings and proceed to an uncontested trial.
5. At present, post-separation arrears of child support and entitlement to share in value of jointly owned matrimonial home are central issues between the parties. Respondent's position on these key issues is based on the parties' Separation Agreement of October, 2019. Applicant disputes the applicability of the Separation Agreement on the basis that she signed it under duress. This issue in my view will require a trial. Evidence in chief by way of affidavit, followed by cross-examination at trial, should in my view enable this matter to be heard and resolved within the timeframe of a "week of" trial of four days or less.
6. Trial Management Conference is set for November 30, 2023 at 2:15 p.m. Confirmation forms required and full compliance with rules and practice directions of the SCJ and Central West Region. Detailed Trial Scheduling Endorsements forms are also required from each party.
7. No other motions prior to the TMC without leave of the court obtained in advance.
8. The Respondent is ordered to pay costs of this conference to the Applicant in the amount of \$1,000.00. and to do so by June 6, 2023.
9. For as long as support is paid, the payor and recipient, if applicable, must provide updated income disclosure to the other party, within 30 days of the anniversary of this Order, in accordance with section 24.1 of the *Child Support Guidelines*.

10. Unless the support order is withdrawn from the office of the Director of the Family Responsibility Office, it shall be enforced by the Director and amounts owing under the order shall be paid to the Director, who shall pay them to the person to whom they are owed.

This Order bears interest at the rate of 6.0% from per annum on any payment(s) in default from the date of default.

Subject: Ferrante v. Ferrante - Outstanding undertakings given on the Examination for Discover of Rino Ferrante

Counsel,

Enclosed please find a list of undertakings, refusals, and undertakings under advisement for the above mentioned Examination. We still have not had responses to my previous emails with respect to the approval as to the Draft Order of child support. This is unacceptable; my client is owed court ordered child support since December 2022, and your client continues to pay \$250.00 per month.

There is no reason why the proper amount has not been paid, and we will be having FRO in due course enforce any order that is taken out.

The attached undertakings, refusals, and undertakings under advisement, will require a response no later than 20 days from today's date of February 22, 2023. It is my clients position that she will not stop, and is instructing me to bring any motion, if all answers to the chart has not been satisfied in full by your client.

Further, your client is putting undue influence and pressure to accept a low amount with respect to the equalization, and settling the amounts still owing on the separation agreement.

My clients position is that your client is still doing acts of undue influence and exerting pressure on my client to settle this matter. We ask that you tell him to refrain any communication whatsoever with respect to settlement offers.

Time is of the essence, and we need your response within 20 days from this date of February 22, 2023.

When can my client expect proper support since December 2022?

COUNSEL: D. M. Pomer: david.pomer@pomerandboccia.com, for the Applicant

COSTS ENDORSEMENT

- [1] The applicant brought a motion seeking various forms of relief including child support.
- [2] For the reasons set forth in my endorsement of January 10, 2023, the applicant was successful on her motion.
- [3] Submissions as to costs were ordered to be delivered by counsel for both parties, however only counsel for the applicant filed any submissions and the time with respect to the filing of same on behalf of the respondent has long passed.
- [4] The applicant seeks her costs of this motion on a substantial indemnity basis given that she tendered an Offer to Settle dated December 1, 2022 calling for payment of child support by the respondent in the monthly amount of \$958 based on annual income from employment of \$105,949.92 in accordance with the Child-Support Guidelines.

- [5] As per my endorsement of January 10, 2023, the respondent was ordered to pay ongoing child-support at the same amount and based on the same level of income from employment as put forward in the applicant's Offer to Settle.
- [6] Absent submissions on behalf of the respondent, given the result achieved as compared to the Offer to Settle in regard to ongoing child support, I am of the view that this is a proper case for an award of substantial indemnity costs payable by the respondent.
- [7] I have considered the Bill of Costs submitted by counsel for the applicant in terms of the hourly rate charged and the time spent and I am satisfied that the resulting fees, on a substantial indemnity basis, are fair, reasonable and proportionate having regard to the nature of the motion.
- [8] In the result, it is ordered that the respondent pay to the applicant her costs of the motion in the all-inclusive sum of \$10,733.87 within 30 days from the date of release of this endorsement.

Hi Jolanta:

Further to our emails yesterday, I just want to confirm that you will be adding the page number to match the documents pursuant to the Undertakings Chart. I have been going through it and unfortunately, I can't see which answers you're providing for which undertaking. There are numerous Effort Trust documents and your client's past Affidavit, that I don't know what undertaking your client is answering.

Kind Regards,

My name is

Rino Ferrante

I live in

Bolton, Province of Ontario

and I affirm that the following is true:

1. I am the Respondent in this matter and as such I have knowledge of the matters herein deposed.

Where my knowledge is based on information and belief, I have identified the source of the information and my belief in the truth of that information.

2. I am writing this affidavit in response to a motion brought by the Applicant and that is before the Court on

Tuesday, October 31, 2023.

DISCLOSURE

3. After Justice Stribopolous made an Order and that Order was acted upon, I hired Bruce Bussin to represent me.
4. The Applicant continued to be represented by Mr. Pomer because he also represents her for real estate matters.
5. Mr. Bussin was instructed to provide the mortgage file to the Applicant's lawyer,

dated 24 October 2023

Mr. Pomer. I believe that Mr. Bussin has provided that information to the Applicant.

6. I have provided a copy of my real estate file to the Applicant's family law lawyer again today.
7. I want the Court to remember that the Applicant and her lawyer, did not act to preserve the property, knowing the Order of Justice Stribopolous did not come to my attention. The Applicant permitted the house to go into foreclosure, which added \$20,000 to our costs. The Applicant is responsible for 50% of those costs.

ANSWERS TO UNDERTAKINGS

8. To provide answers to undertakings in a form the lawyer for the applicant mother can understand.
Attached and marked Exhibit A is a true copy of the Undertakings Chart that contains answers to the undertakings, under advisements, and refusals.
9. I have provided all answers to undertakings and even returned to refusals and provided answers for those as well, even though the Applicant did not bring a motion on those refusals.
10. I am interested in having this matter decided on its merits.
11. I have consented to most of the relief sought in the motion brought by the Applicant, except
of course, I do not consent to having my Answer struck.
12. We have a trial management conference scheduled for 30 November 2023, and I am ready to proceed and go to trial.

Child Support

13. I consent to an Order that the outstanding costs orders are enforced by the Family Responsibility Office. I believed I was paying those through the Family Responsibility Office, already because I am paying an additional \$200 per month.
14. More importantly, I am happy to consolidate those dates as it will make it easier for me to manage those payments.
15. My updated financial statement shows that I am very much in debt and my monthly payments are more than I can manage.
16. I am ready to go to trial as scheduled in January 2024 for one week of trial, and particularly on the issue of the Separation Agreement that was signed by both of us and that we lived upon for more than two years, before property prices went skyrocketing and the Applicant reneged on the agreement.
17. I am up to date on my child support as per the Order of Justice McSweeney dated 25 May 2023.

My name is*(Full legal name)***RINO FERRANTE****I live in***(municipality and province)***Bolton, Province of Ontario****and I swear/affirm that the following is true:**

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the Respondent in this matter and as such I have knowledge of the matters herein deposed. Where my knowledge is based on information and belief, I have

dated October 24, 2023

identified the source of the information and my belief in the truth of that information.

2. I am writing this affidavit in support of the production and answers to Undertakings following out of court questioning by the applicant's lawyer.
3. I have provided all answers to undertakings that I can and have set out those answers in the Undertakings Chart attached here as Exhibit A to my affidavit.

Below are my answers to undertakings for specific questions, set out by page number:

- a) Page no. 18- I've examined the recordings from my video security system by searching the video storage, and I discovered that it retains video for just one month before overwriting the earlier footage.
- b) Page no. 39- I do not have a paper copy of the account that was used by both parties (joint) in September and October 2019. I conducted an online search and reached out to the bank around January 2022 to request statements dating back as far as 25 months, however, until today I was not able to obtain these statements. I believe that Applicant has paper copies of these joint accounts, which are the subject to the undertaking.
- c) Page no. 43 – In September 2019, I received about \$7000 as an income tax refund; the Applicant received about \$4000 as an income tax refund. I removed from the account my tax refund income. I verily believe that the joint account had a balance of as estimated \$13,000. My regular income continued to be deposited into the joint account and remained there to cover all mortgage and

dated October 24, 2023

other homes expenses. I believe that the Applicant has the copies of these statements in her possession.

- d) Page no. 67- The document was served as Exhibit C in the Affidavit of Rino Ferrante affirmed on November 30, 2022 and provided on October 10, 2023.

UNDERTAKINGS CHART.pdf;

Hello Lisa,

Please find the attached- this will be sent via 2 separate emails due to the size of the docs.

I prepared all the undertakings which are in our possession as per your instruction by the page number.

I created 2 PDFs:

1. undertakings chart
2. refusals chart

In addition, I attach 2 files I was not able to combine with the rest of the documents due to the signature's certification, as such:

1. Updated Form 13.1
2. Affidavit Form 14A- response to the page 67 and 85 of the undertaking.

FYI, when you open the files in PDF please activate the bookmarks, this will help you to navigate. ☺

I am working on some other documents which I will send to you shortly.

Please kindly let me know if there are any other documents which are required from our client.

Hi Jolanta:

Further to our emails yesterday, I just want to confirm that you will be adding the page number to match the documents pursuant to the Undertakings Chart. I have been going through it and unfortunately, I can't see which answers you're providing for which undertaking. There are numerous Effort Trust documents and your client's past Affidavit, that I don't know what undertaking your client is answering.

Kind Regards,

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

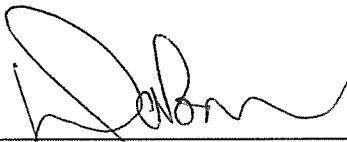

1. I am a Student-At-Law for the law firm of Pomer & Boccia Professional Corporation, the solicitors for the Applicant, and as such have knowledge of the matters hereinafter deposed, except where stated to be on information in which case, I believe such information to be true.
2. The original motion was signed on August 31, 2023 and served on August 31, 2023.
3. The Reply Affidavit was served on October 25, 2023 at 9:54 a.m. and we are now replying to that Affidavit today.
4. It is clear there is a requirement for the motion and the late Reply by the Respondent clearly indicates that costs should be awarded to the Plaintiff as the motion was valid and required.

5. To date there is still owing \$10,733.87 pursuant to the cost Endorsement dated April 6, 2023 and a further \$1,000.00 as set out in paragraph 3 of the Notice of Motion.
6. Only on October 25, 2023 did the Respondent consent to amend the Application and this is after more than a year when the original Amended Application was delivered to the Respondent's office.
7. Based on the Notice of Motion, the Applicant believes her costs should be paid on a substantial indemnity basis.
8. It is still difficult to determine if all the disclosure has been provided, as the Respondent refused our requests from this office to correspond the document to the appropriate Undertaking. Instead, the Respondent has provided voluminous disclosure that is virtually impossible to determine what document that has been provided goes to which undertaking and still to this date, it is impossible to determine which Undertakings have actually been answered.
9. Attached hereto as **Exhibit "A"** is an Undertakings Chart which we believe is much more accurate.
10. Only on October 17, 2023, did the Respondent's lawyer provide to this office a sworn Financial Statement which does not include any of the rent that the basement apartment gives to the Respondent. Although it was admitted under oath, that the Respondent was renting the basement.
11. It also does not disclose the other adults living in the premises that live in the basement of the Respondent's residence.
12. The Respondent in addition, puts the value of the matrimonial home at \$800,000.00 on the valuation date, yet other disclosure puts the value at over one million dollars provided by the Undertakings Chart.
13. The Respondent does not provide the backup to the debts and liabilities that should be attached to the Financial Statement, and it is difficult to determine if the Respondent has provided the backup for all the numbers as set out in the Debts and Liabilities.

14. The Respondent was provided with a full requirement that should have been produced for the motion in the first Affidavit sworn August 16, 2023, that required disclosure to be produced. However, due to too many pages, the court rejected the first Affidavit of August 16, 2023, and a reduced Affidavit was provided on August 21, 2023.
15. Only on October 10th, 2023, as attached hereto as **Exhibit "B"**, was the first response to the Undertakings provided, which did not correspond to the Undertakings list required.
16. The Applicant's office found it almost impossible to determine the disclosure provided on October 10th and be able to correspond the answer directly with the Undertaking. Despite the request of the Applicant's solicitor's family law clerk, the Respondent's office could not properly correspond the document to the appropriate Undertaking number.
17. Subsequently, being October 25, 2023, a Reply Affidavit and Undertakings Chart and further answers to the Undertakings were provided by the Respondent, that do not properly disclose or answer the Undertakings given on the Examination that was done by the Respondent at the last minute without care and attention and proper backup.
18. It must be noted that both the front and back of important cheques were not provided including copies of cheques that were required.
19. The Respondent in particular provided bald statements to answer Undertakings on the examination without the required backup.
20. Only on October 25, 2023, was there a signed Consent to the Amended Application that should have been given over a year ago when first asked by the Applicant's solicitor.
21. All the latest responses give rise to a cost Order close to the amount being asked by the Applicant's solicitor.
22. This motion is necessary and the costs awarded are still outstanding that have financially crippled the Applicant, as the child of the marriage is in post-secondary education at Humber College and the

Respondent has refused to pay the costs of the court to date or refused to contribute his proportionate share of books and tuition that has caused the Applicant's financial situation to pay high interest rates on the credit cards and not properly compensate her lawyer, due to the breaches of the Orders and financial contributions for the child's post-secondary education.

23. In summary, the late responses and without matching the document to the proper Undertaking, the late disclosure of October 25, 2023 and the missing disclosure, has resulted in the requirement for substantial indemnity costs and the Trial Management Conference to be adjourned, in order that a proper brief can be prepared and all the disclosure properly reviewed by the Applicant and her lawyer before a trial can be had.
24. I make this Affidavit in response to the Reply Affidavit of the Respondent and for no improper purpose.

My name is

(municipality and province)

Mississauga, Province of Ontario**and I swear/affirm that the following is true:**

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I work as a Paralegal Student waiting to write the P1 licensing exam in November, at 30th Street Legal, under the supervision of Margaret Osadet, and I possess knowledge related to the matter at hand. When my knowledge is derived from external sources, I've duly acknowledged these sources and expressed confidence in their accuracy.

2. I have diligently reviewed my records and engaged in necessary communication with our client, the Respondent in this case, to prepare this affidavit. This affidavit

dated OCTOBER 27, 2023

fully discloses, to the best of my knowledge, information, and belief, all pertinent documents related to the disclosure issue within my possession, control, or authority.

3. On October 10, 2023, I emailed Lisa Corlevic, the Senior Legal Assistant at Pomer and Boccia Professional Corporation, providing a list of attached documents relevant to the disclosure undertakings.
4. On October 16, 2023, Ms. Corlevic requested page numbers for the provided documents in her response.
5. On October 17, 2023, Ms. Corlevic conveyed difficulty in identifying the specific undertakings I was addressing.
6. On the same date, I sent Ms. Corlevic two separate emails with the attachments, creating two distinct PDFs – the Undertakings Chart and Refusal Chart – for ease of reference. I also provided guidance on navigating the tabs within the PDF and offered my full assistance, inquiring if any further documents were needed.
7. On October 23, 2023, I forwarded additional documentation related to the Respondent's mortgage disclosure, once again extending my willingness to assist with the documents.

Attached and marked Exhibit A is a true copy of the email correspondence between myself and Lisa Corlevic referred above.

8. I made every effort to facilitate collaboration on the disclosure issue with the Applicant's Lawyer. Ms. Corlevic ceased responding to my emails and instead

dated OCTOBER 27, 2023

served us with an Affidavit from Mr. Sorbara, a Student-at-Law, in response to my disclosure.

9. I firmly believe that the Applicant's lawyer has hindered collaboration with the Respondent's lawyer on the emerging issues and has provided the court with inaccurate information concerning the materials received.

10. I was eager to cooperate with the Applicant's lawyer's staff to comply with the court orders, but the lack of communication and collaboration on their part made this difficult.

11. On October 26, 2023, we received the Affidavit of David Sorbara, sworn, October 26, 2023, and there is an allegation on page 2 and in paragraph 8 and 16 that the Respondent refused to provide disclosure:

"8. It is still difficult to determine if all the disclosure has been provided, as the Respondent refused our requests from this office to correspond the document to the appropriate Undertaking. Instead, the Respondent has provided voluminous disclosure that is virtually impossible to determine what document that has been provided goes to which undertaking and still to this date, it is impossible to determine which Undertakings have actually been answered."

"16. The Applicant's office found it almost impossible to determine the disclosure provided on October 10th and be able to correspond the answer directly with the Undertaking. Despite the request of the Applicant's solicitor's family law clerk, the Respondent's office could not properly correspond the document to the appropriate Undertaking number."

12. These allegations are far from the truth, as I never refused to provide any disclosure

dated OCTOBER 27, 2023

from the Respondent to the Applicant's Lawyer. I also had no prior communication, whether through speech or email, with Mr. Sorbara during the disclosure process.

Attached Exhibit B is a copy of Affidavit of Mr. Sorbara sworn on October 26, 2023.

13. To the contrary, I furnished an extensive disclosure and expressed a willingness to collaborate.

14. On October 24, I served the Applicant's Lawyer with the sworn Affidavit of Rino Ferrante, which includes responses to the outstanding disclosure matters.

Attached and marked Exhibit C is the Affidavit 14A of Rino Ferrante served on Pomer & Boccia.

15. The office of Pomer and Boccia allegations, regarding the Affidavit of Rino Ferrante that his responses to undertakings consists bold statements, are meritless.

16. The office had every opportunity to collaborate with the Respondent office staff to resolve the inconsistencies if any were discovered, however they ceased to do it.

17. After reviewing the Affidavit of Mr. David Sorbera, I verily believe that it does not accurately represents the facts of events that occurred.

18. I verily believe that this is a litigation tactic of the Applicant's Lawyer, to prevent both parties finding a resolution to contentious issues.

dated OCTOBER 27, 2023

19. The legal team of Pomer and Boccia office are making it extremely challenging for us to collaborate in the best interest of the clients.

Hi Jolanta:

Further to our emails yesterday, I just want to confirm that you will be adding the page number to match the documents pursuant to the Undertakings Chart. I have been going through it and unfortunately, I can't see which answers you're providing for which undertaking. There are numerous Effort Trust documents and your client's past Affidavit, that I don't know what undertaking your client is answering.

My name is (*full legal name*) David Sorbara

I live in (*municipality & province*) Town of Nobleton, Province of Ontario

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

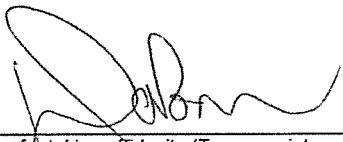

1. I am a Student-At-Law for the law firm of Pomer & Boccia Professional Corporation, the solicitors for the Applicant, and as such have knowledge of the matters hereinafter deposed, except where stated to be on information in which case, I believe such information to be true.
2. The original motion was signed on August 31, 2023 and served on August 31, 2023.
3. The Reply Affidavit was served on October 25, 2023 at 9:54 a.m. and we are now replying to that Affidavit today.
4. It is clear there is a requirement for the motion and the late Reply by the Respondent clearly indicates that costs should be awarded to the Plaintiff as the motion was valid and required.

5. To date there is still owing \$10,733.87 pursuant to the cost Endorsement dated April 6, 2023 and a further \$1,000.00 as set out in paragraph 3 of the Notice of Motion.
6. Only on October 25, 2023 did the Respondent consent to amend the Application and this is after more than a year when the original Amended Application was delivered to the Respondent's office.
7. Based on the Notice of Motion, the Applicant believes her costs should be paid on a substantial indemnity basis.
8. It is still difficult to determine if all the disclosure has been provided, as the Respondent refused our requests from this office to correspond the document to the appropriate Undertaking. Instead, the Respondent has provided voluminous disclosure that is virtually impossible to determine what document that has been provided goes to which undertaking and still to this date, it is impossible to determine which Undertakings have actually been answered.
9. Attached hereto as **Exhibit "A"** is an Undertakings Chart which we believe is much more accurate.
10. Only on October 17, 2023, did the Respondent's lawyer provide to this office a sworn Financial Statement which does not include any of the rent that the basement apartment gives to the Respondent. Although it was admitted under oath, that the Respondent was renting the basement.
11. It also does not disclose the other adults living in the premises that live in the basement of the Respondent's residence.
12. The Respondent in addition, puts the value of the matrimonial home at \$800,000.00 on the valuation date, yet other disclosure puts the value at over one million dollars provided by the Undertakings Chart.
13. The Respondent does not provide the backup to the debts and liabilities that should be attached to the Financial Statement, and it is difficult to determine if the Respondent has provided the backup for all the numbers as set out in the Debts and Liabilities.

14. The Respondent was provided with a full requirement that should have been produced for the motion in the first Affidavit sworn August 16, 2023, that required disclosure to be produced. However, due to too many pages, the court rejected the first Affidavit of August 16, 2023, and a reduced Affidavit was provided on August 21, 2023.
15. Only on October 10th, 2023, as attached hereto as **Exhibit "B"**, was the first response to the Undertakings provided, which did not correspond to the Undertakings list required.
16. The Applicant's office found it almost impossible to determine the disclosure provided on October 10th and be able to correspond the answer directly with the Undertaking. Despite the request of the Applicant's solicitor's family law clerk, the Respondent's office could not properly correspond the document to the appropriate Undertaking number.
17. Subsequently, being October 25, 2023, a Reply Affidavit and Undertakings Chart and further answers to the Undertakings were provided by the Respondent, that do not properly disclose or answer the Undertakings given on the Examination that was done by the Respondent at the last minute without care and attention and proper backup.
18. It must be noted that both the front and back of important cheques were not provided including copies of cheques that were required.
19. The Respondent in particular provided bald statements to answer Undertakings on the examination without the required backup.
20. Only on October 25, 2023, was there a signed Consent to the Amended Application that should have been given over a year ago when first asked by the Applicant's solicitor.
21. All the latest responses give rise to a cost Order close to the amount being asked by the Applicant's solicitor.
22. This motion is necessary and the costs awarded are still outstanding that have financially crippled the Applicant, as the child of the marriage is in post-secondary education at Humber College and the

Respondent has refused to pay the costs of the court to date or refused to contribute his proportionate share of books and tuition that has caused the Applicant's financial situation to pay high interest rates on the credit cards and not properly compensate her lawyer, due to the breaches of the Orders and financial contributions for the child's post-secondary education.

23. In summary, the late responses and without matching the document to the proper Undertaking, the late disclosure of October 25, 2023 and the missing disclosure, has resulted in the requirement for substantial indemnity costs and the Trial Management Conference to be adjourned, in order that a proper brief can be prepared and all the disclosure properly reviewed by the Applicant and her lawyer before a trial can be had.
24. I make this Affidavit in response to the Reply Affidavit of the Respondent and for no improper purpose.

Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.*

1. I am the Respondent in this matter and as such I have knowledge of the matters

herein deposed. Where my knowledge is based on information and belief, I have

identified the source of the information and my belief in the truth of that information.

2. I am writing this affidavit in support of the production and answers to Undertakings following out of court questioning by the applicant's lawyer.
3. I have provided all answers to undertakings that I can and have set out those answers in the Undertakings Chart attached here as Exhibit A to my affidavit.

Below are my answers to undertakings for specific questions, set out by page number:

- b) Page no. 39- I do not have a paper copy of the account that was used by both parties (joint) in September and October 2019. I conducted an online search and reached out to the bank around January 2022 to request statements dating back as far as 25 months, however, until today I was not able to obtain these statements. I believe that Applicant has paper copies of these joint accounts, which are the subject to the undertaking.
- c) Page no. 43 – In September 2019, I received about \$7000 as an income tax refund; the Applicant received about \$4000 as an income tax refund. I removed from the account my tax refund income. other homes expenses. I believe that the Applicant has the copies of these statements in her possession.

Explanation of changes and other important information

We changed your return based on our recent letter.

Your net income changed because of the change we made. We use your net income to calculate your Canada child benefit (CCB), goods and services tax/harmonized sales tax (GST/HST) credit, and any related provincial or territorial benefits. If any of these amounts change, we will send you a notice explaining the change. We may also keep all or part of your next CCB, GST/HST credit, and any related provincial or territorial benefit payments until any balances owing are paid.

Your Canada training credit limit for next year is \$750.00. This credit will expire at the end of the year you turn 65 or the year of death.

We changed the late-filing penalty we assessed you earlier from \$241.20 to \$0.00.

We decreased the arrears interest we charged you earlier by \$793.98.

You can avoid more interest charges if you pay the balance due by July 12, 2023.

If you have questions about your reassessment, please call our Individual Tax and Enquiries line at 1-800-959-8281 .

Important information regarding changes to spousal joint accounts opened in Quebec

Effective December 8, 2022, regulatory changes were introduced in Quebec impacting joint deposit accounts opened in Quebec and held between spouses or former spouses including married, civil union and de facto spouses. Customers can now make a joint declaration to assign a percentage share in the account balance for the purpose of distribution upon the death of one of the accountholders, failing which a default share of 50 per cent each will apply. 2023 Trustee Notification and Collection of Beneficiary Information by April 30, 2023

Bank of Montreal, Bank of Montreal Mortgage Corporation, and BMO Trust Company (collectively "BMO") are proud members of Canada Deposit Insurance Corporation (CDIC) and as such are required to annually remind trustee depositors to provide us with updated beneficiary information ensuring strong CDIC deposit insurance protection. For more information, please see <https://www.cdic.ca/financial-community/for-trustees/for-professional-trustees/timeline/>

If you are a Trustee who holds deposits for others, you have certain obligations you must meet to help ensure that those deposits continue to be protected by CDIC for up to \$100,000 per beneficiary.

You must:

- Confirm that the deposit is held in trust;
- Provide the full name of each trustee of the deposit, and the address of at least one trustee;
- Provide the full name and address of each beneficiary of the deposit account that you hold in trust for them; and
- If there is more than one beneficiary to the deposit account, provide the interest of each beneficiary in the funds held in the trust account, as a percentage of the trust

The required information as above, must be provided to us by April 30, 2023.

You may do so by visiting the closest BMO branch location or calling our branch or Relationship Manager.

If you do not provide us with the required information and keep it up-to-date, the deposits that you hold in trust for others may not receive CDIC deposit insurance protection up to \$100,000 per beneficiary. CDIC relies on the latest information on our records to protect your deposits.

For more information on the responsibilities of trustee depositors, please visit:
<https://www.cdic.ca/financial-community/for-trustees/>

Please note that certain Trustees who hold or place deposits in their professional capacity may qualify as a Professional Trustee for the purposes of CDIC's deposit insurance protection.

For more information on how to determine if you are a Professional Trustee, and if the Professional Trustee framework is right for you, please visit:
<https://www.cdic.ca/financial-community/for-trustees/for-professional-trustees>, or bmo.com/cdic

Bruce,

The advance has occurred and there are no additional monies. The Endorsement did not allow for funds to go to Rino.

You did not provide the signed Acknowledgment for electronic registration in preparation form for the mortgage and the signed ILA documents. Please forward these as soon as possible.

Are you obtaining the title insurance? Please advise as this was missing.

Statement of Real Estate Rentals

For information on how to fill out this form, see Guide T4036, *Rental Income*.

Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. This form will help you determine your gross rental income, the expenses you can deduct, and your net rental income or loss for the year.

To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:

- If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
- If you provide additional services such as cleaning, security, and meals, you may be conducting a business.

For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434, *Rental of Real Property by Individual, and Its Special Release*.

If you are a co-owner of a property, you have to determine if a partnership exists before filling in the Identification part below. To determine if you are in a partnership, see Income Tax Folio S4-F16-C1, *What is a Partnership?*

Statement of Real Estate Rentals

- Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. This form will help you determine your gross rental income, the expenses you can deduct, and your net rental income or loss for the year.
- To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:
 - If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
 - If you provide additional services such as cleaning, security, and meals, you may be conducting a business.
- For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434, *Rental of Real Property by Individual*, and its Special Release.

Statement of Real Estate Rentals

- Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. This form will help you determine your gross rental income, the expenses you can deduct, and your net rental income or loss for the year.
 - To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:
 - If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
 - If you provide additional services such as cleaning, security, and meals, you may be conducting a business.
 - For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434R, Rental of Real Property by Individual, and its Special Release.

T1-2019

**Canada Pension Plan
Contributions and Overpayment for 2019**

Schedule 8

The Canada Pension Plan (CPP) Act was amended to provide for the enhancement of pensions. The government of Quebec also adopted legislative amendments to enhance the Quebec Pension Plan (QPP) in a similar way to the federal plan. The enhancements are funded by additional enhanced contributions beginning in January 2019.

As an employee, your employer will already have deducted the contributions from your salary and wages. The contributions consist of a base and an enhanced amount. As a self-employed individual, you will calculate your required contributions (if any) on this schedule, which will include the base and the enhanced amounts.

Complete this schedule and attach it to your return to calculate your required Canada Pension Plan (CPP) contributions or overpayment for 2019 if you were a resident of a province or territory other than Quebec on December 31, 2019, and have no earned income from the province of Quebec.

Do not use this schedule if any of your T4 slips have Quebec Pension Plan (QPP) contributions. Instead get and complete Form RC381, Inter-provincial calculation for CPP and QPP contributions and overpayments for 2019.

Part 1 – Complete this part if you are electing to stop contributing to the CPP or revoking a prior election.

Part 2 – Complete this part to determine the number of months for the CPP contributions calculation.

Part 3 – Complete this part if you are reporting employment income.

Part 4 – Complete this part if you are reporting only self-employment income or other earnings you are electing to pay CPP contributions on.

Part 5 – Complete this part if you are reporting employment income and self-employment income or other earnings you are electing to pay CPP contributions on. You must first complete Part 3.

For more information, see lines 2220, 22215, 30800, and 31000 in the guide.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election

If in 2019 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have employment income for 2019 and elected in 2019 to stop paying CPP contributions or revoked in 2019 an election made in a prior year, you should have already completed Form CPT30, Election to Stop Contributing to the Canada Pension Plan, or Revocation of a Prior Election, and sent it to us and your employer(s).

If you had only self-employment income for 2019 and elect in 2019 to stop paying CPP contributions on your self-employment earnings, enter the month in 2019 for which you choose to start this election in box 50372 below. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 50372 because June is the sixth month of the year. If in 2019 you are revoking an election made in a prior year on contributions on self-employment earnings, enter the month in 2019 for which you choose to revoke this election in box 50374 below. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year for your election to remain valid.

If you had both employment income and self-employment income in 2019 and wanted to elect to stop paying CPP contributions in 2019, or to revoke in 2019 an election made in a prior year, you should have completed Form CPT30 in 2019. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2019 but your intent was to elect in 2019 to stop paying CPP contributions or revoke an election made in a prior year on your self-employment income before you became employed, enter the month you want to stop contributing in box 50372 below, or if you want to revoke an election made in a prior year, enter the month you want to resume contributing in box 50374 below. If you did not complete and submit Form CPT30 in 2019 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2019 on this schedule.

To be valid, an election or revocation that begins in 2019 must be filed on or before June 15, 2021.

I elect to stop contributing to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in box 50372.

T1-2019

Climate Action Incentive

The climate action incentive (CAI) consists of a basic amount and a supplement for residents of small and rural communities.

You cannot claim the CAI if any of the following applies to you:

- you were a non-resident of Canada at any time in 2019
- you were confined to a prison or a similar institution for a period of at least 90 days during 2019
- you were exempt from income tax in Canada at any time in 2019 because you were an officer or servant of the government of another country, such as a diplomat, or a family member who resided with such a person, or an employee of such a person
- you were a person for whom a children's special allowance (CSA) was payable at any time in 2019

Note: If you are completing a return for a person who died before April 1, 2020, you cannot claim the CAI for that person for the 2019 tax year.

Complete this schedule and attach it to your return to claim the CAI if, on December 31, 2019, you were a resident of Ontario and you met any of the following conditions:

- you were 18 years of age or older
- you had a spouse or a common-law partner
- you were a parent who lived with your child

Note: If you were married or living in a common-law relationship but your spouse or common-law partner was not an eligible spouse or common-law partner for the purpose of the CAI or you did not have a qualified dependant, complete this schedule using the instructions as if you did not have an eligible spouse or common-law partner or a qualified dependant.

Eligible spouse or common-law partner

For the purpose of the CAI, an eligible spouse or common-law partner is a person who meets all of the following conditions:

- was your spouse or common-law partner on December 31, 2019
- was a resident of Canada throughout 2019
- was not confined to a prison or a similar institution for a period of at least 90 days during 2019
- was not exempt from income tax in Canada at any time in 2019 because they were an officer or servant of the government of another country, such as a diplomat, or a family member who resided with such a person, or an employee of such a person
- was not a person for whom a CSA was payable at any time in 2019
- did not die before April 1, 2020

Notes: Either you or your spouse or common-law partner may claim the CAI for the family, but not both of you.
When two individuals in the family reside in different locations, the province of residence for the individual making the claim will be used when calculating the CAI for the family.

Qualified dependant

For the purpose of the CAI, a qualified dependant is a person who meets all of the following conditions:

- was your cohabiting spouse's or your common-law partner's child or a person dependent on either one of you for support on December 31, 2019
- resided with you on December 31, 2019
- was under 18 years of age on December 31, 2019
- was a resident of Canada throughout 2019
- was not married or living with a common-law partner on December 31, 2019
- was not a parent who lived with their child on December 31, 2019
- was not confined to a prison or a similar institution for a period of at least 90 days during 2019
- was not exempt from income tax in Canada at any time in 2019 because they were an officer or servant of the government of another country, such as a diplomat or a family member who resided with such a person, or an employee of such a person
- was not a person for whom a CSA was payable at any time in 2019
- did not die before April 1, 2020

Single parents of a qualified dependant

For the purpose of the CAI, if, on December 31, 2019, you did not have a spouse or a common-law partner but you had a dependant who met all of the conditions for a qualified dependant, claim an amount for that dependant on line 60102. If you had more than one qualified dependant, enter the number of remaining qualified dependants on line 60103.

Shared custody

Only one claim can be made per child. You cannot split the amount for a qualified dependant with another person.

Supplement for residents of small and rural communities

To claim the CAI supplement for residents of small and rural communities, you must have resided outside of a census metropolitan area (CMA) on December 31, 2019, as defined by Statistics Canada in the last census they published before 2019.

Therefore, you cannot claim the supplement for residents of small and rural communities if your principal place of residence was located in one of the following Ontario CMAs: Barrie, Belleville, Brantford, Greater Sudbury, Guelph, Hamilton, Kingston, Kitchener-Cambridge-Waterloo, London, Oshawa, the Ontario part of Ottawa-Gatineau, Peterborough, St. Catharines-Niagara, Thunder Bay, Toronto, or Windsor.

For more information on how to determine if you resided outside a CMA, go to canada.ca/census-metropolitan-areas.

Note 1: Columns 4, 7, and 8 apply only to accelerated investment incentive properties (AIIPs) (see Regulation 1104(4) of the Income Tax Regulations for the definition), zero-emission vehicles, and zero-emission passenger vehicles. In this chart ZEV represents both zero-emission vehicles and zero-emission passenger vehicles. An AIIP is a property (other than ZEV) that you acquired after November 20, 2018 and became available for use before 2028. A ZEV is a motor vehicle included in Class 54 or 55 that you acquired after March 18, 2019 and became available for use before 2028. For more information on AIIP and ZEV, see guide T4036.

Note 2: The proceeds of disposition of a zero-emission passenger vehicle (ZEPV) that has been included in Class 54 and that is subject to the \$55,000 capital cost limit will be adjusted based on a factor equal to the capital cost limit of \$55,000 as a proportion of the actual cost of the vehicle. For dispositions after July 29, 2019, the government proposes that the actual cost of the vehicle be adjusted for any payments or repayments of government assistance that you may have received or repaid in respect of the vehicle. For more information on proceeds of disposition, read Class 54 in guide T4036.

Note 3: The relevant factors for properties available for use before 2024 are 2 1/3 (classes 43.1 and 54), 1 1/2 (class 55), 1 (classes 43.2 and 53), 0 (classes 12 and 13), and 1/2 for the remaining accelerated investment incentive properties.

If no property is left in the class and there is a positive amount in the column, deduct the amount from income as a terminal loss in Part 4 on line 9270. Recapture and terminal loss do not apply to a class 10.1 property. For more information, read Chapter 3 of guide T4002.

** For information on CCA for "Calculation of business-use-of-home expenses," see "Special situations" in Chapter 4 of guide T4002. To help you calculate the capital cost allowance claim, see the calculation charts in Areas B to F.

Note 1: Columns 4, 7, and 8 apply only to accelerated investment incentive properties (AIIPs) (see Regulation 1104(4) of the Income Tax Regulations for the definition), zero-emission vehicles, and zero-emission passenger vehicles. In this chart ZEV represents both zero-emission vehicles and zero-emission passenger vehicles. An AIIP is a property (other than ZEV) that you acquired after November 20, 2018 and became available for use before 2028. A ZEV is a motor vehicle included in Class 54 or 55 that you acquired after March 18, 2019 and became available for use before 2028. For more information on AIIP and ZEV, see guide T4002.

Note 2: The proceeds of disposition of a zero-emission passenger vehicle (ZEPV) that has been included in Class 54 and that is subject to the \$55,000 capital cost limit will be adjusted based on a factor equal to the capital cost limit of \$55,000 as a proportion of the actual cost of the vehicle. For dispositions after July 29, 2019, the government proposes that the actual cost of the vehicle be adjusted for any payments or repayments of government assistance that you may have received or repaid in respect of the vehicle. For more information on proceeds of disposition, read Class 54 in guide T4002.

Note 3: The relevant factors for properties available for use before 2024 are 2 1/3 (classes 43.1 and 54), 1 1/2 (class 55), 1 (classes 43.2 and 53), 0 (classes 12, 13, 14, 15), and 1/2 for the remaining accelerated investment incentive properties

Canada Training Credit

The Canada training credit is a refundable tax credit designed to provide financial assistance to cover up to half of the tuition and other eligible expenses associated with training. This credit can only be claimed as of the 2020 taxation year.

The amount that may be claimed for a taxation year (beginning in 2020) will be equal to the lesser of:

- half of the tuition and other eligible expenses paid for the taxation year; and
- the balance of the individual's training amount limit for the taxation year (based on the amounts used and accumulated in respect of previous years).

However, for eligible individuals to claim this credit on their tax return for the 2020 taxation year, their training amount limit must be calculated with the information from the 2019 tax return.

For 2019, to accumulate the amount of \$250 corresponding to the training amount limit, an individual must:

- file a tax return for the year;
- be at least 26 years old and less than 66 years old at the end of the year (as of the 2020 taxation year);
- be resident in Canada throughout the year;
- have earnings (including income from an office or employment, self-employment income, Maternity and Parental Employment Insurance benefits or benefits paid under the *Act respecting parental insurance*, the taxable part of scholarship income, and the tax-exempt part of earnings of status Indians and emergency service volunteers) of \$10,000 or more in the year; and
- have individual net income for the year that does not exceed the top of the third tax bracket for the year (\$147,667 in 2019).

The taxpayer's account balance will be communicated to them each year in their Notice of Assessment and will be available through the Canada Revenue Agency's My Account portal.

Individuals will be able to accumulate up to a maximum amount of \$5,000 over a lifetime. Any unused balance will expire at the end of the year in which an individual turns 65.

Note: If the dependant is your or your spouse's or common-law partner's infirm child under 18 years of age, you must claim the Canada caregiver amount on line 30500, not on line 51100.

Line 30425 – Canada caregiver amount for spouse or common-law partner, or your eligible dependant age 18 or older

If you can claim an amount for your spouse or common-law partner on line 30300 of your return or for an eligible dependant 18 years of age or older on line 30400 of your return, you may be able to claim an amount on line 30425 of your return. However, you must first claim the amount of \$2,273 in calculating either the amount on line 30300 or the amount on line 30400, whichever applies.

To claim an amount on line 30425 of your return, you must first calculate your spouse's, common-law partner's, or eligible dependant's net income (line 23600 of their return or the amount it would be if they filed a return). Then complete the calculation above for either line 30300 or line 30400, whichever applies. Finally, complete the calculation for line 30425 on the next page.

Line 30450 – Canada caregiver amount for other infirm dependants age 18 or older

(Attach a separate sheet if you need more space)

You can claim an amount for each dependent who meets all the following conditions. They:

- were dependent on you because of an impairment in physical or mental functions
- were 18 years of age or older
- were your or your spouse's or common-law partner's child, grandchild, parent, grandparent, brother, sister, aunt, uncle, niece, or nephew
- were a resident of Canada at any time in the year (but not a person who was only visiting you)
- had a net income (line 23600 of their return or the amount it would be if they filed a return) of less than \$24,361

You cannot claim an amount on line 30450 of your return for dependants who do not have an impairment in physical or mental functions, including a parent or grandparent. A parent includes someone on whom you were completely dependent and who had custody and control of you when you were under 19 years of age. Similarly, a child can include someone older than you who has become completely dependent on you for support and over whom you have custody and control.

If anyone (including you) is claiming an amount on line 30300 or on line 30400 of the return for the dependant, you cannot claim an amount on line 30450 of the return for that dependant.

If you had to make support payments for a child, you cannot claim an amount on line 30450 of your return for that child. However, if you were separated from your spouse or common-law partner for only part of 2020 because of a breakdown in your relationship, you may be able to claim an amount for that child on line 30450 of your return if you do not claim any support amounts paid to your spouse or common-law partner on line 22000 of your return. You can claim whichever is better for you.

The Canada Revenue Agency may ask for a signed statement from a medical practitioner indicating that the person is dependent on others because of this impairment in physical or mental functions, as well as the nature of the impairment, when it began, and how long it is expected to last.

Note

If you and another person support the same dependant, you can split the claim for that dependant. However, the total amount of your claim and the other person's claim cannot be more than the maximum amount allowed for that dependant.

T1-2020

Canada Pension Plan Contributions and Overpayment

Schedule 8

The Canada Pension Plan (CPP) was amended to provide for the enhancement of pensions. The government of Quebec also adopted legislative amendments to enhance the Quebec Pension Plan (QPP) in a similar way to the federal plan. The enhancements are funded by additional enhancements are funded by additional enhanced contributions, which began in January 2019.

As an employee, your employer will already have deducted the contributions from your salary and wages. The contributions consist of a base and an enhanced amount. As a self-employed individual, you will calculate your required contributions (if any) on this schedule, which will include the base and the enhanced amounts.

Complete this schedule and attach it to your return to calculate your required Canada Pension Plan (CPP) contributions or overpayment for 2020 if you were a resident of a province or territory other than Quebec on December 31, 2020, and have no earned income from the province of Quebec.

Do not use this schedule if any of your T4 slips have Quebec Pension Plan (QPP) contributions. Instead complete Form RC381, Inter-Provincial Calculation for CPP and QPP Contributions and Overpayments for 2020.

Part 1 – Complete this part if you are electing to stop contributing to the CPP or revoking a prior election.

Part 2 – Complete this part to determine the number of months for the CPP contributions calculation.

Part 3 – Complete this part if you are reporting employment income.

Part 4 – Complete this part if you are reporting only self-employment income or other earnings you are electing to pay CPP contributions on.

Part 5 – Complete this part if you are reporting employment income and self-employment income or other earnings you are electing to pay CPP contributions on. You must first complete Part 3.

For more information, see lines 22200, 22215, 30800, and 31000 in the guide.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election

If in 2020 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have employment income for 2020 and elected in 2020 to stop paying CPP contributions or revoked in 2020 an election made in a prior year, you should have already completed Form CPT30, Election to Stop Contributing to the Canada Pension Plan or Revocation of a Prior Election, and sent it to us and your employer(s).

If you had only self-employment income for 2020 and elect in 2020 to stop paying CPP contributions on your self-employment earnings, enter the month in 2020 for which you choose to start this election in box 50372 on the next page. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 50372 because June is the sixth month of the year. If in 2020 you are revoking an election made in a prior year on contributions on self-employment earnings, enter the month in 2020 for which you choose to revoke this election in box 50374 on the next page. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year for your election to remain valid.

If you had both employment income and self-employment income in 2020 and wanted to elect to stop paying CPP contributions in 2020, or to revoke in 2020 an election made in a prior year, you should have completed Form CPT30 in 2020. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2020 but your intent was to elect in 2020 to stop paying CPP contributions or revoke an election made in a prior year on your self-employment income before you became employed, enter the month you want to stop contributing in box 50372 on the next page, or if you want to revoke in 2020 an election made in a prior year, enter the month you want to resume contributing in box 50374 on the next page. If you did not complete and submit Form CPT30 for 2020 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2020 on this schedule.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election (continued)

If you had self-employment income in 2020, an election or revocation that begins in 2020 must be filed on or before June 15, 2022 to be valid.

I elect to stop contributing to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in box 50372.

T1-2020

Climate Action Incentive

Schedule 14
Protected B when completed

The climate action incentive (CAI) consists of a basic amount and a supplement for residents of small and rural communities.

You cannot claim the CAI if any of the following applies to you:

- you were a non-resident of Canada at any time in 2020
- you were confined to a prison or a similar institution for a period of at least 90 days during 2020
- you were exempt from income tax in Canada at any time in 2020 because you were an officer or servant of the government of another country, such as a diplomat, or a family member who resided with such a person, or an employee of such a person
- you were a person for whom a children's special allowance (CSA) was payable at any time in 2020

Note: If you are completing a return for a person who died before April 1, 2021, you cannot claim the CAI for that person for the 2020 tax year.

Complete this schedule and attach it to your return to claim the CAI if, on December 31, 2020, you were a resident of Ontario and you met any of the following conditions:

- you were 18 years of age or older
- you had a spouse or a common-law partner
- you were a parent who lived with your child

Note: If you were married or living in a common-law relationship but your spouse or common-law partner was not an eligible spouse or common-law partner for the purpose of the CAI or you did not have a qualified dependant, complete this schedule using the instructions as if you did not have an eligible spouse or common-law partner or a qualified dependant.

Definitions

Eligible spouse or common-law partner

For the purpose of the CAI, an eligible spouse or common-law partner is a person who meets all of the following conditions:

- was your spouse or common-law partner on December 31, 2020
- was a resident of Canada throughout 2020
- was not confined to a prison or a similar institution for a period of at least 90 days during 2020
- was not exempt from income tax in Canada at any time in 2020 because they were an officer or servant of the government of another country, such as a diplomat, or a family member who resided with such a person, or an employee of such a person
- was not a person for whom a CSA was payable at any time in 2020
- did not die before April 1, 2021

Notes: Either you or your spouse or common-law partner may claim the CAI for the family, but not both of you.

When two individuals in the family reside in different locations, the province of residence for the individual making the claim will be used when calculating the CAI for the family.

Qualified dependant

For the purpose of the CAI, a qualified dependant is a person who meets all of the following conditions:

- was your or your cohabiting spouse's or your common-law partner's child or a person dependent on either one of you for support on December 31, 2020
- resided with you on December 31, 2020
- was under 18 years of age on December 31, 2020
- was a resident of Canada throughout 2020
- was not married or living with a common-law partner on December 31, 2020
- was not a parent who lived with their child on December 31, 2020
- was not confined to a prison or a similar institution for a period of at least 90 days during 2020
- was not exempt from income tax in Canada at any time in 2020 because they were an officer or servant of the government of another country, such as a diplomat, or a family member who resided with such a person, or an employee of such a person
- was not a person for whom a CSA was payable at any time in 2020
- did not die before April 1, 2021

Single parents of a qualified dependant

For the purpose of the CAI, if, on December 31, 2020, you did not have a spouse or a common-law partner but you had a dependant who met all of the conditions for a qualified dependant, claim an amount for that dependant on line 60102. If you had more than one qualified dependant, enter the number of remaining qualified dependants on line 60103.

Shared custody

Only one claim can be made per child. You cannot split the amount for a qualified dependant with another person.

Supplement for residents of small and rural communities

To claim the CAI supplement for residents of small and rural communities, you must have resided outside of a census metropolitan area (CMA) on December 31, 2020, as defined by Statistics Canada in the last census they published before 2020.

Therefore, you cannot claim the supplement for residents of small and rural communities if your principal place of residence was located in one of the following Ontario CMAs: Barrie, Belleville, Brantford, Greater Sudbury, Guelph, Hamilton, Kingston, Kitchener-Cambridge-Waterloo, London, Oshawa, the Ontario part of Ottawa-Gatineau, Peterborough, St. Catharines-Niagara, Thunder Bay, Toronto, or Windsor.

For more information on how to determine if you resided outside a CMA, go to canada.ca/census-metropolitan-areas.

* If you have a negative amount in column 6, add it to income as a recapture in Part 3C on line 8230. If no property is left in the class and there is a positive amount in the column, deduct the amount from income as a terminal loss in Part 4 on line 9270. Recapture and terminal loss do not apply to a Class 10.1 property. For more information, read Chapter 3 of Guide T4002.

** For information on CCA for "Calculating business-use-of-home expenses," see "Special situations" in Chapter 4 of Guide T4002. To help you calculate the capital cost allowance claim, see the calculation charts in Areas B to F.

Note 1: Columns 4, 7, and 8 apply only to accelerated investment incentive properties (AIIPs) (see Regulation 1104(4) of the Income Tax Regulations for the definition), zero-emission vehicles, zero-emission passenger vehicles and, under proposed legislation, other eligible zero-emission automotive equipment and vehicles that become available for use in the year. In this chart, ZEV represents zero-emission vehicles, zero-emission passenger vehicles and other eligible zero-emission automotive equipment and vehicles. An AIIP is a property (other than ZEV) that you acquired after November 20, 2018, and became available for use before 2028. A ZEV is a motor vehicle included in Class 54 or 55 that you acquired after March 18, 2019, and became available for use before 2028, or eligible zero-emission automotive equipment and vehicles included in Class 56 acquired after March 1, 2020, and that became available for use before 2028. For more information, see Guide T4002.

Note 2: The proceeds of disposition of a zero-emission passenger vehicle (ZEPV) that has been included in Class 54 and that is subject to the \$55,000 capital cost limit will be adjusted based on a factor equal to the capital cost limit of \$55,000 as a proportion of the actual cost of the vehicle. For dispositions after July 29, 2019, the government proposes that the actual cost of the vehicle be adjusted for any payments or repayments of government assistance that you may have received or repaid in respect of the vehicle. For more information on proceeds of disposition, read "Class 54 (30%)" in Guide T4002.

Note 3: The relevant factors for properties available for use before 2024 are 2 1/3 (Classes 43.1, 54 and 56), 1 1/2 (Class 55), 1 (Classes 43.2 and 53), 0 (Classes 12, 13, 14, 15), and 1/2 for the remaining accelerated investment incentive properties.

For more information on accelerated investment incentive properties, see Guide T4002 or go to canada.ca/taxes-accelerated-investment-income.

Canada Training Credit Limit for 2021

The Canada training credit is a refundable tax credit designed to provide financial assistance to cover up to half of the tuition and other eligible expenses associated with training.

The amount that may be claimed for a taxation year is equal to the lesser of:

- half of the tuition and other eligible expenses paid for the taxation year; and
- the balance of the individual's Canada training credit limit for the taxation year (based on the amounts used and accumulated in respect of previous years).

To accumulate an amount of \$250 corresponding to the Canada training credit limit for 2021, an individual must:

- file a tax return for the year;
- be at least 25 years old and less than 65 years old at the end of the year;
- be resident in Canada throughout the year;
- have earnings (including income from an office or employment, self-employment income, Maternity and Parental Employment Insurance benefits or benefits paid under the *Act respecting parental insurance*, the taxable part of scholarship income, and the tax-exempt part of earnings of status Indians and emergency service volunteers) of \$10,100 or more in the year; and
- have individual net income for the preceding year that does not exceed the top of the third tax bracket for the preceding year.

The taxpayer's account balance will be communicated to them each year in their Notice of Assessment and will be available through the Canada Revenue Agency's My Account portal.

Individuals will be able to accumulate up to a maximum amount of \$5,000 over a lifetime. Any unused balance will expire at the end of the year in which an individual turns 65.

This worksheet takes the additional CCB payments into account for the months of July and October 2021 and are calculated as follow:

- \$300 per child under the age of six to families entitled to the CCB with a family net income equal to or less than \$120,000; and
- \$150 per child under the age of six to families entitled to the CCB with a family net income above \$120,000.

RRSP and PRPP Unused Contributions, Transfers, and HBP or LLP Activities

A pooled registered pension plan (PRPP) is an accessible retirement savings option for individuals, including self-employed individuals. For more information, go to cra.gc.ca/tx/ndvds/tpcs/prpp-rpac/menu-eng.html.

Do not include PRPP contributions made by your employer in the calculation of your contributions in Part A of this schedule. The PRPP "employer contribution amount" from your PRPP receipt must be reported on line 205 of your return and on line 12 in Part C of this schedule.

If you earned income that is tax-exempt (for example, tax-exempt income earned by an Indian as defined by the *Indian Act*) and would like to contribute to a PRPP based on that income, complete Form RC383, *Tax-exempt Earned Income Information for a Pooled Registered Pension Plan*. The CRA will calculate your exempt PRPP room based on this income. **Do not report contributions made from exempt earnings on this schedule.**

Specified Pension Plan (SPP) contributions generally have the same rules as registered retirement savings plan (RRSP) contributions and should be included on this schedule. Currently the Saskatchewan Pension Plan is the only arrangement prescribed to be a specified pension plan. For more information about the Saskatchewan Pension Plan, visit saskpension.com.

Complete this schedule and attach it to your return **only** when one or more of the following situations apply:

- You will not be deducting on your return for 2016 all the unused RRSP/PRPP contributions, amount (B) of "Your 2016 RRSP/PRPP Deduction Limit Statement" shown on your latest notice of assessment, notice of reassessment, or T1028, *Your RRSP/PRPP Information for 2016*.
- You will not be deducting on your return for 2016 all the RRSP contributions and your PRPP contributions made from March 1, 2016, to March 1, 2017.
- You have transferred to your RRSP or PRPP certain amounts you included in your income.
- You are designating contributions made to your RRSP, your PRPP, or your SPP as a 2016 repayment under the Home Buyers' Plan (HBP) or the Lifelong Learning Plan (LLP).
- You withdrew funds from your RRSP in 2016 under the HBP or the LLP.
(You cannot withdraw funds from your PRPP or SPP under the HBP or the LLP.)
- You will be the beneficiary of income that was contributed to an amateur athlete trust in 2016 and you want that income to be used in calculating your RRSP/PRPP contribution limit.

If none of these situations apply to you, do not complete this schedule, and enter your total RRSP and PRPP contributions on line 208 of your return. For more information, see line 208 in the guide.

Canada Pension Plan Contributions and Overpayment for 2016

Schedule 8

Complete this schedule to calculate your required Canada Pension Plan (CPP) contributions or overpayment for 2016 if you were a resident of a province or territory other than Quebec on December 31, 2016, and have no earned income from the province of Quebec.

Do not use this schedule if any of your T4 slips have Quebec Pension Plan (QPP) contributions. Instead complete Form RC381, *Inter-provincial calculation for CPP and QPP contributions and overpayments for 2016*.

Part 1 – If you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and had to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions. Read Part 1 of this schedule.

Part 2 – Complete this part to determine the number of months for the CPP calculation.

Part 3 – Complete this part to calculate your CPP contributions and any overpayment of CPP made through employment. If you are reporting self-employment or elective income and employment income, you must complete Part 5.

Part 4 or Part 5 – Complete one of these parts to calculate your CPP contributions if:

- you reported self-employment income on lines 135 to 143 of your return;
- you reported business or professional income from a partnership on line 122 of your return; or
- you made an election on Form CPT20 to pay additional CPP contributions on other earnings.

For more information, see line 222 in the guide.

Complete Part 4 if you are reporting only self-employment or elective income.

Complete Part 5 if you are reporting self-employment or elective income and employment income. You must first complete Part 3.

Attach a copy of this schedule to your return.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election

If in 2016 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have employment income for 2016 and elected in 2016 to stop paying CPP contributions or revoked in 2016 an election made in a prior year, you should have already completed Form CPT30, *Election to Stop Contributing to the Canada Pension Plan, or Revocation of a Prior Election*, and sent it to us and your employer(s).

If you had only self-employment income for 2016 and elect in 2016 to stop paying CPP contributions on your self-employment earnings, enter the month in 2016 for which you choose to start this election in box 372 below. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 372 because June is the sixth month of the year. If in 2016 you are revoking an election made in a prior year on contributions on self-employment earnings, enter the month in 2016 for which you choose to revoke this election in box 374 below. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year for your election to remain valid.

If you had both employment income and self-employment income in 2016 and wanted to elect to stop paying CPP contributions in 2016, or to revoke in 2016 an election made in a prior year, you should have completed Form CPT30 in 2016. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2016 but your intent was to elect in 2016 to stop paying CPP contributions or revoke an election made in a prior year on your self-employment income before you became employed, enter the month you want to stop contributing in box 372 below, or if you want to revoke in 2016 an election made in a prior year, enter the month you want to resume contributing in box 374 below. If you did not complete and submit Form CPT30 for 2016 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2016 on this schedule.

To be valid, an election or revocation that begins in 2016 must be filed on or before June 15, 2018.

I elect to stop contributing to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in box 372.

GST370 – Allocation of Expenses for the GST/HST Rebate

This form is to be used to allocate expenses eligible for the GST/HST rebate if more than one tax rate can be applied to expenses. If expenses have been incurred in more than one province, perform the allocation according to the applicable tax rates, as the case may be:

- 12% HST: Expenses incurred in British Columbia before April 1, 2013 (Note 1)
- 13% HST: Expenses incurred in Ontario
 - Expenses incurred in New Brunswick and Newfoundland and Labrador before July 1, 2016
- 14% HST: Expenses incurred in Prince Edward Island before October 1, 2016
- 15% HST: Expenses incurred in Nova Scotia
 - Expenses incurred in New Brunswick and Newfoundland and Labrador on July 1, 2016 or after
 - Expenses incurred in Prince Edward Island on October 1, 2016 or after
- 5% GST: Other provinces or territories

Note 1: For British Columbia, expenses incurred on April 1, 2013, or after are subject to the 5% GST.

Once this form is completed, the data entered will be carried over to Form GST370 and will be used to calculate the total amount of tax rebate for which the taxpayer is eligible with regard to his or her eligible expenses.

Statement of Real Estate Rentals

For information on how to fill out this form, see Guide T4036, *Rental Income*.

Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. This form will help you determine your gross rental income, the expenses you can deduct, and your net rental income or loss for the year.

To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:

- If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
- If you provide additional services such as cleaning, security, and meals, you may be conducting a business.

For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434, *Rental of Real Property by Individual*, and its Special Release.

If you are a co-owner of a property, you have to determine if a partnership exists before filling in the Identification part below. To determine if you are in a partnership, see Income Tax Folio S4-F16-C1, *What is a Partnership?*

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election

If in 2017 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have employment income for 2017 and elected in 2017 to stop paying CPP contributions or revoked in 2017 an election made in a prior year, you should have already completed Form CPT30, *Election to Stop Contributing to the Canada Pension Plan, or Revocation of a Prior Election*, and sent it to us and your employer(s).

If you had only self-employment income for 2017 and elect in 2017 to stop paying CPP contributions on your self-employment earnings, enter the month in 2017 for which you choose to start this election in box 372 below. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 372 because June is the sixth month of the year. If in 2017 you are revoking an election made in a prior year on contributions on self-employment earnings, enter the month in 2017 for which you choose to revoke this election in box 374 below. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year for your election to remain valid.

If you had both employment income and self-employment income in 2017 and wanted to elect to stop paying CPP contributions in 2017, or to revoke in 2017 an election made in a prior year, you should have completed Form CPT30 in 2017. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2017 but your intent was to elect in 2017 to stop paying CPP contributions or revoke an election made in a prior year on your self-employment income before you became employed, enter the month you want to stop contributing in box 372 below, or if you want to revoke in 2017 an election made in a prior year, enter the month you want to resume contributing in box 374 below. If you did not complete and submit Form CPT30 for 2017 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2017 on this schedule.

To be valid, an election or revocation that begins in 2017 must be filed on or before June 15, 2019.

I elect to stop contributing to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in box 372.

Statement of Real Estate Rentals

- Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. This form will help you determine your gross rental income, the expenses you can deduct, and your net rental income or loss for the year.
- To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:
 - If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
 - If you provide additional services such as cleaning, security, and meals, you may be conducting a business.
- For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434, *Rental of Real Property by Individual*, and its Special Release.

T1-2018

Canada Pension Plan Contributions and Overpayment for 2018

Complete this schedule and attach it to your return to calculate your required Canada Pension Plan (CPP) contributions or overpayment for 2018 if you were a resident of a province or territory other than Quebec on December 31, 2018, and have no earned income from the province of Quebec.

Do not use this schedule if any of your T4 slips have Quebec Pension Plan (QPP) contributions. Instead, get and complete Form RC381, Inter-Provincial Calculation for CPP and QPP Contributions and Overpayments for 2018.

Complete the parts that apply to you.

Part 1 – Complete this part if you are electing to stop contributing to the CPP or revoking a prior election.

Part 2 – Complete this part to determine the number of months for the CPP calculation.

Part 3 – Complete this part if you are reporting employment income.

Part 4 – Complete this part if you are reporting only self-employment income or other earnings for which you are electing to pay CPP contributions.

Part 5 – Complete this part if you are reporting employment income and self-employment income or other earnings for which you are electing to pay QPP contributions. You must first complete Part 3.

For more information, see line 222 in the guide.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election

If in 2018 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have employment income for 2018 and elected in 2018 to stop paying CPP contributions or revoked in 2018 an election made in a prior year, you should have already completed Form CPT30, Election to Stop Contributing to the Canada Pension Plan, or Revocation of a Prior Election, and sent it to the CRA and your employer(s).

If you had only self-employment income for 2018 and elect in 2018 to stop paying CPP contributions on your self-employment earnings, enter in box 372 below the month in 2018 for which you choose to start this election. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 372 because June is the sixth month of the year. If in 2018 you are revoking an election made in a prior year on contributions for self-employment earnings, enter in box 374 below the month in 2018 for which you choose to revoke this election. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year to keep your election valid.

If you had both employment income and self-employment income in 2018 and wanted to elect to stop paying CPP contributions in 2018, or to revoke in 2018 an election made in a prior year, you should have completed Form CPT30 in 2018. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2018 but your intent was to elect in 2018 to stop paying CPP contributions or to revoke an election made in a prior year on your self-employment income before you became employed, enter in box 372 below the month you want to stop contributing, or if you want to revoke in 2018 an election made in a prior year, enter in box 374 below the month you want to resume contributing. If you did not complete and submit Form CPT30 for 2018 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2018 on this schedule. To be valid, an election or revocation that begins in 2018 must be filed on or before June 15, 2020.

I elect to stop contributing to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in box 372.

Statement of Real Estate Rentals

- Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. - To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:
 - If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
 - If you provide additional services such as cleaning, security, and meals, you may be conducting a business.
- For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434R, Rental of Real Property by Individual, and its Special Release.

T1-2019

Canada Pension Plan Contributions and Overpayment for 2019

Schedule 8

The Canada Pension Plan (CPP) Act was amended to provide for the enhancement of pensions. The government of Quebec also adopted legislative amendments to enhance the Quebec Pension Plan (QPP) in a similar way to the federal plan. The enhancements are funded by additional enhanced contributions beginning in January 2019.

As an employee, your employer will already have deducted the contributions from your salary and wages. The contributions consist of a base and an enhanced amount. As a self-employed individual, you will calculate your required contributions (if any) on this schedule, which will include the base and the enhanced amounts.

Complete this schedule and attach it to your return to calculate your required Canada Pension Plan (CPP) contributions or overpayment for 2019 if you were a resident of a province or territory other than Quebec on December 31, 2019, and have no earned income from the province of Quebec.

Do not use this schedule if any of your T4 slips have Quebec Pension Plan (QPP) contributions. Instead get and complete Form RC381, Inter-provincial calculation for CPP and QPP contributions and overpayments for 2019.

Part 1 – Complete this part if you are electing to stop contributing to the CPP or revoking a prior election.

Part 2 – Complete this part to determine the number of months for the CPP contributions calculation.

Part 3 – Complete this part if you are reporting employment income.

Part 4 – Complete this part if you are reporting **only** self-employment income or other earnings you are electing to pay CPP contributions on.

Part 5 – Complete this part if you are reporting employment income and self-employment income or other earnings you are electing to pay CPP contributions on. You must first complete Part 3.

For more information, see lines 22200, 22215, 30800, and 31000 in the guide.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election

If in 2019 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have **employment income** for 2019 and elected in 2019 to stop paying CPP contributions or revoked in 2019 an election made in a prior year, you should have already completed Form CPT30, Election to Stop Contributing to the Canada Pension Plan, or Revocation of a Prior Election, and sent it to us and your employer(s).

If you had **only self-employment** income for 2019 and elect in 2019 to stop paying CPP contributions on your self-employment earnings, enter the month in 2019 for which you choose to start this election in **box 50372** below. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 50372 because June is the sixth month of the year. If in 2019 you are revoking an election made in a prior year on contributions on self-employment earnings, enter the month in 2019 for which you choose to revoke this election in **box 50374** below. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year for your election to remain valid.

If you had **both** employment income and self-employment income in 2019 and wanted to elect to stop paying CPP contributions in 2019, or to revoke in 2019 an election made in a prior year, you should have completed Form CPT30 in 2019. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2019 but your intent was to elect in 2019 to stop paying CPP contributions or revoke an election made in a prior year on your self-employment income before you became employed, enter the month you want to stop contributing in **box 50372** below, or if you want to revoke in 2019 an election made in a prior year, enter the month you want to resume contributing in **box 50374** below. If you did not complete and submit Form CPT30 for 2019 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2019 on this schedule.

To be valid, an election or revocation that begins in 2019 must be filed on or before June 15, 2021.

I elect to **stop contributing** to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in **box 50372**.

Notes: Either you or your spouse or common-law partner may claim the CAI for the family, but not both of you.

When two individuals in the family reside in different locations, the province of residence for the individual making the claim will be used when calculating the CAI for the family.

Qualified dependant

For the purpose of the CAI, a qualified dependant is a person who meets **all** of the following conditions:

- was your cohabiting spouse's or your common-law partner's child or a person dependent on either one of you for support on December 31, 2019
- resided with you on December 31, 2019
- was under 18 years of age on December 31, 2019
- was a resident of Canada throughout 2019

- was not exempt from income tax in Canada at any time in 2019 because they were an officer or servant of the government of another country, such as a diplomat or a family member who resided with such a person, or an employee of such a person
- was not a person for whom a CSA was payable at any time in 2019
- did not die before April 1, 2020

Single parents of a qualified dependant

For the purpose of the CAI, if, on December 31, 2019, you did not have a spouse or a common-law partner but you had a dependant who met all of the conditions for a qualified dependant, claim an amount for that dependant on line 60102. If you had more than one qualified dependant, enter the number of remaining qualified dependants on line 60103.

Shared custody

Only one claim can be made per child. You cannot split the amount for a qualified dependant with another person.

To claim the CAI supplement for residents of small and rural communities, you must have resided outside of a census metropolitan area (CMA) on December 31, 2019, as defined by Statistics Canada in the last census they published before 2019.

Therefore, you cannot claim the supplement for residents of small and rural communities if your principal place of residence was located in one of the following Ontario CMAs: Barrie, Belleville, Brantford, Greater Sudbury, Guelph, Hamilton, Kingston, Kitchener-Cambridge-Waterloo, London, Oshawa, the Ontario part of Ottawa-Gatineau, Peterborough, St. Catharines-Niagara, Thunder Bay, Toronto, or Windsor.

Statement of Real Estate Rentals

- Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. This form will help you determine your gross rental income, the expenses you can deduct, and your net rental income or loss for the year.
- To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:
 - If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
 - If you provide additional services such as cleaning, security, and meals, you may be conducting a business.
- For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434R, Rental of Real Property by Individual, and its Special Release.
- If you are a co-owner of a property, you have to determine if a partnership exists before filling in the Identification part below. To determine if you are in a partnership, see Income Tax Folio S4-F16-C1, What is a Partnership?

Note 1: Columns 4, 7, and 8 apply only to accelerated investment incentive properties (AIIPs) (see Regulation 1104(4) of the Income Tax Regulations for the definition), zero-emission vehicles, and zero-emission passenger vehicles. In this chart ZEV represents both zero-emission vehicles and zero-emission passenger vehicles. An AIIP is a property (other than ZEV) that you acquired after November 20, 2018 and became available for use before 2028. A ZEV is a motor vehicle included in Class 54 or 55 that you acquired after March 18, 2019 and became available for use before 2028. For more information on AIIP and ZEV, see guide T4036.

Note 2: The proceeds of disposition of a zero-emission passenger vehicle (ZEPV) that has been included in Class 54 and that is subject to the \$55,000 capital cost limit will be adjusted based on a factor equal to the capital cost limit of \$55,000 as a proportion of the actual cost of the vehicle. For dispositions after July 29, 2019, the government proposes that the actual cost of the vehicle be adjusted for any payments or repayments of government assistance that you may have received or repaid in respect of the vehicle. For more information on proceeds of disposition, read Class 54 in guide T4036.

Note 3: The relevant factors for properties available for use before 2024 are 2 1/3 (classes 43.1 and 54), 1 1/2 (class 55), 1 (classes 43.2 and 53), 0 (classes 12 and 13), and 1/2 for the remaining accelerated investment incentive properties.

Statement of Real Estate Rentals

- Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. This form will help you determine your gross rental income, the expenses you can deduct, and your net rental income or loss for the year.
- To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:
 - If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
 - If you provide additional services such as cleaning, security, and meals, you may be conducting a business.
- For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434R, Rental of Real Property by Individual, and its Special Release.
- If you are a co-owner of a property, you have to determine if a partnership exists before filling in the Identification part below. To determine if you are in a partnership, see Income Tax Folio S4-F16-C1, What is a Partnership?
- For information on how to fill out this form, see Guide T4036, Rental Income.

Note 1: Columns 4, 7, and 8 apply only to accelerated investment incentive properties (AIIPs) (see Regulation 1104(4) of the Income Tax Regulations for the definition), zero-emission vehicles, and zero-emission passenger vehicles. In this chart ZEV represents both zero-emission vehicles and zero-emission passenger vehicles. An AIIP is a property (other than ZEV) that you acquired after November 20, 2018 and became available for use before 2028. A ZEV is a motor vehicle included in Class 54 or 55 that you acquired after March 18, 2019 and became available for use before 2028. For more information on AIIP and ZEV, see guide T4036.

Note 2: The proceeds of disposition of a zero-emission passenger vehicle (ZEPV) that has been included in Class 54 and that is subject to the \$55,000 capital cost limit will be adjusted based on a factor equal to the capital cost limit of \$55,000 as a proportion of the actual cost of the vehicle. For dispositions after July 29, 2019, the government proposes that the actual cost of the vehicle be adjusted for any payments or repayments of government assistance that you may have received or repaid in respect of the vehicle. For more information on proceeds of disposition, read Class 54 in guide T4036.

Note 3: The relevant factors for properties available for use before 2024 are 2 1/3 (classes 43.1 and 54), 1 1/2 (class 55), 1 (classes 43.2 and 53), 0 (classes 12 and 13), and 1/2 for the remaining accelerated investment incentive properties.

For more information on AIIP and ZEV, see Guide T4036 or go to tccanada.ca/taxes-accelerated-investment-income.

Canada Training Credit

The Canada training credit is a refundable tax credit designed to provide financial assistance to cover up to half of the tuition and other eligible expenses associated with training. **This credit can only be claimed as of the 2020 taxation year.**

The amount that may be claimed for a taxation year (beginning in 2020) will be equal to the lesser of:

- half of the tuition and other eligible expenses paid for the taxation year; and
- the balance of the individual's training amount limit for the taxation year (based on the amounts used and accumulated in respect of previous years).

However, for eligible individuals to claim this credit on their tax return for the 2020 taxation year, **their training amount limit must be calculated with the information from the 2019 tax return.**

For 2019, to accumulate the amount of \$250 corresponding to the training amount limit, an individual must:

- file a tax return for the year;
- be at least 26 years old and less than 66 years old at the end of the year (as of the 2020 taxation year);
- be resident in Canada throughout the year;
- have earnings (including income from an office or employment, self-employment income, Maternity and Parental Employment Insurance benefits or benefits paid under the *Act respecting parental insurance*, the taxable part of scholarship income, and the tax-exempt part of earnings of status Indians and emergency service volunteers) of \$10,000 or more in the year; and
- have individual net income for the year that does not exceed the top of the third tax bracket for the year (\$147,667 in 2019).

The taxpayer's account balance will be communicated to them each year in their Notice of Assessment and will be available through the Canada Revenue Agency's My Account portal.

Individuals will be able to accumulate up to a maximum amount of \$5,000 over a lifetime. Any unused balance will expire at the end of the year in which an individual turns 65.

Explanation of changes and other important information

We changed your return based on our recent letter.

Your net income changed because of the change we made. We use your net income to calculate your Canada child benefit (CCB), goods and services tax/harmonized sales tax (GST/HST) credit, and any related provincial or territorial benefits. If any of these amounts change, we will send you a notice explaining the change. We may also keep all or part of your next CCB, GST/HST credit, and any related provincial or territorial benefit payments until any balances owing are paid.

Your Canada training credit limit for next year is \$750.00. This credit will expire at the end of the year you turn 65 or the year of death.

We changed the late-filing penalty we assessed you earlier from \$241.20 to \$0.00.

We decreased the arrears interest we charged you earlier by \$793.98.

You can avoid more interest charges if you pay the balance due by July 12, 2023.

If you have questions about your reassessment, please call our Individual Tax and Enquiries line at 1-800-959-8281.

My name is (full legal name) Serafina Ferrante

I live in (municipality & province) Regional Municipality of Peel, Province of Ontario

and I swear/affirm that the following is true:

Set out the statements of fact in consecutively numbered paragraphs. Where possible, each numbered paragraph should consist of one complete sentence and be limited to a particular statement of fact. If you learned a fact from someone else, you must give that person's name and state that you believe that fact to be true.

1. I am the Applicant in this court action and as such have knowledge of the matters hereinafter deposed, except where stated to be on information, in which case I believe such information to be true.
2. By way of background, I commenced an Application in the Superior court on January 22, 2022, asking for *inter alia*, child support based on the *Child Support Guidelines*.
3. The Applicant denies each and every allegation as found in the Respondent's Affidavit sworn September 15, 2022.

4. The Respondent has delayed the process and failed to come to court with clean hands and should not be allowed his remedy as set out in the Respondent's Notice of Motion.
5. The Respondent provided an Answer on or about February 12, 2022, asking for inter alia, an Order to remove the Applicant's name from title of the property and an Order requiring the Applicant to renew the mortgage for a term of one year.
6. An urgent motion was brought by the Respondent to have various remedies with respect to renewing the mortgage.
7. As found at Exhibit "A" in the sworn Affidavit of the Respondent, is a copy of the Endorsement allowing for one extension up to a maximum of one year, with leave of the Court.
8. Attached hereto as **Exhibit "A"** is a copy of the Case Conference Endorsement dated April 25, 2022.
9. The 6 days before the motion to allow my lawyer proper and sufficient time to prepare responding material, the request was asked for by my lawyer and granted by Her Honour in the Endorsement.
10. The Respondent was required to serve his Notice of Motion and supporting material by May 23, 2022.
11. The Endorsement was made without prejudice to my position that the issue is Res Judicata.
12. The Respondent's motion date of July 8, 2022, came and went as abandoned by the Respondent for failure to provide motion material pursuant to the Endorsement of Justice Petersen dated April 25, 2022.
13. Further, the Endorsement allowed for leave to conduct questioning.
14. The Applicant's lawyer requested in writing several times, to ensure the transcript could be ordered on a non-rush basis before the requirement to defend the Respondent's motion.

15. My lawyer requested new dates for the questioning of the Respondent so as to allow for the transcript to be ordered on a non-rush basis and the reply only indicated a date after September 7, 2022, which would not allow for the transcript to be ordered on a non-rush basis.
16. I have also asked in writing, through my solicitor, for consent to amend the Application which were totally ignored by the Respondent's lawyer. This is costing me considerably more legal fees.
17. I am now forced to bring three separate motions before this Honourable Court due to the Respondent attempting to financially crush me and making it impossible to pay my lawyer.
18. Due to the total disregard for my financial troubles, the Respondent has failed to pay proper ongoing child support based on his 2021 Income Tax Return and 2021 Notice of Assessment.
19. Despite written repeated requests by my lawyer and comments made at the Case Conference, the Respondent continues to underpay ongoing child support per month.
20. The *Child Support Guidelines* calls for monthly child support of \$957.98 based on an annual income of \$105,949.92. The Respondent is currently paying \$250.00 per month.
21. The irresponsible conduct of the Respondent should not be rewarded by granting the Respondent his relief required in the Notice of Motion.

Motions

22. The first of three motions that must be brought is for proper child support.
23. The second motion that must be brought by my lawyer, due to the Respondent's failure to consent in writing, is the request to amend the Application which has already been provided by my lawyer to the Respondent's lawyer. Once again, the Respondent is attempting to cost me more money than I can afford.

24. The third and most important motion that I must bring is for questioning. My solicitor asked for questioning that could be used in my Reply Affidavit, but the Respondent delayed the questioning so as to not allow the responses and transcripts to be available in my responding material for September 23, 2022.
25. Attached hereto as **Exhibit "B"** is a Certificate of Non-Attendance which has an invoice in the amount of \$401.72
26. By email of Monday, August 8, 2022, the Respondent's lawyer responded to a date for questioning by stating "send us the questions in writing and I will have my client answer them".
27. This was unacceptable by my lawyer, as written answers are contrary to the *Family Law Rules*.
28. The Respondent's lawyer further delayed the date for the next case conference by not responding to my lawyer's request for a regular and not an urgent 10 minute case conference.
29. The non-response by the Respondent's lawyer has further delayed the case conference and should be considered a reason to deny the Respondent the Orders he is asking for in his motion and specifically, any costs if he is successful in the motion.

Extra Legal Costs Incurred Due to the Action of the Respondent or his Lawyer

30. The email asks for a link to appear by Zoom for a motion that both myself and my lawyer were unaware of.

Further Undue Influence

31. The email dated July 21, 2022, is further evidence of duress and undue influence, being one of the defences sought by myself in overturning the original Separation Agreement that I signed under complete duress. This related to being given 24 hours to respond to an offer to settle by the Respondent.

32. Attached hereto as **Exhibit "C"** are emails of July 26 and 27, 2022 to the Respondent's lawyer asking for dates for questioning and the Respondent's first response denying questioning unless I get leave of the court. The response to my lawyer's request for questioning was improper.
33. Attached hereto as **Exhibit "D"** is a Summons To Witness for August 15, 2022 by the Respondent's lawyer. It is important to note that Ms. Osadet requested the date of August 15, 2022 with the Zoom details.
34. The Respondent's solicitor by email of Monday, August 8, 2022 at 9:44 a.m., confirmed that the Respondent does not have the money for questioning of himself, and cancelled the August 15, 2022. On the same day of August 8th at 11:19 a.m., to save the date that was originally booked by Ms. Osadet, my lawyer sent a Notice of Questioning to Rino Ferrante, for the same date. Attached hereto as **Exhibit "E"** is a copy of the Notice of Questioning.
35. Attached hereto as **Exhibit "F"** is an email of August 8, 2022 at 11:24 a.m. confirming that Mr. Ferrante is not in a position to pay for the questioning and stating that Ms. Osadet was also unavailable for August 15, 2022 or indeed until September 12, 2022, leaving no time to order transcripts on a non-rush basis, thus eliminating the responses to be included in my responding material.
36. By email dated August 8, 2022 my lawyer offered other dates in August, 2022, that were totally ignored.
37. By email dated August 9, 2022, my solicitor asked for proof and evidence of what court or mediator that at the last minute was being scheduled and giving more dates. There was no proper response as to why the extra dates in August could not be used for questioning.
38. By further email of August 11, 2022, my solicitor further asked for dates in August and said request was ignored.

39. The Notice of Questioning as attached at Exhibit "E" asks for such items as Answers for Information and 21 other requests, all of which have never been provided and so relevant to a proper response to this motion.
40. The Respondent refuses to deal with the issues and should not be awarded any costs or any Orders asked for.

Response to Affidavit of Rino Ferrante

41. I have the Affidavit and deny the assumption that my share of the house was worth \$40,000.00.
42. I have only received \$20,000.00. Paragraph 4 in particular is completely false and the Separation Agreement has been fundamentally breached.
43. The mortgage is completely deficient.
44. The Respondent refused to provide dates for a case conference as stated in my Affidavit, although duly asked for.
45. There is no evidence of the lawyer's fees that will be charged by Ferra Construction Ltd., the commitment is not signed by the landlord and the commitment is not in my name.
46. There is no clause that the mortgagor must pay the taxes monthly. The mortgage is for 6 months. There are still issues outstanding between the parties. The mortgage is only for 6 months and not 5 years.
47. In any event, I do not work to have the matter dragged on for 5 years.
48. As the unsigned commitment is only in the name of Rino Ferrante, I am not prepared to transfer the property to Mr. Ferrante without proper consideration.

49. Paragraph 21(d) of the Commitment is onerous and can be cancelled at any time at the Landlord's option, and my property can be immediately foreclosed.
50. By executing the contract, I am setting myself for a further claim of paying one-half the mortgage payments for potentially another 5 years in addition to claims for one-half the mortgage payments from the date of separation, being September 1st, 2019 to present date.
51. I am unable to contact Ferra Construction Ltd. to confirm the terms and interest rate. There is no phone number, no address or email address.
52. I also would be subject to a reduction in equity if Mr. Ferrante defaults on the mortgage of the property.
53. By granting the Order of the Respondent, permitting the Respondent to re-mortgage the property on the terms set out by Ferra Construction, I would be required to transfer my interest in the matrimonial home to Rino Ferrante without determining the issue whether the Separation Agreement was valid or a nullity, based on the breach of contract by the Respondent, Duress and Undue Influence, and breach of section 5(6) of the *Family Law Rules*.
54. I am asking that the Respondent's motion be dismissed with costs in my favour on a substantial indemnity basis.
55. I make this Affidavit in response to a motion brought by the Respondent and for no improper purpose.

Explanation of changes and other important information

We changed your return based on our recent letter.

Your net income changed because of the change we made. We use your net income to calculate your Canada child benefit (CCB), goods and services tax/harmonized sales tax (GST/HST) credit, and any related provincial or territorial benefits. If any of these amounts change, we will send you a notice explaining the change. We may also keep all or part of your next CCB, GST/HST credit, and any related provincial or territorial benefit payments until any balances owing are paid.

Your Canada training credit limit for next year is \$750.00. This credit will expire at the end of the year you turn 65 or the year of death.

We changed the late-filing penalty we assessed you earlier from \$241.20 to \$0.00.

We decreased the arrears interest we charged you earlier by \$793.98.

You can avoid more interest charges if you pay the balance due by July 12, 2023.

If you have questions about your reassessment, please call our Individual Tax and Enquiries line at 1-800-959-8281 .
